Weiner, 2023-03-31 Originally published in 1981 Modern Policing provided an opportunity for members of the Police Staff College Bramshill to air their views about different aspects of modern British policing Contributions were made by members of the directing staff professional and academic and by students This book was addressed primarily to policemen themselves but also had wider appeal to those interested in policing The editors saw within police constabularies a rapidly developing concern for management information by senior police personnel for material to better prepare officers for their difficult task

by training departments for relevant analyses to help improve qualifications by policemen themselves This was one of the first books to include views from inside the police rather than those from the outside the service *Policing* Peter Joyce,2010-10-31 This lively and comprehensive text combines an overview of the historical development of policing in the UK with discussion of current debates and practice It provides a global and comparative context in order to shed light on contemporary issues The book equips students with an in depth understanding of the challenges and complexities of modern policing including the relationship between the police and other criminal justice agencies styles and approaches in practice how to police political violence diversity and the police police accountability Featuring chapter summaries case studies study questions an expansive glossary and a date chart listing significant events the book is easy to use and helps students to reflect upon key themes It is essential reading for criminology criminal justice and policing undergraduates **A History of Policing in England and Wales from 1974** Timothy Brain,2010-03-18 Focusing on a time of profound social and political change this book offers a detailed and engaging history of policing covering the key themes of social stability professionalisation and police reform as well as the major events between 1974 and 2008 such as the Miners Strike of 1984

Devon and Cornwall and a leading exponent of liberal democratic values and human rights in relation to police work In *Principled policing* he demonstrates how it is all too easy for everyday police officers to fall into behaviour which becomes difficult to comprehend as a result of working practices working cultures state manoeuvring and a lack of fundamental values for decision making Through his description of what he calls high police and by way of worldwide examples from Northern Ireland to Tiananmen Square Nazi Germany to the FBI to the British miners strike of 1984 the author calls for decency fairness and morality to act as touchstones for police officers everywhere *Principled Policing* which is dedicated to the innocent victims of the world's unprincipled policing is now in use on courses for police officers looking to reach the very highest positions

*Zero tolerance policing* Punch, Maurice, 2007-11-28 What is policing about and who defines it This book examines these key issues by exploring the notion of zero tolerance and its application in different settings Following its introduction in New York and the seemingly dramatic reduction in crime zero tolerance policing was taken up in a number of other countries including the UK and the Netherlands This book examines that process It argues that this policy was in fact nothing more than a return to old style crime control policing While it did foster the swift analysis of crime patterns and more assertive policing of public places it could lean towards repression and demonising of certain groups Examining the EEE Examining the EEE Examining the negative response of leading police officers and the policy's debatable impact on crime the author concludes that zero tolerance in the UK and Netherlands was more of a populist political and media creation than a coherent policy This book is far more than an authoritative analysis of zero tolerance It is a valuable source for entering the debate about the big picture in policing which many stakeholders now wish to see The approachable style of this book makes it ideal for students academics police practitioners and the lay reader to enter that debate

*Policing Across the World* R. I. Mawby, 1999 This text provides an overview of policing across different societies and considers the issues facing the US and British police in an international context The book is designed as an introduction to the police and the challenges they face

**Policing Issues** Jeffrey Ross, 2011-02-09 Law Enforcement Policing Security *Policing Police Violence* Hans van Mastrigt, Niels Uildriks, 2023-12-04 For many years both police violence and the complaints procedures have been important topics for debate in Britain and elsewhere This book aims to provide a contribution to this debate by analysing the way in which police violence at present is and should be policed On the basis of a case study in Glasgow the authors examine the phenomenon of police violence and the occupational reality in which it can be most adequately controlled The present type of British complaints system was found to have little to offer to the victims of such incidents and to be even counterproductive as a mechanism of control of police behaviour This book discusses the main structural amendments which would enable the complaints procedure to provide a more adequate response It is contended that the police themselves can and should play a major role in the control of police violence and that they should have both the responsibility and opportunity for rectifying what went amiss The implications of his study extend beyond the immediate Glaswegian Scottish and even British context

and are of wider interest to all those who are concerned with the issues and problems of police violence policing police misconduct and police accountability in general      *Policing Empires* Julian Go,2024 The police response to protests erupting on America s streets in recent years has made the militarization of policing painfully transparent Yet properly demilitarizing the police requires a deeper understanding of its historical development causes and social logics *Policing Empires* offers a postcolonial historical sociology of police militarization in Britain and the United States to aid that effort Julian Go tracks when why and how British and US police departments have adopted military tactics tools and technologies for domestic use Go reveals that police militarization has occurred since the very founding of modern policing in the nineteenth century into the present and that it is an effect of the imperial boomerang *Policing Empires* thereby unlocks the dirty secret of police militarization Police have brought imperial practices home to militarize themselves in response to perceived racialized threats from minority and immigrant populations      **Policing Northern Ireland** Aogan Mulcahy,2013-06-17 This book provides an account and analysis of policing in Northern Ireland following the RUC Royal Ulster Constabulary from the start of the troubles in the 1960s up to 1999 It focuses on three key aspects of the police legitimization process reform measures which are implemented to redress a legitimacy crisis representational strategies which are invoked to offer positive images of policing and public responses to these various strategies The book also makes a powerful contribution to wider current debates about police legitimacy police community relations community resistance and conflict resolution      **Reform in Policing** Jill M. Bolen,1997 Provides an important analysis of attempts to reform policing grounded in the experience of the Whitrod era in Queensland Bolen s analysis is based on detailed insider knowledge of the processes unparalleled in other studies of police reform This book offers a detailed and rich history of Queensland policing at the time but its relevance extends much beyond Queensland It is a valuable text for anyone interested in policing and organisational change

Restorative Policing Kerry Clamp,Craig Paterson,2016-10-04 In the UK and elsewhere restorative justice and policing are core components of a range of university programmes however currently no such text exists on the intersection of these two areas of study This book draws together these diverse theoretical perspectives to provide an innovative knowledge rich text that is essential reading for all those engaged with the evolution and practice of restorative policing Restorative Policing surveys the twenty five year history of restorative policing practice during which its use and influence over criminal justice has slowly grown It then situates this experience within a criminological discussion about neo liberal responses to crime control There has been insufficient debate about how the concepts of restorative justice and policing sit alongside each other and how they may be connected or disconnected in theoretical and conceptual terms The book seeks to fill this gap through an exploration of concepts theory policy and practice In doing so the authors make a case for a more transformative vision of restorative policing that can impact positively upon the shape and practice of policing and outline a framework for the implementation of such a strategy This pathbreaking book will be of interest to undergraduate and postgraduate students

taking courses on restorative justice policing and crime control as well as professionals interested in the implementation of restorative practices in the police force

**Community Policing in Action** Peter Stevens, Dianna M. Yach, 1995 Provides practical guidance on the possibilities and barriers to effective implementation of community policing An essential ingredient for success is through consultation in which police are one of the key elements in ensuring community safety in a democratic society

*Challenges of Policing Democracies* Dilip Das, Marenin Otwin, 2012-10-12 In this text the editors analyze the diverse situations that police forces operate under and the challenges that they face in different kinds of democracies This cross cultural comparison of various systems highlights the universal observation that police are an anomaly in a democracy and explores how various influences for example large scale social violence a zeal for crime fighting and vulnerability to temptation often find police incapable of behaving in a democratic manner Challenges of Policing Democracies goes beyond just showing the similarities and differences of the policing challenges democratic societies face it also examines the responses and remedies adopted by police in various countries at different levels of democratic achievement and how every society struggles with the challenges of preserving democratic values without sacrificing the effectiveness of policing

and 1990s giving unique insight into the experience of policing Ireland the first study of its kind in Ireland Particular attention is paid to the difficulties of transition the early encounters with the IRA the policing of the Blueshirts the world wars gangs in Dublin and the growth of drugs and crime Particularly noteworthy is the analysis of policing the Troubles and the immense difficulties that generated This book is essential reading for those interested in policing or Irish history but is equally important for those concerned with the legacy of colonialism and transition     **Policing, Race and Racism** Michael Rowe, 2004 Public inquiries into the racist murder of Stephen Lawrence in April of 1993 eventually led to the MacPherson Report of 1999 and charges of institutional racism in the British metropolitan police services This book engages the key issues emerging from the MacPherson Report discussing the failure of police to adequately recruit from minority ethnic communities the relationship between racism and broader aspects of police culture evaluations of subsequent training programs in community and race relations or policing diversity concerns that black people are over policed and the inadequacy of police response to racist violence Distributed in the US by ISBS Annotation 2004 Book News Inc Portland OR booknews com
