France Since 1945 Robert Gildea, 1996 The last fifty years have seen immense challenges for the French constructing a new European order building a modern economy searching for a stable political system It has also been a time of anxiety and doubt The French have had to come to terms with the legacy of the German Occupation the political and social implications of the influx of foreign immigrants the destruction of traditional rural life and the threat of Anglo American culture to French language and civilization Robert Gildea s account examines French politics society and culture as well as France s role in the world from 1945 to 1995 He looks at France s attempt to recover national greatness after the Second World War its attempt to deal with the fear of German resurgence by building the European Community the Algerian war and the later development of a neo colonialism to preserve its influence in Africa and the Pacific He traces the career of General de Gaulle the revolution of 1968 and the trend towards both political consensus and political disillusionment He also examines the rise and fall of the French intellectual the changing cultural policy of the state and the threat of feminism regionalism and multiculturalism to the ideal of the One and Indivisible Republic

Developments in French Politics Peter A. Hall, Jack Hayward, Howard Machin, 1990-08-31 This book provides an up to date analysis of the political system and its evolution since Mitterand s election in 1981 The impact of Socialist majority and minority governments the cohabitation programme and three separate reforms of television are all examined

Degaulle to Mitterrand Jack Hayward, 1993-06 It is generally agreed that the new style presidency is the key institution of the French Fifth Republic in that it helps to ensure the stability and effectiveness of the political system something that France has been seeking since the Revolution of 1789 Yet paradoxically no comprehensive study of the French presidential phenomenon exists The accumulated experience of 1959 1991 extending over the terms of de Gaulle Pompidou Giscard d Estaing and Mitterrand begs a comparative study of their institutional and personal roles in the political process Among the subjects here considered are the pre 1958 presidency and the ways in which practice has diverged from constitutional provisions the president s relations with his staff the prime minister and government the political parties parliament and the role of the mass media Finally the president s special role in foreign and defense policy as well as his personal projects are examined Contributing to the volume are J E S Hayward Martin Harrison University of Keele Anne Stevens University of Kent Jolyon Howarth

The French Polity William Safran, 2015-10-05 Focusing on the interplay between individual and institutions The French Polity is the most current and comprehensive text for introducing students to the changing and enduring characteristics of the French political scene It combines historical perspective and contextual information on French society to clearly explain the evolution and health of this country political institutions process and culture Throughout William Safran a leading area studies expert goes beyond description to offer original analyses of French politics *The Government and Politics of*

France Andrew Knapp, Lecturer in French Studies Andrew Knapp, Vincent Wright, 2003-09-02 The Government and Politics of France 4th Edition continues to provide students with a comprehensive and incisive introduction to the intricacies of French politics and government Written by two leading authorities on the subject this widely used textbook has been fully revised and up dated to take into account the many changes that have occurred since the last edition was published Coverage includes French political traditions constitution and the Fifth Republic the executive the Parliament parties and the party system the Administration interest groups local politics the impact of the EU **Politicians, Bureaucrats and Leadership**

in Organizations J. Burnham, 2009-04-28 This is the first book in English on the French agency DATAR DIACT that has been the envy of regional planners worldwide It sheds new light on political leadership in a bureaucracy and demonstrates convincingly the impact of political leaders on institutions It is a study of France with lessons for other political and administrative systems *The Multicultural Dilemma* Michelle Hale Williams, 2013 This work seeks to explore the contemporary challenge of government in multicultural societies drawing together a wide range of contributors to examine how ethnic difference could better understood and mediated by modern nation states Divided into three sections the book centres round the notion that changing patterns of migration bring escalating obstacles to integration or assimilation In the first section contributors focus on the theory that immigrants are the actors that catalyze contemporary multicultural dilemmas within states with a particular focus on diaspora and how a diaspora community may differ in some ways from other kinds of immigrant community Section two identifies key factors in shaping ethnic identity before moving on to examine the state of the debate over whether identity can be changed or manipulated The contributors to this section provide valuable insights into the catalysts and causes of ethnic division and tension by showing factors in the development of ethnic identity In the third section the focus turns to strategies for mediating multicultural challenges and managing internal diversity in multicultural society offering structural and institutional solutions with evidence of application in specific cases and country contexts Offering a comprehensive overview of this pressing issue and drawing on a wide range of case studies this work will be of interest to students and scholars of migration political sociology race and ethnic studies **Francois**

Mitterrand Alistair Cole, 2018-10-24 Francois Mitterrand is one of France s most famous twentieth century politicians yet interpretations of his values and leadership vary widely Alistair Cole s in depth study starts with a chronological overview of

Mitterrand's career and proceeds with a policy based assessment of Mitterrand's presidency By evaluating Mitterrand's policies in relation to various key roles such as the party leader the President the dispenser of patronage the European statesman and the World Leader this book places his leadership in comparative perspective and offers a new understanding of him as an individual political leader This fully up dated paperback edition will be invaluable for students of contemporary European politics as well as those interested in the career of one of post war Europe's leading statesmen *Comparative Politics Today* Gabriel Abraham Almond, G. Bingham Powell, 1992 This classic book defined the discipline of comparative politics and continues to define the direction of the course by offering the same respected approach in an accessible new edition The Seventh Edition has been fully updated and the theoretical chapters have been thoroughly revised and restructured It also features a new Contemporary Problems section in each study plus new example boxes *AF Press Clips*, 1987 AF Press Clips United States Department of State. Bureau of African Affairs, 1987 The Mitterrand Years Mairi Maclean, 2016-07-27 A considered look at the Mitterrand presidency as a whole its place in French history and the trends for the twenty first century emerging under Chirac The fourteen years during which Mitterrand was at the helm ushered in fundamental change in many different domains as France faced up to new challenges in an increasingly uncertain world This study evaluates the impact and legacy of the Mitterrand years in the following key areas the Republic socialism Europe and foreign affairs business and the economy society and culture **France in World Politics** Robert Aldrich, John Connell, 2024-09-02 Originally published in 1989 this book analyses France's distinctive role in international affairs and examines the characteristics of French foreign policy in the Fifth Republic The introduction provides an overview of France's role in international relations then specific chapters look at topics such as French military strategy and relations with the superpowers of the late 20th Century France and the European Community immigrant workers and their impact on France's international presence and France Africa among others The final chapter discusses the evolution and formulation of French foreign policy in historical perspective The contributors were historians geographers and specialists in French civilization all with experience in France Each chapter includes notes and references to work in both English and French making the book an important source especially for students of politics international relations modern history and French studies **Urban Services in Developing Countries** Dennis A.
