Polis And Imperium:

Rome, Global Dreams, and the International Origins of an Empire Sarah Davies, 2019-10-14 In *Rome Global Dreams and the International Origins of an Empire* Sarah Davies explores how the Roman Republic evolved in ideological terms into an Empire without end. This work stands out within Roman imperialism studies by placing a distinct emphasis on the role of international level norms and concepts in shaping Roman imperium. Using a combination of literary epigraphic and numismatic evidence, Davies highlights three major factors in this process. First is the development in the third and second centuries BCE of a self-aware international community with a cosmopolitan vision of a single universalizing world system. Second is the misalignment of Rome's polity and concomitant diplomatic practices with those of its Hellenistic contemporaries. And third is contemporary historiography which inserted Rome into a cyclical and cosmic rise and fall of great power.

Demokratia Josiah Ober, Charles Hedrick, 2021-03-09 This book is the result of a long and fruitful conversation among practitioners of two very different fields: ancient history and political theory. The topic of the conversation is classical Greek democracy and its contemporary relevance. The nineteen contributors remain diverse in their political commitments and in their analytic approaches but all have engaged deeply with Greek texts with normative and historical concerns and with each other's arguments. The issues and tensions examined here are basic to both history and political theory: revolution versus stability, freedom and equality, law and popular sovereignty, cultural ideals and social practice. While the authors are sharply critical of many aspects of Athenian society, culture, and government, they are united by a conviction that classical Athenian democracy has once again become a centrally important subject for political debate. The contributors are Benjamin R. Barber, Alan Boegehold, Paul Cartledge, Susan Guettel Cole, W. Robert Connor, Carol Dougherty, J. Peter Euben, Mogens H. Hansen, Victor D. Hanson, Carnes Lord, Philip Brook Manville, Ian Morris, Martin Ostwald, Kurt Raaflaub, Jennifer Tolbert Roberts, Barry S. Strauss, Robert W. Wallace, Sheldon S. Wolin, and Ellen Meiksins Wood.

From Solon to Socrates Victor Ehrenberg, 2010-10-04 *From Solon to Socrates* is a magisterial narrative introduction to what is generally regarded as the most important period of Greek history. Stressing the unity of Greek history and the centrality of Athens, Victor Ehrenberg covers a rich and diverse range of political, economic, military, and cultural issues in the Greek world from the early history of the Greeks, including early Sparta and the wars with Persia, to the ascendancy of Athens and the Peloponnesian War.

Athenian Political Thought and the Reconstitution of American Democracy J. Peter Euben, John R. Wallach, Josiah Ober, 2018-07-05 In the contemporary United States, the image and experience of Athenian democracy has been appropriated to justify a profoundly conservative political and educational agenda. Such is the conviction expressed in this provocative book, which is certain to arouse widespread comment and discussion. What does it mean to be a citizen in a democracy? Indeed, how do we educate for democracy? These questions are addressed here by thirteen historians, classicists, and political theorists who critically examine ancient Greek history and institutions, texts, and ideas in light of today.

s political practices and values They do not idealize ancient Greek democracy Rather they use it with all its faults as a basis for measuring the strengths and shortcomings of American democracy In the hands of the authors ancient Greek sources become partners in an educational dialogue about democracy s past one that goads us to think about the limitations of democracy s present and to imagine enriched possibilities for its future The authors are diverse in their opinions and in their political and moral commitments But they share the view that insulating American democracy from radical criticism encourages a dangerous complacency that Athenian political thought can disrupt

The City in the Classical and Post-Classical World Claudia Rapp,H. A. Drake,2014-04-14 In its various incarnations the Roman Empire survived until 1918 when the last two rulers to bear the title Caesar Kaiser Wilhelm in Germany and Tsar Nicholas II of Russia fell from power This volume contains the thinking of an international team of twelve scholars who analyze two of the most important changes in political and religious identity brought about by that empire a change from the Greek kinship and polis based system to the territorial system of imperial Rome and the development of a universal religious consciousness that lasted from the adoption of Christianity in the fourth century to the development of the nation state in modern times

Athenian Political Thought and the Reconstruction of American Democracy J. Peter Euben,John R. Wallach,Josiah Ober,1994 A collection of essays on Athenian democracy organized in three sections on situating the Athenian democracy in relation to various regimes exploring how discourse in democratic Athens displayed awareness of democracy s limitations and creating direct dialogues between the discourse of Athenian democracy and that of contemporary thought Annotation copyright by Book News Inc Portland OR

Miracle Discourse in the New Testament Duane F. Watson,2012-10-26 This volume explores the rhetorical role that miracle discourse plays in the argumentation of the New Testament and early Christianity The investigation includes both the rhetoric within miracle discourse and the rhetorical role of miracle discourse as it was incorporated into the larger works in which it is now a part The volume also examines the social cultural religious political and ideological associations that miracle discourse had in the first century Mediterranean world bringing these insights to bear on the broader questions of early Christian origins The contributors are L Gregory Bloomquist Wendy Cotter David A deSilva Davina C Lopez Gail O Day Todd Penner Vernon K Robbins and Duane F Watson

Aufstieg und Niedergang der römischen Welt: Principat. v Hildegard Temporini,Wolfgang Haase,1980

European Values in International Relations Vilho Harle,2016-10-06 This book focuses on the problems and issues surrounding the idea of Europeanism The theory that common values would form the basis of a single European identity is argued against and the contributors concentrate on dualistic distinctions especially the dichotomy of friend and enemy in European political and international thought and suggest alternatives to them

The Different Faces of Politics in the Visual and Performative Arts Mario Thomas Vassallo,Andre P. Debattista,2023-12-22 This book highlights the linkages between politics and governance and the arts The essays in the volume show how visual and performative arts have challenged those in power or conversely patronised by

them been used for propaganda to stir up national fervour and found themselves at the receiving end of political censure They focus on the tension and symbiosis between the politician and the artist foregrounding how they have always tried to influence challenge and in some cases undermine one another This volume will serve as an indispensable source for researchers and academics in political science the humanities and performing arts *Revisiting Diaspora Spaces in India: A Contemporary Overview* Joydev Maity, 2023-09-12 This edited volume is a detailed and critical study of Indian diaspora writings and its diverse themes It focuses on dynamics and contemporary perspectives of Indian diaspora writings and analyzes emerging themes of this field like the experience of the Bihari diaspora migration to Gulf countries the relation between diasporic experience and self translation uprootedness and resistance discourse through ecocritical praxis and many more With the aid of a subtle theoretical framework the volume closely examines some of the key texts such as *Goat Days* Baumgartner's *Bombay An Atlas of Impossible Longing* *The Circle of Reason* and authors including Shauna Singh Baldwin M G Vassanji Sarat Chandra Chattopadhyay V S Naipaul and others The book also explores diaspora literature written in regional language and later translated into English and how they align with the fundamental Indian diaspora writings A significant contribution to Indian diaspora writings this volume will be of great importance to scholars and researchers of diaspora literature migration and border studies cultural memory and translation studies **Urban Dreams and Realities in Antiquity**, 2014-11-20 A unique variety of approaches to all aspects of urban culture in the ancient world can be found in *Urban Dreams and Realities in Antiquity* a collection of 19 essays addressing ancient cities from an interdisciplinary perspective As the title indicates the volume considers both how ancient people lived in their cities as physical structures and how they thought with them as ideas and symbols Essays in this volume deal with texts and sites from Spain to South India but there is a particular focus on the archaeology and epigraphy of Roman era Italy civic identity in the Roman provinces the Hebrew Bible and Early Christian literature Vergil and other imperial Latin authors **Pre-Revolution Origin of the USSR** Carroll Quigley, 1958 **Evangelicals and Empire** Bruce Ellis Benson, Peter Goodwin Heltzel, 2008-10 Leading evangelical thinkers engage and are engaged by the most explosive and discussed theorists of empire in the first decade of the twenty first century Michael Hardt and Antonio Negri *The Oxford Handbook of Greek Cities in the Roman Empire*, 2024-11-13 This handbook provides the first comprehensive treatment of the Greek cities in the Roman Empire The poleis are studied here both as urban forms with a specific organization of space and specific public buildings and as socio political entities with specific institutions and social hierarchies The contributions cover all the important aspects of civic life and present the on going debates on the degree of integration and autonomy uniformization and diversity of the Greek civic model in the Roman Empire One of the main guidelines of the handbook is the issue of the impact of Roman rule on the long lasting Greek model of political social and spatial organization Geographically the volume covers the whole Roman Empire with a focus on regions where the Greek polis was the dominant form of organization such as mainland Greece the Aegean

Islands Asia Minor Syria and the Black Sea region In addition to that the Greek cities of Sicily and Egypt as well as more isolated Greek settlements such as Cyrene in North Africa are also considered The chronological scope of the handbook runs from a community's integration into the Roman Empire varying depending on the region until the 3rd c AD when the epigraphic documentation strongly decreases and some important changes make way for the transition to Late Antiquity

From Christ to Christianity James R. Edwards, 2021-07-06 How did the movement founded by Jesus transform more in the first seventy five years after his death than it has in the two thousand years since This book tells the story of how the Christian movement which began as relatively informal rural Hebrew and Aramaic speaking and closely anchored to the Jewish synagogue became primarily urban Greek speaking and gentile by the early second century spreading through the Greco Roman world with a mission agenda and church organization distinct from its roots in Jewish Galilee It also shows how the early church's witness can encourage the church today

Hegel's Antiquity Will D. Desmond, 2020-07-30 Hegel's Antiquity aims to summarize contextualize and criticize Hegel's understanding and treatment of major aspects of the classical world approaching each of the major areas of his historical thinking in turn politics art religion philosophy and history itself The discussion excerpts relevant details from a range of Hegel's works with an eye both to the ancient sources with which he worked and the contemporary theories German aesthetic theory Romanticism Kantianism Idealism including Hegel's own and emerging historicism which coloured his readings What emerges is that Hegel's interest in both Greek and Roman antiquity was profound and is essential for his philosophy arguably providing the most important components of his vision of world history Hegel is generally understood as a thinker of modernity in various senses but his modernity can only be understood in essential relation to its predecessors and others notably the Greek world and Roman world whose essential spirit he assimilates to his own notion of Geist

A History of Western Public Law Bruno Aguilera-Barchet, 2014-12-31 The book outlines the historical development of Public Law and the state from ancient times to the modern day offering an account of relevant events in parallel with a general historical background establishing and explaining the relationships between political religious and economic events

Imperial Power, Provincial Government, and the Emergence of Roman Asia, 133 BCE-14 CE Bradley Jordan, 2024-01-24 This groundbreaking and detailed study uses the province of Asia as a case study to examine the formation and evolution of Rome's imperial administrative institutions Bradley Jordan examines Asia's rich epigraphy to show how local actors and communities helped to establish and maintain Rome's hegemony in the province

The Aesthetic State Josef Chytrý, 2024-07-26 Shortly after the middle of the eighteenth century a number of thinkers from the German speaking lands began to create a paradigm drawn from their impressions of a distant historical reality ancient Athens added to it a new mode of thought modern dialectics and at times even paid homage to the ancient Greek deity Dionysos to materialize their longing for an ideal The influence of these forces came to permeate modern German consciousness deifying the concept and activity of art reviving the Platonic and Sanskrit vision of the cosmos as play and

aesthetic creation and projecting a way of life and labor that would honor not the commodity but the aesthetic product With rigorous commitment to primary sources and an unflagging critical engagement with the ideas and concrete situations they raise Josef Chytry provides a comprehensive and extensive study of this central motif in German thought from Winckelmann to Marcuse Chytry takes aesthetic state to signify the concentrated modern intellectual movement to revitalize the radical Hellenic tradition of the polis as the site of a beautiful or good life The movement begins with the classicism of Winckelmann Wiemar aesthetic humanism Wieland Herder Goethe and Schiller s formal theory of the aesthetic state and continues through the idealism of the Swabian dialecticians Holderlin Hegel and Schelling and the realism of Marx Wagner and Nietzsche It culminates in the postrealism of Heidegger Marcuse and the aesthetic modernist artist Walter Spies who initiated a dialogue with the non Western theatre state of the isle of Bali Josef Chytry concludes that the future speculation on the ideal of an aesthetic state must come to terms with the postrealist themes of ontological anarchy aesthetic ethos and theatre state In a bold effort to stimulate such speculation Chytry indicates how proponents of the aesthetic state might join forces with Rawlsian political theory to promote further the organon of persuasion that in his view serves as the common fount for the ancient dialectical and contractarian quests for the polis This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989

Polis And Imperium Introduction

In today's digital age, the availability of Polis And Imperium books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Polis And Imperium books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Polis And Imperium books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Polis And Imperium versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Polis And Imperium books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Polis And Imperium books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Polis And Imperium books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Polis And Imperium books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Polis And Imperium books and manuals for download and embark on your journey of knowledge?

FAQs About Polis And Imperium Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Polis And Imperium is one of the best book in our library for free trial. We provide copy of Polis And Imperium in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Polis And Imperium. Where to download Polis And Imperium online for free? Are you looking for Polis And Imperium PDF? This is definitely going to save you time and cash in something you should think about.
