Polish-black Encounters Joseph Anthony Wytrwal,1982      **The Harvard Guide to African-American History** Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America      *Polish American Voices* Anna D. Jaroszyńska-Kirchmann,James S. Pula,2023-11-29 This volume presents 145 primary source documents of Polish immigrants from different waves and backgrounds speaking about their lives concerns and viewpoints in their own voices while they grapple with issues of identity and strive to make sense of their lives in the context of migration Poles have come to America since the Jamestown settlement in 1608 and constituted one of the largest immigrant groups at the turn of the 19th and 20th centuries As of 2020 the Census Bureau lists them as the sixth largest ethnic group in the country The history of their experience is an integral part of the American story as well as that of the broader Polish diaspora Each of the ten comprehensive chapters presents a specific theme illuminated by a selection of letters press articles fragments of memoirs and autobiographical fiction interviews organizational papers and other publications as well as visual sources such as cartoons posters and photographs Brief introductions to the documents and a Further Reading section offer historical context and point readers to additional resources The book provides students and scholars with a broad understanding and an incentive for future study of the Polish experience in the United States      East Central Europe in Exile Volume 2 Anna Mazurkiewicz,2013-08-19 The East Central Europe in Exile series consists of two volumes which contain chapters written by both esteemed and renowned scholars as well as young aspiring researchers whose work brings a fresh innovative approach to the study of migration Altogether there are thirty eight chapters in both volumes focusing on the East Central European migr experience in the nineteenth and twentieth centuries The first volume Transatlantic Migrations focuses on the reasons for emigration from the lands of East Central Europe from the Baltic to the Adriatic the intercontinental journey as well as on the initial adaptation and assimilation processes The second volume is slightly different in scope for it focuses on the aspect of negotiating new identities acquired in the adopted homeland The authors contributing to Transatlantic Identities focus on the preservation of the East Central European identity maintenance of contacts with the old country and activities pursued on behalf of and for the sake of the abandoned homeland Combined both volumes describe the transnational processes affecting East Central European migrants

**Racism in the United States** Meyer Weinberg,1990-05-21 This volume represents the most comprehensive book length bibliography on the subject of racism available in the United States Compiler Meyer Weinberg has surveyed a wide ranging group of material and classified it under 87 subject headings drawing on articles books congressional hearings and reports theses and dissertations research reports and investigative journalism Historical references cover the long history of racism while the heightened awareness and activity of the recent past is also addressed in detail In addition to works that fit the

narrow definition of racism as a mode of oppression or group denial of rights based on color Weinberg includes references dealing with sexism antisemitism economic exploitation and similar forms of dehumanization References are grouped under a series of subject headings that include Civil Rights Desegregation Housing Socialism and Racism Unemployment and Violence against Minorities Items which do not have self explanatory titles are annotated and virtually every section is thoroughly cross referenced Also included is one section of carefully selected references on racism in countries other than the United States Unlike the remainder of the book this section is not comprehensive but rather provides an opportunity to view racism comparatively The volume concludes with an author index This work will be a significant addition to both academic and public libraries as well as an important resource for courses in racism sociology and black history

Language in Immigrant America Dominika Baran, 2017-10-12 Exploring the complex relationship between language and immigration in the United States this timely book challenges mainstream historically established assumptions about American citizenship and identity Set within both a historical and a current political context this book covers hotly debated topics such as language and ethnicity the relationship between non native English and American identity perceptions and stereotypes related to foreign accents code switching hybrid language forms such as Spanglish language and the family and the future of language in America Work from the fields of linguistics education policy history sociology and politics are brought together to provide an accessible overview of the key issues Through specific examples and case studies immigrant America is presented as a diverse multilingual and multidimensional space in which identities are often hybridized and always multifaceted *The Polish Experience in Detroit* Joseph Anthony Wyrwal, 1992 **Annals of Iowa** ,1993 Polish American Studies Konstantin Symmons-Symonolewicz, 1986 *Polish Digest* ,1993 **The American Bibliography of Slavic and East European Studies** ,1985 America, History and Life ,1994 *Race Relations in the United States* Mary A.
