Political Culture Basic Concepts In Political Science:

Political Culture Walter A. Rosenbaum, 1975 For introductory and intermediate undergraduate courses in political science Political Culture and Political Development Lucian W. Pye, Sidney Verba, 2015-12-08 Volume 5 in the Studies in Political Development Series Originally published in 1965 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Islam and Pakistan's Political Culture** Farhan Mujahid Chak, 2014-09-04 This book explores the ideological rivalry which is fuelling political instability in Muslim polities discussing this in relation to Pakistan It argues that the principal dilemma for Muslim polities is how to reconcile modernity and tradition It discusses existing scholarship on the subject outlines how Muslim political thought and political culture have developed over time and then relates all this to Pakistan's political evolution present political culture and growing instability The book concludes that traditionalist and secularist approaches to reconciling modernity and tradition have not succeeded and have in fact led to instability and that a revivalist approach is more likely to be successful **Principles And Theory In Political Science Vol# 1** Urmila Sharma, S.K. Sharma, 2000 This Book Deals With The Principles And The Theory Of Political Science Besides The Introductory Portion Including Definition Scope Value Nature And Methods Of Political Science This Book Includes The Discussion On All Those Topics Which Find A Place In The Syllabi Of Political Theory Or Principles Of Political Science In Any Indian University These Include Political Power Behavioural And Post Behavioural Revolutions The State The Rise And Growth Of Nation States The Political System Sovereignty Monist And Pluralist View Of Sovereignty The Theory Of Rights Concepts Of Liberty Concept Of Equality Law And International Law Concept Of Property Concept Of Justice Political Obligation Political Revolution Punishment Etc As Political Sociology Is Today An Integral Part Of Political Science This Book Deals With The Main Concepts Of Political Sociology Including Political Development Political Culture Political Socialisation Political Participation Political Recruitment Political Elites Political Alienation Political Communication Political Legitimacy And Effectiveness And Bureaucracy Principles Of Political Science Deal With The Theories Of State And Government Thus This Book Discusses Forms Of Government Democracy Socialism Marxism Syndicalism Guild Socialism Evolutionary Socialism Fabianism Anarchism Fascism Liberalism Individualism And Sarvodaya A Bibliography Has Been Given At The End For Those Who Desire To Go To Originals And Have A Wide Study Of The Subjects *Political Culture, Political Science, and Identity Politics* Howard J. Wiarda, 2016-04-08 Political Culture defined as the values beliefs and behavioral patterns underlying the political system has long had an uneasy relationship with political science Identity politics is the latest incarnation of this conflict Everyone

agrees that culture and identity are important specifically political culture is important in understanding other countries and global regions but no one agrees how much or how precisely to measure it In this important book well known Comparativist Howard J Wiarda traces the long and controversial history of culture studies and the relations of political culture and identity politics to political science Under attack from structuralists institutionalists Marxists and dependency writers Wiarda examines and assesses the reasons for these attacks and why political culture went into decline only to have a new and transcendent renaissance and revival in the writings of Inglehart Fukuyama Putnam Huntington and many others Today political culture now updated to include identity politics stands as one of these great explanatory paradigms in political science the others being structuralism and institutionalism Rather than seeing them as diametrically exposed Howard Wiarda shows how they may be made complementary and woven together in more complex multicausal explanations This book is brief highly readable provocative and certain to stimulate discussion It will be of interest to general readers and as a text in courses in international relations comparative politics foreign policy and Third World studies The Concept of Political Culture Stephen Welch, 2016-07-27 erudite thought provoking and well written Archie Brown Professor of Politics Oxford University The return to prominence of the concept of political culture offers an opportunity to re evaluate its contribution to the social sciences This study casts a broader than usual net embracing not only political science with equal emphasis placed on the concept s use in communist studies but also sociology and history On this basis a distinctive theory of political culture and not merely another typology is developed Political culture instead of being a token in the sterile debate between interest and culture based explanation offers the means of transcending that debate Political Science in Theory and Practice Ruth Lane, 1997 This text demonstrates that there is a politics model that unifies the discipline and structures its relationship to the other social sciences It shows how this model underlies important works of applied research in all the main political science subfields **The Idea of Culture in the Social Sciences** Louis Schneider, Charles M. Bonjean, *Ideology, Philosophy and Politics* Anthony Parel, 1983-03-14 These twelve essays together with the editor s introduction examine the relationship of ideology to philosophy and politics Part one deals with theoretical underpinnings of ideology definitions are posited and the relationship of ideology to thought itself to use and abuse of theory to social theory to the epistemology of politics to technology and to political culture are discussed Part two treats ideology in its historical context dealing with the word as introduced by Destutt de Tracy in 1798 and looking both forward and backward at such enquirers in the field as Aristotle Bacon Locke Rousseau Marx Karl Mannheim and Leo Strauss The volume presents original and provocative insights into the meanings and uses of ideology as well as into specific ideologies The essays will be of importance to students of philosophy and sociology of knowledge political scientists and historians **Political Theory** VD Mahajan, 2006 This is new edition contains a comprehensive study of the subject with the latest thinking by the political scientists of thw world today International Encyclopedia of Political Science Bertrand Badie, Dirk Berg-Schlosser, Leonardo Morlino, 2011-09-07

Ethiopian Elites' Political Cultures: a critical juncture Solomon Hailemariam PhD, 2025-05-09 Recurrent ethnic conflicts have been seen in Ethiopia especially during the last three decades since the introduction of a governance structure of ethnic federalism in 1991 Attempts to bring political stability to the country have not been successful as competing political cultures constantly struggle for hegemony Political constituencies have fragmented based on sub national political cultures This book shows the influence of Amhara Oromo and Tigrayan political cultures in Ethiopia and their contribution to the recurrent ethnic conflict in the country The book used the concepts of political culture and neo patrimonialism as analytical tools to understand the differences among and between the educated people from these ethnic groups The findings show that members of each

ethnic group are deeply entrenched in their own culture with clear distrust of the political motives of other ethnicities Beyond the disagreements on political history the educated elites accuse each other when it comes to the many challenges faced by the country They accuse each other of state capture corruption inciting ethnic conflicts malpractice poor governance misguided policies divide and rule practices and misappropriation of the nation's economic wealth The elites themselves do not shoulder responsibility for any failure in the country and do not show any interest in understanding other points of view do not show sincere respect for the other's value but claim privileged political positions in present day Ethiopia for past accomplishments

Modern Roots Alain Dieckhoff, Natividad Gutiérrez, 2017-07-05 Addressing recent scholarly interest in national identity this book examines the social practices that give historical meaning cohesion and uniqueness to national communities It reveals the diversity of the themes practices and symbols used to encourage self identification and communality and explores techniques ranging from the exaltation of heroes to the evocation of landscape

Understanding Politics and Society Fabio de Nardis, 2020-03-26 This textbook presents political sociology as a connective social science that studies political phenomena by creating fruitful connections with other perspectives The relationship between politics and society is more complex than ever due to the emergence of new power structures forms of conflict organization and management and social practices of political participation Several scholars describe this historical phase as the de politicization of representative politics The book addresses classical themes of and approaches to political sociology but also dedicates several chapters to contemporary developments within political sociology including for instance the role of the internet and bottom up political communication in social movements In addition the volume acts as a professional tool for those scholars and researchers that are beginning to study political processes from a sociological perspective

Political Sociology: a New Grammar of Politics Ali Ashraf, Sharma L N, 1983

Political Science and Political Sociology in Brief Dr. Muhammad Hussein Noure Elahi, 2016-04-06 THIS work is the outcome of a demand for a short text book that would contain in essence a clear and concise statement of the field of political science and political sociology its scientific basis and its principles as far as these are at present known and its purposes In the preparation of this book emphasis has been placed on three points first on the social forces as the dynamic agent working unconsciously toward natural individual ends and consciously toward collective achievement under the direction of the intellect second on the importance of material achievement as the basis of psychical development and on the necessity of systematic general instruction in the fundamental principles of knowledge as a basis for right social life culture and third on the arrangement of the material so as to facilitate its use for purposes of reading universities and classes The work is based fundamentally on Political Science and Political Sociology but is in no respect a mere condensation of it Using this precise and complete work as a basis and supplementing it by numerous references to other sociological and political writings an attempt has been made to prepare a sort of handbook containing in epitome the

essential elements of a system of political science and political sociology
