*Cricket: A Political History of the Global Game, 1945-2017* Stephen Wagg, 2017-11-14 Cricket is an enduring paradox On the one hand it symbolises much that is outmoded imperialism a leisured elite a rural aristocratic Englishness On the other it endures as a global game and does so by skilful adaptation trading partly on its mythic past and partly on its capacity to repackage itself This ambitious new history recounts the politics of cricket around the world since the Second World War examining key cultural and political themes including decolonisation racism gender globalisation corruption and commercialisation Part One looks at the transformation of cricket cultures in the ten territories of the former British Empire in the years immediately after 1945 a time when decolonisation and the search for national identity touched every cricket

playing region in the world Part Two focuses on globalisation and the game's evolution as an international sport analysing social change and the Ashes the campaigns for new cricket formats the development of the women's game the new breed of coach the limits to the game's global expansion and the rise of India as the world's leading cricket power Cricket A Political History of the Global Game 1945-2017 is fascinating reading for anybody interested in the contemporary history of sport

*Electoral Corruption in Bangladesh* Muhammad Akhter, 2017-11-30 This title was first published in 2001 Riggings elections in favour of those in power has become a common practice in Bangladesh Muhammad Yeahia Akhter focuses on the significance of elections in this ostensibly democratic state and portrays how electoral corruption has damaged the process of democratic consolidation The author reveals the failure of both civilian and military governments to obtain democratic legitimacy and or credibility through free and fair elections The study examines the relatively democratic but largely non transparent nature of electioneering under non partisan caretaker governments The study provides a source of understanding of fair electoral process for the politicians and electoral officials in Bangladesh and other democratizing polities It provides valuable information to the policy makers and practitioners in order to reform the electoral process in Bangladesh and in other similar countries
