**Catalogue of the Officers and Students in Yale College** Yale University, 1890      **Political Translations on Eastern Europe** United States. Joint Publications Research Service,      **Political Economy Now!** Gavan Butler, Evan Jones, Frank Stilwell, 2018-08-30 Political Economy Now is the story of one of the most substantial and enduring conflicts in the history of Australian universities Beginning in the late 1960s it pitted those committed to the teaching of mainstream economics at the University of Sydney against the proponents of an alternative program in political economy The dispute continued for decades until a Department of Political Economy was established in the Faculty of Arts in 2008 Why all the fuss over the teaching of economics Why were the disagreements so deep and protracted What has been at stake Why did dissident staff and students commit so much time and energy to establishing and developing alternative courses and

administrative arrangements The dispute involved substantial differences of opinion about the nature of the curriculum the style of teaching and the structures of power and decision making Although locally focused at the University of Sydney and at its most intense during the 1970s and 1980s the dispute also has wider implications for how we understand the economic system and the role of economic policy It reflects a broader tension in Australian society about what economic arrangements best serve social needs The story of the struggle for alternative economics told from the political economists perspective weaves together a general historical narrative with illustrations and interpretations of the causes and consequences of the conflict and personal recollections of eleven former student activists all now in significant professional positions Political Economy Now is a fascinating read for those concerned about how a discipline of great social and political significance is understood and taught to its would be practitioners      *General Register* University of Michigan, 1894 Announcements for the following year included in some vols
