Political Economy Of Slavery Studies In Economy And Society Of The Slave South

**Susanna Delfino, Michele
Gillespie, Louis M. Kyriakouides**

Political Economy Of Slavery Studies In Economy And Society Of The Slave South:

The Political Economy of Slavery Eugene D. Genovese, 2012-01-01 This classic study of antebellum Southern society demonstrates how slavery was the bedrock of the region's social order and cultural identity In *The Political Economy of Slavery* Eugene Genovese argues that slavery gave the South a distinct class structure political community economy ideology and a set of psychological patterns As a result the South grew away from the rest of the nation and became increasingly unstable during the nineteenth century The difficulties it faced economic political moral and ideological constituted a fundamental antagonism between modern and premodern worlds Southern slavery was the foundation on which rose a powerful social class which in turn dominated Southern society While they constituted only a tiny portion of the white population they were powerful enough to largely succeed at building a new or rather rebuilding an old civilization

The Political Economy of Slavery Eugene D. Genovese, 1967 *The Political Economy of Slavery* Eugene Dominick Genovese, 1989 A stimulating analysis of the society and economy in the slave south

The Political Economy of Slavery Eugene Dominick Genovese, 1961 *Political Economy of Slavery* Eugene D. Genovese, 2002

The Political Economy of Racism Melvin Leiman, 2010 An intense and compact resource for understanding how the political economy of racism evolved in the United States Science Society Racism is about more than individual prejudice And it is hardly the relic of a past era This scholarly readable and provocative book shows how the persistence of racism in America relies on the changing interests of those who hold the real power in society and use every possible means to hold onto it

Capitalism by Gaslight Brian P. Luskey, Wendy A. Woloson, 2015-02-02 While elite merchants financiers shopkeepers and customers were the most visible producers consumers and distributors of goods and capital in the nineteenth century they were certainly not alone in shaping the economy Lurking in the shadows of capitalism's past are those who made markets by navigating a range of new financial instruments information systems and modes of transactions prostitutes dealers in used goods mock auctioneers illegal slavers traffickers in stolen horses emigrant runners pilfering dock workers and other ordinary people who through their transactions and lives helped to make capitalism as much as it made them Capitalism by Gaslight illuminates American economic history by emphasizing the significance of these markets and the cultural debates they provoked These essays reveal that the rules of economic engagement were still being established in the nineteenth century delineations between legal and illegal moral and immoral acceptable and unsuitable were far from clear The contributors examine the fluid mobility and unstable value of people and goods the shifting geographies and structures of commercial institutions the blurred boundaries between legitimate and illegitimate economic activity and the daily lives of men and women who participated creatively and often subversively in American commerce With subjects ranging from women's studies and African American history to material and consumer culture this compelling volume illustrates that when hidden forms of commerce are brought to light they can become flashpoints revealing the tensions fissures and inequities inherent in

capitalism itself Contributors Paul Erickson Robert J Gamble Ellen Gruber Garvey Corey Goettsch Joshua R Greenberg Katie M Hemphill Craig B Hollander Brian P Luskey Will B Mackintosh Adam Mendelsohn Brendan P O Malley Michael D Thompson Wendy A Woloson *Black Southerners, 1619-1869* John B. Boles, 2014-10-17 This revealing interpretation of the black experience in the South emphasizes the evolution of slavery over time and the emergence of a rich hybrid African American culture From the incisive discussion on the origins of slavery in the Chesapeake colonies John Boles embarks on an interpretation of a vast body of demographic anthropological and comparative scholarship to explore the character of black bondage in the American South On such diverse issues as black population growth the strength of the slave family the efficiency and profitability of slavery the diet and health care of bondsmen the maturation of slave culture the varieties of slave resistance and the participation of blacks in the Civil War *Black Southerners* provides a balanced and judicious treatment **Southern Society and Its Transformations, 1790-1860** Susanna Delfino, Michele Gillespie, Louis M. Kyriakouides, 2011-07-29 In *Southern Society and Its Transformations* a new set of scholars challenge conventional perceptions of the antebellum South as an economically static region compared to the North Showing that the pre Civil War South was much more complex than once thought the essays in this volume examine the economic lives and social realities of three overlooked but important groups of southerners the working poor non slaveholding whites and middling property holders such as small planters professionals and entrepreneurs The nine essays that comprise *Southern Society and Its Transformations* explore new territory in the study of the slave era South conveying how modernization took shape across the region and exploring the social processes involved in its economic developments The book is divided into four parts each analyzing a different facet of white southern life The first outlines the legal dimensions of race relations exploring the effects of lynching and the significance of Georgia's vagrancy laws Part II presents the advent of the market economy and its effect on agriculture in the South including the beginning of frontier capitalism The third section details the rise of a professional middle class in the slave era and the conflicts provoked The book's last section deals with the financial aspects of the transformation in the South including the credit and debt relationships at play and the presence of corporate entrepreneurship Between the dawn of the nation and the Civil War constant change was afoot in the American South Scholarship has only begun to explore these progressions in the past few decades and has given too little consideration to the economic developments with respect to the working class experience These essays show that a new generation of scholars is asking fresh questions about the social aspects of the South's economic transformation *Southern Society and Its Transformations* is a complex look at how whole groups of traditionally ignored white southerners in the slave era embraced modernizing economic ideas and actions while accepting a place in their race based world This volume will be of interest to students of Southern and U S economic and social history **Slavery's Borderland** Matthew Salafia, 2013-05-31 By centering the practical and figurative significance of the Ohio River as a political border a cultural boundary and an artery of

movement and economy that gave form to the region Matthew Salafia sheds light on peculiarities of labor and economy along the Ohio River

Slave Population and Economy in Jamaica, 1807-1834 B. W. Higman, 1995 First published in 1976 see HLAS 40 2983 work is a masterful analysis of the dynamics of slave labor in the economic growth of early 19th century Jamaica Discusses various characteristics of slave and free colored population including mortality birth rates manumission distribution and structure as well as jobs performed on island as a whole Contains excellent statistical tables and new introduction by author Handbook of Latin American Studies v 58

The Sugar Masters Richard Follett, 2007-02-01 Focusing on the master slave relationship in Louisiana s antebellum sugarcane country The Sugar Masters explores how a modern capitalist mind set among planters meshed with old style paternalistic attitudes to create one of the South s most insidiously oppressive labor systems As author Richard Follett vividly demonstrates the agricultural paradise of Louisiana s thriving sugarcane fields came at an unconscionable cost to slaves Thanks to technological and business innovations sugar planters stood as models of capitalist entrepreneurship by midcentury But above all labor management was the secret to their impressive success Follett explains how in exchange for increased productivity and efficiency they offered their slaves a range of incentives such as greater autonomy improved accommodations and even financial remuneration These material gains however were only short term According to Follett many of Louisiana s sugar elite presented their incentives with a facade of paternal reciprocity that seemingly bound the slaves interests to the apparent goodwill of the masters but in fact the owners sought to control every aspect of the slaves s lives from reproduction to discretionary income Slaves responded to this display of paternalism by trying to enhance their rights under bondage but the constant bargaining process invariably led to compromises on their part and the grueling production pace never relented The only respite from their masters demands lay in fashioning their own society including outlets for religion leisure and trade Until recently scholars have viewed planters as either paternalistic lords who eschewed marketplace values or as entrepreneurs driven to business success Follett offers a new view of the sugar masters as embracing both the capitalist market and a social ideology based on hierarchy honor and paternalism His stunning synthesis of empirical research demographics study and social and cultural history sets a new standard for this subject

Female Entrepreneurs in the Long Nineteenth Century Jennifer Aston, Catherine Bishop, 2020-07-29 This volume challenges those who see gender inequalities invariably defining and constraining the lives of women But it also broadens the conversation about the degree to which business is a gender blind institution owned and managed by entrepreneurs whose gender identities shape and reflect economic and cultural change Mary A Yeager Professor Emerita University of California Los Angeles This is the first book to consider nineteenth century businesswomen from a global perspective moving beyond European and trans Atlantic frameworks to include many other corners of the world The women in these pages who made money and business decisions for themselves rather than as employees ran a wide variety of enterprises from micro businesses in the grey market to large factories with international

reach They included publicans and farmers midwives and property developers milliners and plumbers pirates and shopkeepers Female Entrepreneurs in the Long Nineteenth Century A Global Perspective rejects the notion that nineteenth century women were restricted to the home Despite a variety of legal and structural restrictions they found ways to make important but largely unrecognised contributions to economies around the world many in business Their impact on the economy and the economy s impact on them challenge gender historians to think more about business and business historians to think more about gender and create a global history that is inclusive of multiple perspectives Chapter one of this book is available open access under a CC BY 4 0 license at link springer com Slave Populations of the British Caribbean, 1807-1834 B. W. Higman,1995 Reprint of work that originally appeared in 1984 Excellent and thorough treatment of major demographic aspects of British Caribbean slavery from abolition of slave trade to slave emancipation Draws heavily on extensive data available from slave registration returns for various islands to provide comparative perspective of nature of slave life Excellent tables and figures Essential for serious scholars of the region Handbook of Latin American Studies v 58

America's Johannesburg Bobby M. Wilson,2019 Originally published by Rowman Littlefield Publishers an imprint of The Rowman Littlefield Publishing Group Inc Copyright 2000 Title page verso **Routledge Handbook of Modern Economic History** Robert Whaples,Randall E. Parker,2013 The aim of The Handbook of Modern Economic History will be to introduce readers to the key approaches and findings of economic historians who study the modern world Modern economic history blends two approaches Cliometrics which focuses on measuring economic variables and explicitly testing theories about the historical performance and development of the economy as exemplified by the approach of Robert Fogel and the New Institutional Economics which focuses on how social cultural legal and organizational norms and rules shape The Routledge History of Rural America Pamela Riney-Kehrberg,2016-04-14 The Routledge History of Rural America charts the course of rural life in the United States raising questions about what makes a place rural and how rural places have shaped the history of the nation Bringing together leading scholars to analyze a wide array of themes in rural history and culture this text is a state of the art resource for students scholars and educators at all levels This Routledge History provides a regional context for understanding change in rural communities across America and examines a number of areas where the history of rural people has deviated from the American mainstream Readers will come away with an enhanced understanding of the interplay between urban and rural areas a knowledge of the regional differences within the rural United States and an awareness of the importance of agriculture and rural life to American society The book is divided into four main sections regions of rural America rural lives in context change and development and resources for scholars and teachers Examining the essays on the regions of rural America readers can discover what makes New England different from the South and why the Midwest and Mountain West are quite different places The chapters on rural lives provide an entr e into the social and cultural history of rural peoples women children and men as well as a description of some of the forces shaping rural

communities such as immigration race and religious difference Chapters on change and development examine the forces molding the countryside such as rural urban tensions technological change and increasing globalization The final section will help scholars and educators integrate rural history into their research writing and classrooms By breaking the field of rural history into so many pieces this volume adds depth and complexity to the history of the United States shedding light on an understudied aspect of the American mythology and beliefs about the American dream **This Vast Southern Empire**

Matthew Karp, 2016-09-12 Most leaders of the U S expansion in the years before the Civil War were southern slaveholders As Matthew Karp shows they were nationalists not separatists When Lincoln s election broke their grip on foreign policy these elites formed their own Confederacy not merely to preserve their property but to shape the future of the Atlantic world

How Society Makes Itself: The Evolution of Political and Economic Institutions Howard J Sherman, 2015-06-01 This radical account of the evolution of political social and economic institutions weaves together strands of anthropology sociology political science history and economics In a highly readable text Howard Sherman explains the interconnections of ideas and economic forces and traces the evolution of social and economic institutions from primitive times to the present Sherman focuses on the myth of inevitable progress in technology and argues that it progresses only when social and economic institutions and dominant ideas encourage it to improve He shows that throughout history technology as a part of the economic forces ebbs and flows to create or undermine existing economic institutions **The American Slave Coast**

Ned Sublette, Constance Sublette, 2015-10-01 American Book Award Winner 2016 The American Slave Coast offers a provocative vision of US history from earliest colonial times through emancipation that presents even the most familiar events and figures in a revealing new light Authors Ned and Constance Sublette tell the brutal story of how the slavery industry made the reproductive labor of the people it referred to as breeding women essential to the young country s expansion Captive African Americans in the slave nation were not only laborers but merchandise and collateral all at once In a land without silver gold or trustworthy paper money their children and their children s children into perpetuity were used as human savings accounts that functioned as the basis of money and credit in a market premised on the continual expansion of slavery Slaveowners collected interest in the form of newborns who had a cash value at birth and whose mothers had no legal right to say no to forced mating This gripping narrative is driven by the power struggle between the elites of Virginia the slave raising mother of slavery and South Carolina the massive importer of Africans a conflict that was central to American politics from the making of the Constitution through the debacle of the Confederacy Virginia slaveowners won a major victory when Thomas Jefferson s 1808 prohibition of the African slave trade protected the domestic slave markets for slave breeding The interstate slave trade exploded in Mississippi during the presidency of Andrew Jackson drove the US expansion into Texas and powered attempts to take over Cuba and other parts of Latin America until a disaffected South Carolina spearheaded the drive to secession and war forcing the Virginians to secede or lose their slave breeding industry

Filled with surprising facts fascinating incidents and startling portraits of the people who made endured and resisted the slave breeding industry The American Slave Coast culminates in the revolutionary Emancipation Proclamation which at last decommissioned the capitalized womb and armed the African Americans to fight for their freedom

Political Economy Of Slavery Studies In Economy And Society Of The Slave South Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Economy Of Slavery Studies In Economy And Society Of The Slave South PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or

financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Economy Of Slavery Studies In Economy And Society Of The Slave South PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Economy Of Slavery Studies In Economy And Society Of The Slave South free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Political Economy Of Slavery Studies In Economy And Society Of The Slave South Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
