

Political Plays For Children The Grips Theater Of Berlin

Julia Mickenberg, Lynne Vallone

Political Plays For Children The Grips Theater Of Berlin:

Political Plays for Children Jack Zipes, 1976 Nationalism and Youth in Theatre and Performance Victoria Pettersen Lantz, Angela Sweigart-Gallagher, 2014-07-11 Nationalism and Youth in Theatre and Performance explores how children and young people fit into national political theatre and moreover how youth enact interrogative patriotic and or antagonistic performances as they develop their own relationship with nationhood Children are often seen as excluded from public discourse or political action However this idea of exclusion is false both because adults place children at the center of political debates with the rhetoric of future generations and because children actively insert themselves into public discourse Whether performing a national anthem for visiting heads of state creating a school play about a country's birth or marching in protest of a change in public policy young people use theatre and performance as a means of publicly staking a claim in national politics directly engaging with ideas of nationalism around the world This collection explores the issues of how children fit into national discourse on international stages The authors focus on national performances by for with youth and examine a wide range of performances from across the globe from parades and protests to devised and traditional theatre Nationalism and Youth in Theatre and Performance rethinks how national performance is defined and offers previously unexplored historical and theoretical discussions of political youth performance The Oxford Handbook of Children's Literature Julia Mickenberg, Lynne Vallone, 2012-11-29 Remarkably well researched the essays consider a wide range of texts from the U S Britain and Canada and take a variety of theoretical approaches including formalism and Marxism and those related to psychology postcolonialism reception feminism queer studies and performance studies This collection pushes boundaries of genre notions of childhood Choice Back cover of book International Companion Encyclopedia of Children's Literature Peter Hunt, 2004-08-02 Children's literature continues to be one of the most rapidly expanding and exciting of interdisciplinary academic studies of interest to anyone concerned with literature education internationalism childhood or culture in general The second edition of Peter Hunt's bestselling International Companion Encyclopedia of Children's Literature offers comprehensive coverage of the subject across the world with substantial accessible articles by specialists and world ranking experts Almost everything is here from advanced theory to the latest practice from bibliographical research to working with books and children with special needs This edition has been expanded and includes over fifty new articles All of the other articles have been updated substantially revised or rewritten or have revised bibliographies New topics include Postcolonialism Comparative Studies Ancient Texts Contemporary Children's Rhymes and Folklore Contemporary Comics War Horror Series Fiction Film Creative Writing and Crossover literature The international section has been expanded to reflect world events and now includes separate articles on countries such as the Baltic states the Czech and Slovak Republics Iran Korea Mexico and Central America Slovenia and Taiwan Speaking Out Jack Zipes, 2004-11-15 This book lays out ways in which teachers and storytelling groups can foster the imaginative lives of

children and their parents Holocaust Memory and Youth Performance Erika Hughes, 2024-01-25 Through an examination of children's and youth plays and performances about the Holocaust from Germany Israel and the United States this book offers an entirely new way of looking at the vital role of youth performance in coping with the legacy of historical tragedy As the first book length critical examination of this subject Holocaust Memory and Youth Performance considers plays that are produced by major theatre companies alongside performances written by young authors and pieces taken from the diaries and memoirs of those who experienced the Holocaust as children or adolescents While youth focused plays about the Holocaust have been in the repertoires of top professional companies throughout the world for decades and continue to be performed in theatres schools and community centers they are often neglected in concentrated and comparative studies of Holocaust theatre Erika Hughes fills this gap by examining plays including The Diary of Anne Frank and Ab heure hei t Du Sara musicals performances scripts a rock concert a performance on Instagram and pedagogically focused works of applied theatre a diverse collection of performances for young audiences that tell the stories of young people who experienced the Holocaust Adopting Hannah Arendt's notion of natality as a powerful framework this study examines the ways in which youth theatre performances make a vital contribution to intergenerational witnessing and the collective memory of the Holocaust

An Introduction to Storytelling Christine Willison, 2018-06-28 Where do stories come from and how do we come to know them Daughters listen with wonder to their grandmothers tales Journalists have their trusted sources Writers of storybooks draw unconsciously from the works of their predecessors It is as if every story has within it an infallible truth contained in the echo of its original telling The storyteller recounts the tale The listener hears learns and remembers In due course they will retell the same tale adding in something of their own And so listeners in time turn into storytellers This inspiring book brings together the stories from across the world of listeners who themselves became storytellers They reveal who influenced them the most what drew them further in what they learnt and what they now wish to share with new generations Tips tools and tales read this book and take your turn *German Plays in English Translation* ,1983 **Arts, Culture and**

Community Development Rosie R Meade, Mae Shaw, 2021-07-15 How and why are arts and cultural practices meaningful to communities Highlighting examples from Lebanon Latin America China Ireland India Sri Lanka and beyond this exciting book explores the relationship between the arts culture and community development Academics and practitioners from six continents discuss how diverse communities understand re imagine or seek to change personal cultural social economic or political conditions while using the arts as their means and spaces of engagement Investigating the theory and practice of cultural democracy this book explores a range of aesthetic forms including song music muralism theatre dance and circus arts *Interracial Books for Children Bulletin* ,1982 *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1977 **Yale/theatre** ,2003 **Encyclopedia of Contemporary German Culture** John Sandford, 2013-04-03 Pre and post unification culture Includes Austria and Switzerland Annotated suggestions for further reading English and German

language works Modern German Political Drama, 1980-2000 Birgit Haas, 2003 In addition to established playwrights such as Heinar Kipphardt Franz Xaver Kroetz and Heiner Müller the book looks at the younger generation of playwrights not yet fully taken into account by research writers such as Oliver Bukowski Dea Loher Marius von Mayenburg Albert Ostermaier and Theresia Walser It gives an overview of the most important developments in recent German political drama through analysis of more than forty contemporary plays clearly tracing connections between politics and theater Each chapter is preceded by a short introduction into the respective political topic providing the framework for the study of drama as a political tool and making it easy for students to see the multiple ways in which plays respond to political change This book will be of interest to students and scholars in drama and theater studies and German literature BOOK JACKET **The Radical Stage** W. G. Sebald, 1988 No Marketing Blurb *Theatre Worlds in Motion* S.E. Wilmer, H. van Maanen, 2024-04-02 Theatre Worlds in Motion aims to clarify the different theatre traditions and practices in Western Europe from a historical and sociological perspective The book grew out of a perceived need among theatre scholars who had recognised that while they understood the theatre system of their own country they often found it difficult to discover how it compared with other countries The chapters analyse the basic components and dynamics of theatre systems in seventeen Western European nations in order to elucidate how the systems function in general and how they vary in different cultures The book provides a sense of what has been happening recently in particular countries and indicates how the theatre systems have developed over time and have led to the current practices and structures Each national chapter considers the historical tradition and place of theatre within the country and analyses the role of the state in fostering theatre during the last fifty years Material from the national chapters has been used in two general chapters at the beginning and end of the book to provide an overview to developments in all Western Europe The introductory chapter on decentralisation discusses the tendency amongst governments to encourage cultural development outside the national capital by providing subsidy for regional theatre venues and theatre companies and in many cases by developing the decision making and budgetary powers for the theatre to regional and local authorities The epilogue on the functioning of theatre examines the common structures of theatre in society as described in the seventeen national chapters and it proposes areas for future research **Theater**, 2002 **Berlin and Its Culture** Ronald Taylor, 1997-01-01 An expansive lavishly illustrated portrait of the culture of Berlin from its medieval beginnings to the reunification of 1990 illuminates the cultural activities of each era and their relationship to the city's changing political and social life UP **The Feminist Encyclopedia of German Literature** Friederike Eigler, Susanne Kord, 1997-02-28 Today a multiplicity of feminist approaches has become an integral part of the fields of German literary and cultural studies This comprehensive reference provides a much needed synthesis of the contribution women have made to German literature and culture In entries for more than 500 topics the volume surveys literary periods epochs and genres critical approaches and theories important authors and works female stereotypes laws and historical

developments literary concepts and themes and organizations and archives relevant to women and women s studies Each entry offers a concise identification of the term a discussion of its significance and a bibliography of works for further reading Today a multiplicity of feminist approaches has become an integral part of the fields of German literary and cultural studies While biographical works on women writers exist this is the first reference to synthesize the wealth of feminist scholarship in German studies While existing reference works focus exclusively on women authors this volume contains numerous topical entries and covers the role of women in German literature and culture from the Middle Ages to the present day Included are alphabetically arranged entries on more than 500 topics While some entries are provided for important women writers and other individuals the bulk of the volume provides information on literary periods epochs and genres critical approaches and theories female stereotypes laws and historical developments literary concepts and themes and organizations and archives relevant to women and women s studies Each entry includes a brief identification of the subject a discussion of feminist thought on the topic and a brief bibliography Entries are written by numerous contributors and reflect a range of critical theoretical approaches *Our Generation* ,1976
