**Elgar Encyclopedia of Political Sociology** Maria Grasso, Marco Giugni, 2023-12-11 This comprehensive and authoritative Encyclopedia featuring entries written by academic experts in the field explores the diverse topics within the discipline of political sociology By looking at both macro and micro components questions relating to nation states political institutions and their development and the sources of social and political change such as social movements and other forms of contentious politics are raised and critically analysed **The National Question** Berch Berberoglu, 2009 This volume examines the volatile nature and complex dynamics of national movements and ethnic conflict around the world **The Oxford Handbook of U.S. Women's Social Movement Activism** Holly J. McCammon, Verta A. Taylor, Jo Reger, Rachel L. Einwohner, 2017 The Oxford Handbook of U S Women s Social Movement Activism provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women s collective activism in the United States tracing both continuities and critical changes over time **Investigating the Social World** Russell K. Schutt, 2022-09-13 The Tenth Edition of the bestselling Investigating the Social World provides students with the critical skills necessary to evaluate research and to carry out their own research Each chapter integrates instruction in the various core research methods with investigation of interesting aspects of the social world The book has always sought to communicate the excitement of social research and the importance of carefully evaluating the methods we use in that research This edition also includes updated coverage of each research method and features many new examples reflecting research on the key issues we have experienced since 2020 the COVID 19 pandemic the rise of social justice movements and threats to democracy It also includes exercises based on the 2020 General Social Survey dataset This textbook is also available in SAGE s Vantage platform for the first time This title is accompanied by a complete teaching and learning package in SAGE Vantage an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability **Gender and the Life Course** Alice Rossi, 2018-01-16 Gender and the Life Course is an interdisciplinary collection of essays on the lives of women and men as they are affected by history culture demography economic and political stratification and the biopsychological processes that attend maturation and aging The book covers three major topics Part I which examines gender and the life course in broad historical perspective includes a summary of recent work in biological ecology and primatology and an analysis of the persistence of cultural and gender differences in role organization in societies undergoing the transition from agrarianism to industrialism Other essays trace the changes in sources of household income of industrial workers over the life span and review temporal and gender differences in life span transitions Part II examines gender differentiation in a variety of contexts psychological psychobiological and sociological Alice Rossi s ASA Presidential Address reviews recent work on fathering and mothering and argues that sociological explanations of such gender differences need supplementation by concepts from evolutionary theory and the neurosciences

Three essays deal with gender and economy one shows how gender stratification took hold in the early stages of industrialization in France another demonstrates the persistence of gender stratification in modern economies the third focuses on ideology in relation to gender and political power Part III examines various aspects of the aged in contemporary society including an argument for an interpretive social science that uses diverse methods to improve our ability to describe and interpret many facets of the lives of elderly men and women a review of the methodology used to study changes in the aged population over time and an overview of existing data sets that permit further cohort and longitudinal analyses of the aged The final essays review social policies as they affect the elderly with particular attention to the fact that most very old people are women and the impact of the greatly expanded life course for family and kin relations Gender and the Life Course is a state of the art assessment of the best work currently being done on gender and age as maturational factors and is essential reading for anyone interested in adult development and gender roles **Women's History: Britain, 1850-1945** ,

**Maternity Policy and the Making of the Norwegian Welfare State, 1880-1940** Anna M. Peterson, 2018-06-13 This book traces women's influence on maternity policy in Norway from 1880-1940 Maternity policies including maternity leave midwifery services and public assistance for mothers were some of the first welfare policies enacted in Norway Feminists midwives and working women participated in their creation and helped transform maternity policies from a restriction to a benefit Situating Norway within the larger European context the book contributes to discussions of Scandinavian welfare state development and further untangles the relationship between social policy and gender equality The study of poor rural women alongside urban middle class feminists is rooted in an inclusive archival source base that speaks to the interplay between local and national welfare officials and recipients the development and implementation of laws in diverse settings the divergent effects maternity policies had on women and women's varied response Engaging the Past Eric H. Monkkonen, 1994 Vigorous historical exploration has increased across the social sciences in the past two decades Originally published as a series of articles in the journal Social Science History the essays in this volume provide a guide to historical social science by surveying the use of historical data and methodologies in anthropology sociology political science economics and geography Each essay in Engaging the Past pays close attention to the unique problems and methods associated with its particular social scientific discipline By exploring questions raised by both contemporary and more established works within each field the authors show that some of the best and most innovative research in each of the social sciences includes a strong historical component Thus as Eric H Monkkonen's introduction shows these essays taken together make it clear that historical research provides a significant key to many of the major issues in the social sciences Intended for the growing community of both social scientists and historians interested in reading or researching historically informed social science Engaging the Past suggests future directions that might be taken by this work Above all by providing a set of user's guides written by respected social scientists it encourages future boundary crossings between history and each of the

social sciences Contributors Andrew Abbott Richard Dennis Susan Kellog Eric H Monkkonen David Brian Robertson Hugh Rockoff     *The Religious Lives of Older Laywomen* Abby Day, 2017-02-09 The Religious Lives of Older Laywomen draws on ethnographic fieldwork cross cultural comparisons and relevant theories exploring the beliefs identities and practices of Generation A Anglican laywomen born in the 1920s and 1930s Now in their 70s 80s and 90s they are often described as the backbone of the Church and likely its final active generation The prevalence of laywomen in mainstream Christian congregations is a widely accepted phenomenon that will cause little surprise amongst the research community or Christian adherents What is surprising is that we know so little about them Generation A laywomen have remained largely invisible in previous work on institutional religion in Euro American countries particularly as the focus on religion and gender has turned to youth sexuality and priesthood Female Christian Generation A is on the cusp of a catastrophic decline in mainstream Christianity that accelerated during the post war post 1945 age The age profile of mainstream Christianity represents an increasingly aging pattern with Generation A not being replaced by their children or grandchildren the Baby Boomers and generations X Y and Z Generation A is irreplaceable and unique Generation shares specific values beliefs behaviours and orientations therefore when this generation finally disappears within the next five to 10 years their knowledge insights and experiences will be lost forever Abby Day both documents and interprets their religious lives and what we can learn about them and more widely about contemporary Christianity and its future     *The American Political Science Review* ,1984

**The Interplay Between Gender, Markets and the State in Sweden, Germany and the United States** Lilja Mosesdottir, 2024-11-01 This title was first published in 2001 The development of gender relations during the post war period in Sweden Germany and the US forms the core of this work It looks at the hierarchical relations between men and women based on economic political social and biological differentiations The analytical focus is primarily on how actors cultural norms and institutional arrangements interrelate and affect the relative position of men and women to create patterns forms of gender relations that vary across countries and change through time The main advantages of a comparative study is that it highlights the differences and similarities of the countries being compared This book argues that social blocks involving a stable system of relations that have challenged and become embedded into institutional arrangements are the main force creating differences in the patterns of gender relations across the countries     *The Alcalde* ,2002-01 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde     *Feminism as Life's Work* Mary K. Trigg, 2014-06-23 With suffrage secured in 1920 feminists faced the challenge of how to keep their momentum going

As the center of the movement shrank a small self appointed vanguard of modern women carried the cause forward in life and work *Feminism as Life's Work* profiles four of these women the author Inez Haynes Irwin the historian Mary Ritter Beard the activist Doris Stevens and Lorine Pruette a psychologist Their life stories told here in full for the first time embody the changes of the first four decades of the twentieth century and complicate what we know of the period Through these women's intertwined stories Mary Trigg traces the changing nature of the women's movement across turbulent decades rent by world war revolution global depression and the rise of fascism Criticizing the standard division of feminist activism as a series of historical waves Trigg exposes how Irwin Beard Stevens and Pruette helped push the U S feminist movement to victory and continued to propel it forward from the 1920s to the 1960s decades not included in the wave model At a time widely viewed as the doldrums of feminism the women in this book were in fact taking the cause to new sites the National Women's Party sexuality and relations with men marriage and work and financial independence In their utopian efforts to reshape work sexual relations and marriage modern feminists ran headlong into the harsh realities of male power the sexual double standard the demands of motherhood and gendered social structures In *Feminism as Life's Work* Irwin Beard Stevens and Pruette emerge as the heirs of the suffrage movement guardians of a long feminist tradition and catalysts of the belief in equality and difference Theirs is a story of courage application and perseverance a story that revisits the bleak and lonely years of the U S women's movement and emerges with a fresh perspective of the history of this pivotal era [The Directory of Graduate Studies](#) ,1998 **Social Theory** Berch Berberoglu,2017-01-06 Social Theory provides a sophisticated yet highly accessible introduction to classical and contemporary social theories The author's concise presentation allows students and instructors to focus on central themes The text lets theorists speak for themselves presenting key passages from each theorist's corpus bringing theory to life The approach allows instructors the opportunity to help students learn to unpack sometimes complex prose just as it offers inroads to class discussion Chapters on Adorno and early feminism on Habermas and the Frankfurt School on Foucault and on globalization and social movements round out contemporary coverage The book presents and explains key theories just as it provides an introduction to central debates about them [Bibliographic Index](#) ,1994 [Mexican American Religions](#) Gastón Espinosa,Mario T. García,2008-07-08 A multidisciplinary collection of essays examining the influence of Mexican American religion on Mexican American literature art politics and popular culture
