

The book cover features a dark background with a large, dark red inverted triangle at the top. Below this triangle is a large, dark red semi-circle. The title is printed in white and light grey text across these shapes.

POLITICAL TOLERANCE AND AMERICAN DEMOCRACY

JOHN L. SULLIVAN, JAMES PIERSON,
AND GEORGE E. MARCUS

Political Tolerance And American Democracy

Charles F. Andrain, David Ernest Apter

Political Tolerance And American Democracy:

Political Tolerance and American Democracy John L. Sullivan, James Piereson, George E. Marcus, 1982 This path breaking book reconceptualizes our understanding of political tolerance as well as of its foundations Previous studies the authors contend overemphasized the role of education in explaining the presence of tolerance while giving insufficient weight to personality and ideological factors With an innovative methodology for measuring levels of tolerance more accurately the authors are able to explain why particular groups are targeted and why tolerance is an inherently political concept Far from abating the degree of intolerance in America today is probably as great as it ever was it is the targets of intolerance that have changed

Political Behavior of the American Electorate Elizabeth A. Theiss-Morse, Michael W. Wagner, William H. Flanigan, Nancy H. Zingale, 2018-01-30 The 2016 elections took place under intense political polarization and uncertain economic conditions to widely unexpected results How did Trump pull off his victory Political Behavior of the American Electorate Fourteenth Edition attempts to answer this question by interpreting data from the most recent American National Election Study to provide a thorough analysis of the 2016 elections and the current American political behavior Authors Elizabeth Theiss Morse and Michael Wagner continue the tradition of Flanigan and Zingale to illustrate and document trends in American political behavior with the best longitudinal data available The authors also put these trends in context by focusing on the major concepts and characteristics that shape Americans responses to politics In the completely revised Fourteenth Edition readers will explore get out the vote efforts and the reasons people voted the way they did as well as the nature and impact of partisanship news media coverage and other issues in 2016 all with an eye toward understanding the trends that led up to the historic decision

Political Behavior of the American Electorate Elizabeth Theiss-Morse, 2018 *Public Opinion* Rosalee A. Clawson, Zoe M. Oxley, 2020-07-21 In Public Opinion Democratic Ideals Democratic Practice Fourth Edition Clawson and Oxley link the enduring normative questions of democratic theory to existing empirical research on public opinion Organized around a series of questions In a democratic society what should be the relationship between citizens and their government Are citizens opinions pliable Are they knowledgeable attentive and informed the text explores the tension between ideals and their practice Each chapter focuses on exemplary studies explaining not only the conclusion of the research but how it was conducted so students gain a richer understanding of the research process and see methods applied in context

Handbook on Politics and Public Opinion Rudolph, Thomas J., 2022-08-18 Examining the nature of public opinion in democratic societies this Handbook succinctly illustrates the importance of public opinion as an instrument of popular control and democratic accountability Expert contributors in the field provide a thorough review of a variety of theoretical and methodological approaches to the study of this timely topic

The Oxford Handbook of Political Science Robert E. Goodin, 2011-07-07 Drawing on the rich resources of the ten volume series of The Oxford Handbooks of Political Science this one volume distillation provides a comprehensive overview of

all the main branches of contemporary political science political theory political institutions political behavior comparative politics international relations political economy law and politics public policy contextual political analysis and political methodology Sixty seven of the top political scientists worldwide survey recent developments in those fields and provide penetrating introductions to exciting new fields of study Following in the footsteps of the New Handbook of Political Science edited by Robert Goodin and Hans Dieter Klingemann a decade before this Oxford Handbook will become an indispensable guide to the scope and methods of political science as a whole It will serve as the reference book of record for political scientists and for those following their work for years to come *Homosexuality and Government, Politics and Prisons*

Wayne R. Dynes, Stephen Donaldson, 1992 First published in 1993 Routledge is an imprint of Taylor Francis an informa company *The Rights Turn in Conservative Christian Politics* Andrew R. Lewis, 2017-10-19 Explains how abortion politics influenced a fundamental shift in conservative Christian politics teaching conservatives to embrace rights arguments

Misreading the Bill of Rights Kirby Goidel, Craig Freeman, Brian Smentkowski, 2015-03-30 The Bill of Rights the first 10 amendments to the U S Constitution are widely misunderstood by many Americans This book explores the widely held myths about the Bill of Rights how these myths originated why they have persisted and the implications for contemporary politics and policy Interestingly most Americans today even professional political commentators misinterpret or misunderstand what the Bill of Rights intended meaning and purposes were Culturally ingrained myths about the Bill of Rights have helped to define what it means to be an American but also limited the range of political debate and justified unfair and unequal treatment of minorities This book addresses the top ten myths regarding the Bill of Rights from the standpoint of public understanding and misunderstanding from a non partisan objective point of view provoking independent thought and enabling readers to reach their own educated conclusions and opinions Written by two experts in the fields of political science public policy media law and civil liberties the work explores the key role of modern news and entertainment media in contributing to public misunderstanding of individual rights and liberties The authors also apply and interpret data from public opinion surveys to further examine public beliefs about the Bill of Rights and closely connect the analysis of misperceptions to existing political beliefs *Encyclopedia of Violence, Peace, and Conflict* , 2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface

to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world

Political Protest and Social Change Charles F. Andrain, David Ernest Apter, 1995-09 At the close of the twentieth century political protests have erupted throughout the world While the collapse of communism was certainly one of the most spectacular protest related events smaller protests have become ubiquitous In Los Angeles labor activists campaign against commercial real estate owners to unionize janitors mainly Latina immigrants In the People's Republic of China peasants revolt against tax collectors Amazonian Indians protest public and economic policies that destroy their culture and rainforest habitat This book analyzes the reciprocal impact of cultural beliefs sociopolitical structures and individual behaviors on protests throughout the world Why do individuals participate in protest activities How do cultural beliefs personal attitudes and subjective perception influence the potential protester Addressing the issue of agency in protest the authors also examine why protestors enlist different tactics to achieve their goals Why are some protests violent and others nonviolent When and why do activists conclude that it is better to accommodate than confront Finally and crucially what are the consequences of protest movements

The Persisting Question Helen Fein, 2012-02-13 No detailed description available for The Persisting Question

At the Forefront of Political Psychology Eugene Borgida, Christopher M. Federico, Joanne M. Miller, 2020-01-29 At the Forefront of Political Psychology pays tribute to John L Sullivan one of the most influential political psychologists of his generation Sullivan's scholarly contributions have deeply shaped our knowledge of belief systems and political tolerance two flourishing research areas in political psychology that are crucial to understanding the turbulence of our times This volume compiled by three of Sullivan's longtime colleagues and collaborators includes cutting edge contributions from scholars in political science and psychology The book is divided into three sections the first two focus on how Sullivan's work on political tolerance and belief systems influenced generations of political psychologists The final section offers a more personal look at Sullivan's influence as a mentor to young scholars many of whom are now intellectual leaders in political psychology The chapters featured here elucidate how these students were able to flourish under Sullivan's tutelage and lifelong mentorship One of John L Sullivan's defining traits is his generosity as a scholar mentor leader and

friend Over the years many have benefited greatly from Sullivan s willingness to share his intellect insight and passion for democratic values This impressive collection will appeal to both students and professors of political psychology but also scholars of social and political behavior political tolerance and anyone who has an interest in the contributions made by Sullivan

Reconsidering the Democratic Public George E. Marcus,Russell L. Hanson,2010-11-01 [The Constitution of Interests](#) John Brigham,2000-07 Many of America s most important social and political movements abolition women s suffragette civil rights women s liberation gay and lesbian rights have organized in the shadow of the law All are based in their theoretical opposition to the law Yet at the same time they are dependent on the laws that prohibit them Law is thus formed as much through the dynamic tensions that govern how these laws are received as through their official decree Legal forms such as contracts property and rights also constitute social and political life because they structure our world John Brigham here focuses on four ideological movements and their strategies among them the struggle over the closing of gay bathhouses in the early years of the AIDS crisis and the radical feminist use of rage and radical consciousness in anti pornography campaigns The effect of law on politics Brigham convincingly reveals is pervasive precisely because political life finds its expression in a surprising variety of legal forms

Toleration on Trial Ingrid Creppell,Russell Hardin,Stephen Macedo,2008-01-01 Toleration on Trial offers the only multidisciplinary study available on the issue of toleration in the context of deep and difficult conflicts over ideological cultural and identity issues in today s mobilized political environment The importance of individual attitudes and institutional cultural arrangements is explored as a central axis in the meaning of toleration as a principle and practically in relation to demands for toleration of religious expression gay rights and the Islamic sources of toleration

Israel: The First Hundred Years Efraim Karsh,2013-09-13 Since its founding in 1948 Israel has faced many political social and psychological challenges unfamiliar to other nations on the western democratic political model and peculiar to the Jewish state This work covers the role of politics in Israel since 1948

Democracy's Destruction? Changing Perceptions of the Supreme Court, the Presidency, and the Senate after the 2020 Election James L. Gibson,2024-09-30 On January 6 2021 an angry mob stormed the U S Capitol in an attempt to overturn the results of the 2020 presidential election This assault on America s democratic system was orchestrated by then President Donald Trump abetted by his political party and supported by a vocal minority of the American people Did denial of the election results and the subsequent insurrection inflict damage on American political institutions While most pundits and many scholars say yes they have offered little rigorous evidence for this assertion In Democracy s Destruction political scientist James L Gibson uses surveys from representative samples of the American population to provide a more informed answer to the question Focusing on the U S Supreme Court the presidency and the U S Senate Gibson reveals that how people assessed the election the insurrection and even the second Trump impeachment has little connection to their willingness to view American political institutions as legitimate Instead legitimacy is grounded in more general commitments to democratic

values and support for the rule of law On most issues of institutional legitimacy those who denied the election results and supported the insurrection were not more likely to be alienated from political institutions and to consider them illegitimate Gibson also investigates whether Black people might have responded differently to the events of the 2020 election and its aftermath He finds that in comparison to the White majority Black Americans were less supportive of America's democratic institutions and of democratic values such as reverence for the rule of law because they often have directly experienced unfair treatment by legal authorities But he emphasizes that the actions of Trump and his followers are not the cause of those weaker commitments Democracy's Destruction offers rigorous analysis of the effect of the Trump insurrection on the state of U S democracy today While cautioning that Trump and many Republicans may be devising schemes to subvert the next presidential election more effectively the book attests to the remarkable endurance of American political institutions

Education Myths Jay P. Greene, Marcus A. Winters, 2006 In Education Myths Jay Greene takes on the conventional wisdom and closely examines eighteen myths advanced by the special interest groups dominating public education In addition to the money myth the class size myth and the teacher pay myth Greene debunks the special education myth special ed programs burden public schools the certification myth certified or more experienced teachers are more effective in the classroom the graduation myth nearly all students graduate from high school the draining myth choice harms public schools the segregation myth private schools are more racially segregated and several more

The Dialectic of Herbert Marcuse Patrick Gamsby, 2024-09-05 Herbert Marcuse 1898 1979 was one of the most recognizable and controversial public intellectuals throughout the 1960s until his death in the late 1970s but today Marcuse's work largely stands in the shadows of other Frankfurt School members and critical thinkers Despite having once held a prominent and influential position amongst scholars activists and readers in the twentieth century it is argued that Marcuse's work nevertheless remains largely misunderstood The Dialectic of Herbert Marcuse offers a new interpretation of Marcuse one that attempts to show how Marcuse's work has so often been turned into something else into its opposite In shining a light on parts of the unknown Marcuse through the use of archival material and published works this book reveals Marcuse's Critical Theory to be one of hope not one of pessimism as it is so often portrayed to be Ultimately it is argued that Marcuse's Critical Theory remains a vital and important body of work for present day society and ought to be revisited

The Enigmatic Realm of **Political Tolerance And American Democracy**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Political Tolerance And American Democracy** a literary masterpiece penned with a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those who partake in its reading experience.
