**Corporatism and Change** Peter J. Katzenstein, 1987 *Politics in Austria* Richard Luther, Wolfgang C.

Mueller, 2014-04-08 First Published in 1992 This is a collection of eight articles looking at consociationalism in the Austrian political system Areas covered are the decline of the Lager Mentality parties and the party system governmental institutions changing priorities in Austrian economic policy Austria in the European arena and the success of consociationalism *The Political Economy of De-liberalization* Anna Fill, 2018-11-02 This book explores the politics behind de liberalization defined as policy reforms that constrain markets and their underlying mechanisms By offering a comparative study on the governmental reform strategies and policy choices of Austria Germany and Switzerland it demonstrates that de liberalization processes are a common reform option for governments Utilizing a novel dataset on liberalization covering policy reform trajectories in 38 industrialized countries between 1973 and 2013 it shows that governments often draw on strategies of de liberalization in the fields of social welfare and labor market policy where they can be used as compensation for the electorate in the context of liberalizing reforms As such the book makes an important contribution to the field of political economy by capturing the turning of the tide in scholarly and policy attention away from liberalization and towards a re embedding and re regulation of economic activity **The African Diaspora in the Austrian Political Economy: A Marxist Analysis** Mathias

Sajovitz, 2008-10-12 More than 25 000 people of African descent are living in Austria one of the richest political economies in the world that is part and parcel of one of the strongest neo imperialist blocks in the form of the European Union Migration of Africans to Austria thus must be seen in the context of global capitalism which has harmfully impacted on the global South by means of neo imperialism and thus has led to migration to the global North By referring to Marxist theory more particularly world systems theory and Marxist migration theory the book at hand examines the African Diaspora in Austria from a twofold perspective First it illustrates the role of Austria in the global economy after World War II and during the emergence of global turbo capitalism Second the narrative illustrates how people deprived of their livelihoods on the African continent become subjects of exploitation and discrimination in Austria via the asylum route **The Political**

**Economy of Germany, 1815-1914** Martin Kitchen, 2019-06-26 Originally published in 1978 this book goes beyond conventional studies of economic history to discuss wider political and social questions pertinent to the development of the German political economy of the late 19th and early 20th centuries The interaction between economic development and social structure played a unique and extremely important role in the development of 19th century Germany and accounts for the distinct manner in which German society developed during this period This book examines the origins and nature of the

German industrial revolution and effects of the Zollverein on economic growth and national unity and the critical role of railway building

*Political Economy, Public Policy and Monetary Economics* Richard M. Ebeling, 2009-12-30 Austrian economist Ludwig von Mises was one of the most original and controversial economists of the 20th century both as a defender of free market liberalism and a leading opponent of socialism and the interventionist welfare state He was both the grant designer of a political economy of freedom and a trenchant detailed critic of government regulatory and monetary policies in the first half of the 20th century This fascinating book explores the cultural currents of anti-Semitism in Austria before and after the First World War that Mises confronted as an Austrian Jew his analysis of Austria Hungary's establishment of a gold standard Mises' multi-sided activities in the years after the World War I in stemming a hyperinflation opposing government fiscal mismanagement and resisting misguided policies during the Great Depression and his analysis of how Europe plunged into World War II and the policies to restore freedom and prosperity in the post-war period It also discusses the confrontation between the Austrian Economists and the Keynesians over the causes and cures for the Great Depression as well as how Mises' Austrian approach to money and the business cycle contrasted with both the ideas of Joseph A Schumpeter and the Swedish Economists of the interwar period This volume breaks new ground in placing Ludwig von Mises' many original views on political economy public policy and monetary economics in the historical context of his time especially during the interwar period when he was a senior economic analyst for the Vienna Chamber of Commerce and after his arrival in America during World War II The book will therefore be of interest to students and researchers in monetary economics political economy expectations theory and the market process and the history of economic thought

**The Political Economy of Collective Skill Formation** Marius R. Busemeyer, Christine Trampusch, 2012 The book examines skill systems and vocational training in a number of coordinated market economies analysing historical origins and contemporary developments As well as case studies on Germany Austria Switzerland the Netherlands and Denmark it also contains comparative chapters exploring reactions to common challenges

*Austria in the Twentieth Century* Gino Germani, Gunter Bischof, 2017-09-20 These fourteen essays by leading Austrian historians and political scientists serve as a basic introduction to a small but sometimes trend-setting European country They provide a basic up-to-date outline of Austria's political history shedding light on economic and social trends as well No European country has experienced more dramatic turning points in its twentieth century history than Austria This volume divides the century into three periods The five essays of Section I deal with the years 1900-1938 Under the relative tranquility of the late Habsburg monarchy seethed a witch's brew of social and political trends signaling the advent of modernity and leading to the outbreak of World War I and eventually to the collapse of the Habsburg Empire The First Austrian Republic was one of the succession states that tried to build a nation against the backdrop of political and economic crisis and simmering civil war between the various political camps Democracy collapsed in 1933 and an authoritarian regime attempted to prevail against pressures from Nazi Germany and Nazis at home The two

essays in Section II cover World War II 1938 1945 In 1938 Hitler's Third Reich annexed Austria and the population was pulled into the cauldron of World War II fighting and collaborating with the Nazis and also resisting and fleeing them The seven essays of Section III concentrate on the Second Republic 1945 to the present After ten years of four power Allied occupation Austria regained her sovereignty with the Austrian State Treaty of 1955 The price paid was neutrality Unlike the turmoil of the prewar years Austria became a normal nation with a functioning democracy one building toward economic prosperity After the collapse of the iron curtain in 1989 Austria turned westward joining the European Union in 1995 Most recently with the advent of populist politics Austria's political system has experienced a sea of change departing from its political economy of a huge state owned sector and social partnership as well as Proporz This informed and insightful volume will serve as a textbook in courses on Austrian German and European history as well as in comparative European politics

**The Beginnings of Political Economy** Jürgen Backhaus, 2008-11-13 Jürgen G Backhaus 1 Johann Heinrich Gottlob von Justi was born in 1702 in Bruck in Prussia county of Sangerhausen studied law and cameral sciences in Wittenberg and Jena yet had to leave the university entered the Prussian military service was captured during the Austrian war of succession by the Austrians but escaped to Leipzig Saxony where he studied mineral sciences In 1750 he was called to a chair Cameral Sciences and Rhetorics at the new Theresian Academy of Knights in Vienna There he gave two important inaugural lectures which are the focal point of this book In 1754 Justi was appointed a mineral counsellor in Gottingen Hanover and lectured at the Saxonian University on both state sciences and natural sciences In 1762 Frederic II the Great of Prussia appointed him Prussian captain highest supervisory position of mines and general supervisor of fiscal mineral activities In 1768 he was accused of embezzlement and before he could prove his innocence he died in 1771 as a prisoner in the decaying fortress of Küstrin Due to his death the case was never decided But Frederic had obviously made his own decision When he appointed Justi the appointee pointed out that he was suffering from weak eye sight and could not readily check the bookkeeping Frederic replied You may have weak eyes but you have a bright mind I shall put two eyes by your side

**Evolutionary Political Economy in Action** Hardy Hanappi, Savvas Katsikides, Manuel Scholz-Wäckerle, 2017-01-06 The world is in turmoil the dynamics of political economy seem to have entered a phase where a return to normal cannot be expected Since the financial crisis conventional economic theory has proven itself to be rather helpless and political decision makers have become suspicious about this type of economic consultancy This book offers a different approach It promises to describe political and economic dynamics as interwoven as they are in real life and it adds to that an evolutionary perspective The latter allows for a long run view which makes it possible to discuss the emergence and exit of social institutions Evolutionary Political Economy in Action consists of two parts Part I provides a broad range of issues that show how flexible evolutionary political economy can handle acute policy problems in Europe should Europe support the revived build up of NATO forces on its Eastern border or should it rather aim at economic cooperation with Russia How can democracy for a whole continent be

reasonably further developed what is the role of economies of scope Do the new protest movements against inequality provide alternatives What could a vision for a unified socioecological Europe look like Part II takes a closer look at Cyprus and Greece where the problems of the financial crisis have been exacerbated by the solutions imposed on them by the troika In all of these essays the authors demonstrate the unique insights which can be garnered from adopting an evolutionary political economy approach and consider the real solutions that such an approach points towards This volume is extremely useful for social scientists in the fields of economics politics and sociology who are interested to learn what evolutionary political economy is how it proceeds and what it can provide
