Political Economy Of Post Soviet Russia

Yi-Tong Ma

Political Economy Of Post Soviet Russia:

The Political Economy of Post-Soviet Russia V. Tikhomirov, 2000-05-15 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of the book is to analyse successes and failures of Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing

The Political Economy of Post-Soviet Russia Vladimir Tikhomirov, 2000-08-05 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of this book is to analyze successes and failures of the Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing

Reforging the Weakest Link Neil Robinson, 2019-06-04 Originally published in 2004 The collapse of the USSR and the emergence of 15 new states from its ashes presents another challenge to the global economy how to reintegrate the post Soviet space into the international economy The spread of liberal market ideology and integration of national economic spaces into a global marketplace faces unique difficulties in the former USSR This insightful volume explains these challenges showing how Soviet legacies have worked against a smooth re entry of Russia Ukraine and Belarus into the global economy It also demonstrates how and why global economic forces have had very uneven effects in the area how the area differs from other parts of the post communist world where reintegration has proceeded more smoothly and what the future prospects and political implications are for the region in the global economy

Hegemony, International Political Economy and Post-Communist Russia Owen Worth, 2017-07-05 This illuminating book explores the neo Gramscian school of international political economy and their conceptualization of global hegemony and furthers these by looking at how the often fragmented society of post Communist Russia can provide insight into the nature and workings of neo liberal global hegemony The volume illustrates how historically Russia has been a unique case in rejecting Western inspired hegemonic projects It outlines how successive governments since the fall of the Soviet Union have attempted often unsuccessfully to integrate Russia into the global economy and identifies the multitude of ideological contestation within Russia It will prove a useful addition to the literature on both post Communist Russian studies and international political economy

The Political Economy of Russia Neil Robinson, 2012-07-13 This timely book explores Russia's political development since the collapse of the USSR and how inextricably it has been bound up with economic change Tracing the evolution of Russia's political economy leading scholars consider how it may continue to develop going forward They assess the historical legacies of the Soviet period showing how despite policies implemented after the USSR dissolved in 1991 there

are ongoing bitter battles over property and state revenues over land and over welfare The book puts these domestic issues in international and comparative perspective by considering Russia's position in the global economy and its growing role as a major energy producer Focusing especially on the nature and future of Russian capitalism the contributors weigh the political problems that confront Russia in its ongoing struggle to modernize and develop its economy Contributions by Andrew Barnes Paul T Christensen Linda J Cook Gerald M Easter Neil Robinson Richard Sakwa and Stephen K Wegren

Culture, Political Economy and Civilisation in a Multipolar World Order Ray Silvius, 2016-10-04 This book seeks to understand how Russia's multifaceted rejection of American unipolarity and de-territorialised neo liberal capitalism has contributed to the gestation of the present multipolar moment in the global political economy Analysing Western world order precepts via the actions of a powerful albeit precarious national political economy and state structure situated on the periphery of Western world order Silvius explores the manner in which culture and ideas are mobilised for the purposes of national regional and international political and economic projects in a post global age The book Explains and analyses the tensions of post Soviet Russia's integration into and simultaneous partial rejection of the capitalist global political economy Provides an overview of the social political and historical origins of Russian samobytnost uniqueness after the fall of the Soviet Union and demonstrates their significance to contemporary understandings of world order Explores how structures of cultural difference and practices of cultural differentiation interact with the normative legacies of American hegemonic aspirations in contemporary world order structures Evaluates how cultural and civilisational representations are mobilised for state projects and their corresponding regional and international dimensions within the global political economy This book will be of great interest to students and scholars of Russian Foreign Policy IPE and comparative political economy

Resisting the State Kathryn Stoner-Weiss, 2006-06-19 Why do new democratizing states often find it so difficult to actually govern Why do they so often fail to provide their beleaguered populations with better access to public goods and services Using original and unusual data this book uses post communist Russia as a case in examining what the author calls this broader weak state syndrome in many developing countries Through interviews with over 800 Russian bureaucrats in 72 of Russia's 89 provinces and a highly original database on patterns of regional government non compliance to federal law and policy the book demonstrates that resistance to Russian central authority not so much ethnically based as others have argued as much as generated by the will of powerful and wealthy regional political and economic actors seeking to protect assets they had acquired through Russia's troubled transition out of communism

Resource Curse and Post-Soviet Eurasia Vladimir Gel'man, Otar Marganiya, 2010-08-06 By the end of the 2000s the term resource curse had become so widespread that it had turned into a kind of magic keyword not only in the scholarly language of the social sciences but also in the discourse of politicians commentators and analysts all over the world like the term modernization in the early 1960s or transition in the early 1990s In fact the aggravation of many problems in the global economy and politics against the

background of the rally of oil prices in 2004 2008 became the environment for academic and public debates about the role of natural resources in general and oil and gas in particular in the development of various societies The results of numerous studies do not give a clear answer to questions about the nature and mechanisms of the influence of the oil and gas abundance on the economic political and social processes in various states and nations However the majority of scholars and observers agree that this influence in the most of countries is primarily negative Resource Curse and Post Soviet Eurasia Oil Gas and Modernization is an in depth analysis of the impact of oil and gas abundance on political economic and social developments of Russia and other post Soviet states and nations such as Kazakhstan and Azerbaijan The chapters of the book systematically examine various effects of resource curse in different arenas such as state building regime changes rule of law property rights policy making interest representation and international relations in theoretical historical and comparative perspectives The authors analyze the role of oil and gas dependency in the evolution and subsequent collapse of the Soviet Union authoritarian drift of post Soviet countries building of predatory state and pendulum like swings of Russia from state capture of 1990s to business capture of 2000s uneasy relationships between the state and special interest groups and numerous problems of geo economics of pipelines in post Soviet Eurasia

The Political Economy of International

Financial Crisis Shale Asher Horowitz, Uk Heo, 2001 The world financial crisis of 1997 99 was the most important international economic event since the oil shocks of the 1970s and the associated debt crisis of the 1980s What were its political causes and consequences In particular how did interest group coalitions and political institutions affect pre crisis economic policies and post crisis responses This book focuses on how policymaking coalitions are formed and how political institutions mediate the pressure of rival coalitions This approach is applied to 13 countries drawn from the main crisis affected regions of the world economy East Asia Southeast Asia Latin America and Eastern Europe

Economic Transition in Russia and the New States of Eurasia Bartłomiej Kamiński, 1996 This volume covers the economic progress made by the new states of the former Soviet Union in the transition from command to market economies Topics discussed include political and economic adjustments the domestic dimension macropolicies restructuring and regional and world integration

Russia's Market Economy Stefan Hedlund, 2002-11-01 Russia's Market Economy is a seminal account of Russia's transition to the market its tortuous development as a fledgling market economy through the 1990s right through to its spectacular collapse in August 1998 Rather than beginning with the economic collapse the book traces the historical mismanagement of Russian wealth through to the Soviet command economy and on to Gorbachev Stefan Hedlund finally discusses what lessons should be learned from the damage inflicted on the Russian economy as well as its social legal and political infrastructure by the race of reform

Historical Dictionary of the Russian Federation Robert A. Saunders, 2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has

experienced the most dramatic transformation of any modern state The second edition of Historical Dictionary of the Russian Federation provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of Historical Dictionary of the Russian Federation contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia

Russia's Role in the Contemporary International Agri-Food Trade System Stephen K. Wegren, Frode Nilssen, 2021-11-11

This Open Access book analyses the emergence of Russia as a global food power and what it means for global food trade Russia's strategy for food production and trade has changed significantly since the end of the Soviet period and this is the first book to take account of Russia's rise as a food power and the global implications of that rise It includes food trade policy and practice and developments in regional food trade This book will be of interest to academics and practitioners in agricultural economics international trade and international food trade

Changing Properties of Property Franz von Benda-Beckmann, Keebet von Benda-Beckmann, Melanie Wiber, 2009 As an important contribution to debates on property theory and the role of law in creating disputing defining and refining property rights this volume provides new theoretical material on property systems as well as new empirically grounded case studies of the dynamics of property transformations The property claimants discussed in these papers represent a diverse range of actors including post socialist states and their citizens those receiving restitution for past property losses in Africa Southeast Asia and in eastern Europe collectives corporate and individual actors The volume thus provides a comprehensive anthropological analysis not only of property structures and ideologies but also of property and its politics in action

Bourgeoisie, State and Democracy Graeme Gill, 2008-05-15 One of the key questions in social science is the role of the bourgeoisie in creating a democracy An important issue in contemporary international politics is the trajectory of the current Russian political system This book brings these questions together by exploring the role played by the bourgeoisie in shaping political outcomes in five countries contemporary Russia and industrial revolution Britain France Germany and the USA Its main focus is the way the different new business classes have been integrated into the political system and the implications this had for the political trajectories of the respective countries The contemporary Russian experience is thrown into relief by comparison with the national experiences of the other four countries enabling conclusions to be drawn about both the general question of the historic role of this class in democratisation and the more specific question of its role in Russia today

Explaining Post-Soviet Patchworks: The political economy of regions, regimes and republics Klaus Segbers, 2001 Based on extensive research this trilogy provides new insights into Post Soviet transformations without taking refuge in the traditional assumption that Russia is unique Using powerful analytical tools this trilogy marks the re integration of the Former Soviet Union FSU into the main

current of political science An invaluable resource for all those interested in Russia and the Post Soviet states This third volume addresses the important regional dimension of the Russian Federation The basic point of departure for all analyses is how regions and regional institutions deal with the global and local past and present It also presents new material on geography competition and conflict individual regions and the development of political institutions and federalism This volume will be of particular interest to students researchers journalists and decision makers whose focus is on politics international relations economics social policy and sociology in Russia and the Post Soviet states *Russia After Communism* Rick Fawn, Stephen White, 2020-04-28 Russia's transition from communism holds great significance not only for itself but also for the wider world This collection of essays examines the spectrum of Russia's transition since 1991 considering not only the pattern of events but also what the changes have meant for Russians themselves **Geography of Russia and Its Neighbors, Second Edition** Mikhail S. Blinnikov, 2021-02-17 Authoritative yet accessible the definitive undergraduate text on Russian geography and culture has now been thoroughly revised with current data and timely topics such as the annexation of Crimea and Sevastopol and other background for understanding Russia's 2022 invasion of Ukraine Thematic chapters provide up to date coverage of Russia's physical political cultural and economic geography Regional chapters focus on the country's major regions and the other 14 former Soviet republics Written in a lucid conversational style by a Russian born international expert the concise chapters interweave vivid descriptions of urban and rural landscapes examinations of Soviet and post Soviet life deep knowledge of environmental and conservation issues geopolitical insights engaging anecdotes and rigorous empirical data Over 200 original maps photographs and other figures are also available as PowerPoint slides at the companion website many in color New to This Edition Separate chapter on Ukraine and Crimea covering events through 2019 Timely topics the political crisis in Ukraine and annexation of Crimea and Sevastopol the return of Putin as president climate change and environmental degradation economic slowdown political shifts in the republics the role of Russian backed forces in Syria Libya and Central African Republic changes in Russia United States relations and more Thoroughly updated population economic and political data 80 new or updated figures tables and maps Pedagogical Features End of chapter review questions suggested assignments and in class exercises Within chapter vignettes about Russian places culture and history End of chapter internet resources and suggestions for further reading Companion website with all figures and maps from the book many in full color Reexamining Economic and Political Reforms in Russia, 1985-2000 Vladimir Gel'man, Dmitry Travin, Otar Marganiya, 2014-06-25 Reexamining Economic and Political Reforms in Russia 1985 2000 Generations Ideas and Changes analyzes the impact of generational changes and ideational changes on major political and economic reforms conducted in Russia during the late twentieth century This book examines how the policy agenda was shaped by the ideas of the generations representatives for the sixties and seventies Representatives of the generation of sixties conducted reforms from 1985 to 1991 and invested major efforts in political liberalization but did

not pay enough attention to economic reforms On the other hand the reformers from the generation of seventiers who were in charge of policy making from 1991 to 1998 were genuinely oriented toward market building but rather insensitive to the democratization of the political regime This book explores how these differences in ideational agendas produced inconsistent and controversial outcomes from both stages of reforms *Protest in the Provinces* Allison D. Evans, 2025-06-03 In the immediate aftermath of the Soviet Union's collapse Russia entered shock therapy a series of neoliberal and seemingly democratizing reforms that sought to quickly undo the decades old communist planned economy fused Party State autocratic political system and highly centralized government Russians were indeed shocked by the resulting runaway inflation political chaos declining living standards rising unemployment and persistent wage arrears *Protest in the Provinces* examines the popular reactions to this dire economic decline which varied in scale intensity and aims across similar industrial company towns during the 1990s Analyzing local media archival documents and interviews Allison D Evans provides a detailed and comparative history of protests in three such cities Cherepovets dominated by the steel industry Komsomolsk na Amure by defense and Surgut by oil and gas In doing so she illuminates a range of strategies local elites used to control and respond to protesters which were influenced by the primary industry's level of dependence on the central state and the extent of elite unity Unique in its close range analysis of participation and protest in provincial cities this book reshapes understandings of Russia's transition to capitalism and provides insights into the activism that continues in provincial Russia today

Political Economy Of Post Soviet Russia Introduction

In today's digital age, the availability of Political Economy Of Post Soviet Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Economy Of Post Soviet Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Economy Of Post Soviet Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Economy Of Post Soviet Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Economy Of Post Soviet Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Economy Of Post Soviet Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Economy Of Post Soviet Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Economy Of Post Soviet Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Economy Of Post Soviet Russia books and manuals for download and embark on your journey of knowledge?

FAQs About Political Economy Of Post Soviet Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Economy Of Post Soviet Russia is one of the best book in our library for free trial. We provide copy of Political Economy Of Post Soviet Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Economy Of Post Soviet Russia. Where to download Political Economy Of Post Soviet Russia online for free? Are you looking for Political Economy Of Post Soviet Russia PDF? This is definitely going to save you time and cash in something you should think about.
