**The Political Economy of Privatization in Rich Democracies** Herbert Obinger, Carina Schmitt, Stefan Traub, 2016 This book focuses on the political economy of privatization and addresses the questions What are the driving forces behind this development and how can the variation be explained which are of both theoretical and empirical interest The volume addresses the political economy of privatization in advanced democracies in the last 30 years

**The Privatization of Education** Antoni Verger, Clara Fontdevila, Adrián Zancajo, 2016 Education privatization is a global phenomenon that has crystallized in countries with very different cultural political and economic backgrounds In this book the authors examine how privatization policies are being adopted and why so many countries are engaging in this type of education reform The authors explore the contexts key personnel and policy initiatives that explain the worldwide advance of the private sector in education and identify six different paths toward education privatization as a drastic state sector reform e g Chile the U K as an incremental reform e g the U S A in social democratic welfare states as historical public private partnerships e g Netherlands Spain as de facto privatization in low income countries and privatization via disaster

**Book Features** The first comprehensive in depth investigation of the political economy of education privatization at a global scale An analysis of the different strategies discourses and agents that have contributed to advancing and resisting education privatization trends An examination of the role of private corporations policy entrepreneurs philanthropic organizations think tanks and teacher unions Rich in examples careful in its analysis important in its conclusions and recommendations for further work this book is

a vital rigorous up to date resource for education policy researchers Stephen J Ball University College London Few issues are as significant as is education privatization across the globe few treatments of this issue offer both the breadth and nuanced understanding that this book does Christopher Lubiencki Indiana University *The Political Economy of Germany under Chancellors Kohl and Schröder* Jeremy Leaman, 2009-07-01 While unification has undoubtedly had major effects on Germany's political economy the pattern of current policy making preferences was established at an earlier stage in particular at the beginning of the Kohl era in 1982 This essentially neo liberal pattern can be seen to have dominated the modalities chosen to guide Germany through the process of unification and was mirrored in developments in other OECD countries and in particular within the EU This book demonstrates that the three policy imperatives neo liberal structural reform European monetary integration and unification produced a policy mix which together with other structural economic and demographic factors has had disappointing results in all three areas and hampered Germany's overall economic development Political Economy of Agrarian Reform in Central and Eastern Europe Johan F.M Swinnen, 2018-08-10 First published in 1997 this volume responds to the challenges faced in post Communist Eastern Europe in the privatization and decollectivisation of agriculture The contributors feature specialists in agriculture finance economics and political science They begin with discussions on the political economy of privatization and a historical overview and continue with thoughts on agricultural decollectivization in twelve countries across Eastern Europe including Albania the Baltic countries Bulgaria Slovakia and Hungary The project reflects the basic framework of endogenous institutional change and policy analysis and uses a political economy framework to explain and interpret these agricultural trends The political economy of privatization Bernardo Bortolotti, Kira Börner, Paolo Pinotti, 2003 **The Political Economy of Latin America** Peter Kingstone, 2011-01-28 This brief text offers an unbiased reflection on the neoliberalism debate in Latin America and the institutional puzzle that underlies the region's difficulties with democratization and development **Privatisation, Politics, and Economic Performance in Hungary** Zoltan Antal-Mokos, 1998-02-05 Why do some privatisations apparently fail to produce expected positive results Economic theory tells us that privatisation should improve efficiency but this book originally published in 1998 suggests that political bargaining in the process of privatisation works against the results we expect to achieve To gain a better understanding of what privatisation is really about power at a firm level needs to be understood Privatisation is a gradually unfolding evolutionary process often with defective corporate governance Politicking can take priority over performance with the result that efficiency is ignored and profitability is affected This is a comprehensive book on privatisation which focuses on micro level behavioural issues and it uses exceptionally rich case evidence to illustrate that privatisation is more about politics than performance The Political Economy of National Security, Critical Infrastructure and Securitization of Foreign Investments Jakub M. Godzimirski, Morten Skumsrud Andersen, 2024-12-30 This book examines how new flows of foreign direct investments from autocracies are framed their effects and the policy responses to them

within the context of challenges to the international liberal order Chapters address thematic and regional issues from national investment controls and threat perceptions to China and Russia s responses Collectively they explore a new dynamic in international politics the securitization of money crossing borders Historically foreign investments operated under minimal global regulation based on the assumption that they were beneficial and profit driven However the past decade has witnessed a radical shift in approaches to foreign investments due to changing investment patterns and the entry of state sponsored actors into this traditionally unregulated realm China and Russia are seen to leverage foreign investments to advance their long term economic and political objectives The book comprehensively examines the subsequent repositioning of foreign investment policy and its consequences for national and international politics *Market Reforms in Mexico* Mark Eric Williams,2001 Taking Mexico as an example Williams political science Middlebury College considers the various successes and failures of market based reforms in areas like privatization deregulation and environmental policy He assesses policy initiatives under various administrations and compares Mexico s privatization efforts to those of Argentina Three case studies are presented and the findings analyzed in a comparative framework The role of coalitions in successful reforms is emphasized c Book News Inc The Political Economy of Water and Sanitation Matthias Krause,2010-04-02 Advances in human development are closely linked to increasing access to water and sanitation WS services in developing countries Utilizing data from 69 nations Krause argues that the level of democratic governance has a statistically significant positive impact on access to WS services from influencing policy making to managing providers International Privatisation Thomas Clarke,2011-07-20 No detailed description available for International Privatisation **Political Economy of Palestine** Alaa Tartir,Tariq Dana,Timothy Seidel,2021-05-18 This book explores the political economy of Palestine through critical interdisciplinary and decolonial perspectives underscoring that an approach to economics that does not consider the political a de politicized economics is inadequate to understanding the situation in occupied Palestine A critical interdisciplinary approach to political economy challenges prevailing neoliberal logics and structures that reproduce racial capitalism and explores how the political economy of occupied Palestine is shaped by processes of accumulation by exploitation and dispossession from both Israel and global business as well as from Palestinian elites A decolonial approach to Palestinian political economy foregrounds struggles against neoliberal and settler colonial policies and institutions and aids in the de fragmentation of Palestinian life land and political economy that the Oslo Accords perpetuated but whose histories of de development over all of Palestine can be traced back for over a century The chapters in this book offer an in depth contextualization of the Palestinian political economy analyze the political economy of integration fragmentation and inequality and explore and problematize multiple sectors and themes of political economy in the absence of sovereignty
