Explaining Regional Economic Integration
in East Asia

Kevin G. Cai

Political Economy Of Regionalism

Hong Liu, Kong Yam Tan, Guanie Lim

Political Economy Of Regionalism:

The Political Economy of Regionalism Edward D. Mansfield, Helen V. Milner, 1997 Exploring regionalism from a political economic perspective this text investigates why regional arrangements are formed the conditions under which these arrangements solidify and why they take on different institutional forms

The Political Economy of Regionalism F. Söderbaum, 2004-10-29 The Political Economy of Regionalism The Case of Southern Africa challenges prevailing wisdom showing how ruling political elites and big business join forces with certain external actors in order to promote market integration and economic globalization boost regimes and to satisfy group specific and even personal interests Only rarely do these forms of regionalism contribute to the poor and disadvantaged who instead opt out and survive through informal economic regionalisms or seek to create regionalisms rooted in civil society

The Political Economy of Regionalism in East Asia H. Yoshimatsu, 2008-04-23 An exploration of the evolution of regionalism and regional economic relations in East Asia since the late 1990s The book analyzes moves towards free trade agreements cooperation in information technology energy and environment and agriculture by highlighting preferences and actions of governmental and business actors

The Political Economy of New Regionalism in Northeast Asia Chang Jae Lee, You-il Lee, John Benson, Ying Zhu, Yoon-Jong Jang, 2018-09-03 The book is the first attempt to offer a holistic and integrated exploration of the political economic framework underpinning economic regionalism In doing so it provides a much needed contribution to the literature on international political economy international relations and Asian political economy in relation to economic regionalism The existing literature provides broad generalizations and limited discussion on economic integration i.e free trade agreements FTA with most analyses of regionalism generally contained to the field of economics with a focus on the welfare implications of FTAs both for participating countries and the world as a whole Readers of this book can view economic regionalism from a variety of perspectives with input from Chinese Japanese and Korean research institutes business and industry groups and government officials Drawing on the considerable country experience and expertise of the authors the book attempts to unravel the paradox of the market driven economic globalization process regionalism and address a serious gap in the current literature relating to the political economic characteristics and strategies of China Japan and Korea in relation to economic regionalism

The Political Economy of Regionalism in Africa S. K. B. Asante, 1986

The Political Economy of Regionalism, Trade, and Infrastructure Hong Liu, Kong Yam Tan, Guanle Lim, 2021-09-25 The articles are timely especially in view of the increasingly tense global regional environment The articles provide both a quantitative and qualitative angles to important questions facing our world too many quantitative oriented papers will not appeal to the broader audience while too many qualitative oriented papers will not attract the attention of economists and data scientists The articles are drawn from a diverse range of professions including academia government and the financial sector

The Politics of Economic Regionalism K. Cai, 2010-01-20 While major theories of economic regionalism in the existing

literature are primarily constructed to explore institutionalized regional integration European integration in particular the analytical framework developed in this work explains the unique process and pattern of regional integration in East Asia

New Regionalisms in the Global Political Economy Shaun Breslin, 2002 Featuring a notable list of international contributors this book presents a systematic and stimulating discussion on regionalism covering topical issues such as recent financial crises enlargement within EU and the post Lome regionalism of Africa

The Political Economy of New Regionalisms in the Pacific Rim José Briceño-Ruiz, Philippe De Lombaerde, 2019-08-28 Combining an analysis of regionalism from a systemic view with a domestic political economy analysis this book sheds light on the new dynamics and emerging configurations of regionalisms and interregionalisms in the post Trans Pacific Partnership TPP Donald Trump's presidency has transformed trans Pacific economic and political relations contrasting sharply with President Obama's pivot to Asia strategy Unilateralism and bilateralism have returned to the center stage at the cost of regionalism interregionalism and multilateralism Understanding these new dynamics requires closer examination of the underlying domestic political economies Examining ten country case studies of multi actor agency at the national level expert contributors argue that trans Pacific relations should not only be explained in terms of the behavior of the major powers but that medium powers and even small countries can exert influence and occupy strategic nodes and contribute to shaping a new international relations network Their findings will be of interest to scholars of international relations international political economy regionalism and international economics

The Political Economy of Asian Regionalism Giovanni Capannelli, Masahiro Kawai, 2014-01-23 This book contributes to the theoretical and empirical literature on Asian regionalism with a focus on the innovations needed to reform the current institutional architecture in Asia After reviewing the key issues and challenges related to the political economy of Asia's economic cooperation and integration the book discusses various aspects of regionalism from political and economic perspectives It looks at the rationale for regional collective action and reviews the trend of economic integration with a focus on the implications of the global financial crisis In addition to reviewing the key issues related to the development of regional institutions for integration the book analyzes issues such as trade and finance and deals with the implications of regionalism in terms of the introduction of domestic reforms in Asian countries before discussing the possible formation of a region wide economic community The eight chapters of the book are based on respective papers initially prepared for the Asian Development Bank Institute Conference 2010

The Political Economy of New Regionalism in Northeast Asia Ch'ang-jae Yi, 2018 The book is the first attempt to offer a holistic and integrated exploration of the political economic framework underpinning economic regionalism In doing so it provides a much needed contribution to the literature on international political economy international relations and Asian political economy in relation to economic regionalism The existing literature provides broad generalizations and limited discussion on economic integration i.e. free trade agreements FTA with most analyses of regionalism generally contained to the field of economics

with a focus on the welfare implications of FTAs both for participating countries and the world as a whole Readers of this book can view economic regionalism from a variety of perspectives with input from Chinese Japanese and Korean research institutes business and industry groups and government officials Drawing on the considerable country experience and expertise of the authors the book attempts to unravel the paradox of the market driven economic globalization process regionalism and address a serious gap in the current literature relating to the political economic characteristics and strategies of China Japan and Korea in relation to economic regionalism

The Political Economy of Regionalism in Southern Africa Margaret Carol Lee, 2003 In the face of increasing globalisation regionalism continues to be seen as a conduit for enhancing Africa's integration into the world economy In the light of this the countries of southern Africa have made verbal commitments to enhance regional development and the integration of their economies This important book examines the challenges to regionalism in southern Africa It tackles the issues of political and economic instability overlapping membership in regional economic organisations increased intra regional trade through the creation of free trade agreements the ability to secure needed foreign investment and the failure of governments to make a political commitment to regionalism

The Political Economy of Regionalism in Africa S. K. B. Asante, 1986

The Politics of Economic Regionalism David Francis, 2017-11-01 This title was first published in 2001 The primary objective of this book is to provide an analytical understanding of the nature dynamics and complexity of the politics of economic regionalism through the prism of Sierra Leone in the Economic Community of West African States ECOWAS The book also discusses the following issues the evolution of economic regionalism in West Africa and the conceptual framework for analysis the expansion of the economic regionalism developments within the West Africa sub region with that of the transformation of the global economy and international political system political economic and security developments within ECOWAS and the civil war in Sierra Leone

Political Economy of Northeast Asian Regionalism T. J. Pempel, Gérard Roland, 2008 Too often analyses of East Asia are written by outsiders the great merit of this broad ranging and well conceived collection is to showcase original perspectives from China Korea and Japan As such it is a welcome addition to the existing literature Mark Beeson the University of Birmingham UK

Regionalism, Economic Integration and Security in Asia Jehoon Park, T. J. Pempel, Heungchong Kim, 2011-01-01 The prospects and value of economic integration and regionalism in Asia are increasingly evident in what could turn out to be the Asian Century It is within this context that this important book explores the critical economic issues security concerns and political themes pertinent to Asia in general and to East Asia in particular The book features contributions by both Asian and Western scholars who take an interdisciplinary approach encompassing economics political science and culture They address various issues including the application of European experiences to Asia and blend regional country perspectives with broader external views from Russia and the US In conclusion the book suggests a tentative roadmap and future directions for an Asian community asserting the importance of cultural and value studies This objective

analysis of Asian regionalism explores perspectives from both within and outside the region As such it will prove a fascinating read for academics and researchers practitioners and policy makers in a wide variety of fields including Asian studies economics public policy political economy international relations and regional science Political Economy Regionalism Asia Yoshimatsu Hidetaka,2007-11-28 **Globalism and the New Regionalism** Osvaldo Sunkel,András Inotai,1999-04-11 This is the first of five volumes reporting on the UNU WIDER study on New Regionalism It deals with the conceptions and meanings of two processes which probably will have a crucial influence on the shape of the new world order globalization and regionalization These studies relate to each other as challenge to response globalization being the challenge of economic and cultural homogenization of the world and regionalization being a social and political reaction The leading writers in the field contribute thought provoking and fascinating articles to this volume *Regionalism in Latin America* JOSÉ BRICEÑO-RUIZ,Andres Rivarola Puntigliano,2020-11-18 This interdisciplinary edited volume explores the political economy of regionalism in Latin America It identifies convergent forces which have existed in the region since its very conception and analyses these dynamics in their different historical geographic and structural contexts Particular attention is paid to key countries such as Argentina Brazil and Mexico as well as subregions like the Southern Cone and Central America To understand the resilience of regionalism in Latin America this book proposes to highlight four main issues Firstly that resilience is linked to mechanisms of self enforcement that are part of the accumulation of experiences institution building and common cultural features described in this book as regionalist *acquis* Secondly the elements and driving forces behind the promotion and expression of the regionalist *acquis* are influenced and shaped by nested systems in which social processes are inserted Thirdly when looking at systems there is a particular influence by national and global ones which condition the form and endurance of regional projects Finally beyond systems the book highlights the relevance of agents as crucial players in the shaping of the resilience of regionalism in Latin America This insightful collection will appeal to advanced students and researchers in international economics international relations international political economy economic history and Latin American studies *Globalism and the New Regionalism* Osvaldo Sunkel,András Inotai,2016-07-27 This is the first of five volumes reporting on the UNU WIDER study on New Regionalism It deals with the conceptions and meanings of two processes which probably will have a crucial influence on the shape of the new world order globalization and regionalization These studies relate to each other as challenge to response globalization being the challenge of economic and cultural homogenization of the world and regionalization being a social and political reaction The leading writers in the field contribute thought provoking and fascinating articles to this volume

Political Economy Of Regionalism Introduction

In today's digital age, the availability of Political Economy Of Regionalism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Economy Of Regionalism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Economy Of Regionalism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Economy Of Regionalism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Economy Of Regionalism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Economy Of Regionalism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Economy Of Regionalism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary

titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Economy Of Regionalism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Economy Of Regionalism books and manuals for download and embark on your journey of knowledge?
