 - 1.28 million CCP members

Political Participation In Beijing

Ray Yep, June Wang, Thomas Johnson

Political Participation In Beijing:

Political Participation in Beijing Tianjian Shi, 1997 In this first scientific survey of political participation in the People's Republic of China Tianjian Shi identifies twenty eight participatory acts and groups them into seven areas voting campaign activities appeals adversarial activities cronyism resistance and boycotts What he finds will surprise many observers Political participation in a closed society is not necessarily characterized by passive citizens driven by regime mobilization aimed at carrying out predetermined goals Beijing citizens acknowledge that they actively engage in various voluntary participatory acts to articulate their interests In a society where communication channels are controlled by the government Shi discovers access to information from unofficial means becomes the single most important determinant for people's engaging in participatory acts Government sponsored channels of appeal are easily accessible to ordinary citizens so socioeconomic resources are unimportant in determining who uses these channels Instead voter turnout is found to be associated with the type of work unit a person belongs to subjective evaluations of one's own economic status and party affiliation Those most likely to engage in campaign activities adversarial activities cronyism resistance and boycotts are the more disadvantaged groups in Beijing While political participation in the West fosters a sense of identification the unconventional modes of participation in Beijing undermine the existing political order

Popular Political Support in Urban China

Jie Chen, 2004 On the basis of three carefully drawn surveys of Beijing residents between 1995 and 1999 the author finds that diffuse support for the current political system based on attitudes toward institutions and values remains strong at least among city dwellers though it is gradually declining

Political Participation in Beijing Tianjian Shi, 1992

Political Participation in Beijing Tianjian Shi, 1992

Internet Use and Political Participation

Fanbin Zeng, 2025-07-01 This book explores how Chinese citizens influence both real and internet political participation via using internet During real political participation in selection and collective incident the influence of internet use is different which results from different situations of the development of different types of political participation in China According to the analysis on the political participation in the network public opinion's supervision internet advice and internet alternative the author finds that these types of political participation subject to institutional arrangement and effect of real political participation Therefore the author proposes that the real political participation effected by the use of internet and internet political participation mutually supply and influence each other where there is inverse relationship between them This book will be of interest to researchers political scientists and media studies scholars

New Trends of Political Participation in Hong Kong Joseph Y.

S. CHENG, 2014-07-08 This volume in 15 chapters serves as a useful overview of various significant aspects of the new trends of political participation in Hong Kong Written by a team of experts who have been astute observers of Hong Kong Politics the book covers a wide spectrum of topics ranging from a conventional understanding of political participation e.g. the activities of political parties and interest groups to a more specialized form of participation e.g. the relationships between

government and legislators in policy making The study of the rise of new social movements by the Post 80s generation would be of particular interest to those who are keen to comprehend the sharpening inter generational differences There will be a readership among academics and university students This can also be a valuable reference for the media policy makers or anyone interested in Hong Kong politics This book is published by City University of Hong Kong Press **Political**

Participation in Asia Eva Hansson, Meredith L. Weiss, 2017-10-16 A combination of economic transformation political transitions and changes in media have substantially if incrementally altered the terrain for political participation globally particularly in Asia home to several of the most dramatic such shifts over the past two decades This book explores political participation in Asia and how democracy and authoritarianism function under neoliberal economic relations It examines changes that coincide seemingly perversely with a participation explosion with mass street protests and occupations energetic online contention movements of students and workers mobilization for and against democracy and more Organized thematically in three parts political participation in a post democratic context changes in the scope and character of political space and the policing of that space this book analyzes economic regime and media shifts and how they function in tandem and both within and across states Closely integrated comparative and theoretically driven this book will be of interest to scholars and practitioners in the fields of civil society contentious politics or social movements democratization political economy development media and communications political geography sociology comparative politics and Asian politics

China in the Twenty-First Century S. Hua, S. Guo, 2007-08-20 In this edited volume leading scholars from US and China analyze the challenges and opportunities for China in the 21st century each emphasizing particular dimensions of politics economics political culture and foreign policy Issues examined include social harmony and statecraft media and political culture and legality in foreign trade **The History and Logic of Modern Chinese Politics** Mingsheng

Wang, 2021-08-24 This book explores the history and development of modern Chinese politics Written by Dr Mingsheng Wang a renowned Chinese political scientist it presents a truly groundbreaking and thought provoking study of the sociopolitical forces behind China's gradual emergence as a new global power in the 20th century and its rapid rise as the world's second largest economy over the past 40 years The author's argument illuminated by comparative theoretical analyses based on meticulously detailed empirical research functions as a lens through which readers can better understand China's remarkable accomplishments as well as consider broader issues that have perplexed many Is there a China Path to sociopolitical progress What is socialism with Chinese characteristics Can China redefine its niche and maintain its growing momentum in an increasingly multilateral world And finally what lessons can we draw from China's continuing progress in the post COVID era As the author argues eloquently and with persuasive evidence China's ongoing progress has followed neither the mode of Russian style socialism nor that of Western prototypical capitalism Rather it represents a distinctively different model of progress and a continuous search for a viable alternative route to modernity that is permeated with

Chinese realities By identifying an alternative system described as the China Path the author demonstrates convincingly that there exist ample options for different types of modernity and that economic growth means not only industrialization but also the development of political democratization and the realization of the rule of law In this sense this book significantly enriches our understanding of modern China The 33 carefully selected essays in the anthology provide a much needed opportunity for scholars policy makers and all interested readers to obtain an insider's view of the history and prospect of China's political development

Social Relations and Political Development in China Zhengxu Wang, Dragan Pavličević, 2020-10-29 Overview of important developments in Chinese politics and society Timely assessment of China's New Era Long term trends in China Evaluating developments under Xi Jinping Collection of methodologically and topically diverse studies

State and Society in China's Democratic Transition Xiaoqin Guo, 2012-10-12 This book examines China's process of democratic transition and the role of state and society in this process

The Paradox of China's Post-Mao Reforms Merle Goldman, Roderick MacFarquhar, 1999 China's bold program of reforms launched in the late 1970s the move to a market economy and the opening to the outside world ended the political chaos and economic stagnation of the Cultural Revolution and sparked China's unprecedented economic boom Yet while the reforms made possible a rising standard of living for the majority of China's population they came at the cost of a weakening central government increasing inequalities and fragmenting society The essays of Barry Naughton Joseph Fewsmith Paul H B Godwin Murray Scot Tanner Lianjiang Li and Kevin J O'Brien Tianjian Shi Martin King Whyte Thomas P Bernstein Dorothy J Solinger David S G Goodman Kristen Parris Merle Goldman Elizabeth J Perry and Richard Baum and Alexei Shevchenko analyze the contradictory impact of China's economic reforms on its political system and social structure They explore the changing patterns of the relationship between state and society that may have more profound significance for China than all the revolutionary movements that have convulsed it through most of the twentieth century

Generational Differences In Political Attitudes And Political Behaviour In China Tianjian Shi, 1999-06-30 Until recently generational studies of Communist countries have concentrated primarily on elite changes Little attention has been paid to the changes within the general public This study is designed to fill this gap It reports on 1 the socio economic resources of different generations especially their educational achievements 2 the psychological resources for people in different generations to get involved in politics 3 their political resources and 4 their political participation The text concludes with an appraisal of the changes among different generations that would help the reader to understand the changes in Chinese society

Paradoxes Of China's Prosperity: Political Dilemmas And Global Implications Guoguang Wu, 2015-01-15 The world seems divided to either applaud or fear the rise of China but this book probes deeper by investigating three aspects of the phenomenon in detail 1 the institutional dilemmas of the prosperity as it integrates Asian authoritarianism with globalizing capitalism to create economic accomplishments 2 the political struggles alongside the prosperity as Chinese citizens begin to demand equality rights and justice that might be

viewed to disturb the continuity of stability and development and 3 the global implications entailed by the prosperity not only in power politics war and peace or competitions among nations but especially on global public goods termed human security Articles included here combine political economic analyses lens with historical depth and global concerns to add a perspective that highlights the paradoxes of prosperity surrounding the ongoing debate on the rise of China and its global ramifications Readers will find an analysis that goes beyond the dichotomy viewing the rise of China either in positive or negative perspectives Investigations on the internal dilemmas and the global implications of the rise of China are well situated in the historical context of China s own search for modernization since the late 19th century This is one of the few books in which China s rise is examined from a global perspective rather than from a national perspective of China the United States or any other specific nation a global perspective that addresses the challenges facing all human societies with the rise of China

The Oxford Handbook of Chinese Psychology Michael Harris Bond,2010 In recent years China has witnessed unprecedented economic growth emerging as a powerful influential player on the global stage Now more than ever there is a great interest and need within the West to better understand the psychological and social processes that characterize the Chinese people The Oxford Handbook of Chinese Psychology is the first book of its kind a comprehensive and commanding review of Chinese psychology covering areas of human functioning with unparalleled sophistication and complexity In 42 chapters leading authorities cite and integrate both English and Chinese language research in topic areas ranging from the socialization of children mathematics achievement emotion bilingualism and Chinese styles of thinking to Chinese identity personal relationships leadership processes and psychopathology With all chapters accessibly written by the leading researchers in their respective fields the reader of this volume will learn how and why China has developed in the way it has and how it is likely to develop In addition the book shows how a better understanding of a culture so different to our own can tell us so much about our own culture and sense of identity A book of extraordinary breadth The Oxford Handbook of Chinese Psychology will become the essential sourcebook for any scholar or practitioner attempting to understand the psychological functioning of the world s largest ethnic group

Women's Political Participation in Bangladesh Pranab Kumar Panday,2013-05-30 This volume offers an understanding of institutional reforms gender related policy dynamics the role of different actors in the policy process and the impact of a particular policy on the state of women s political participation in Bangladesh The discussion is set against the background of the Fourth World Conference on Women 1995 in Beijing in which a Platform for Action signed by heads of governments expressed their countries commitment to achieve gender equality and empowerment of women through ensuring integration of the gender perspective at all levels In Bangladesh notable among the initiatives undertaken was the enactment of the Local Government Union Parishads Second Amendment of 1997 through which one third of seats were reserved for women in the Union Parishad UP and the system of direct election was introduced to elect women members in reserved seats The Act of 1997 is considered to be a milestone

since it has enhanced women's participation in the local government politics significantly. Against this background, the specific research questions that have been addressed in this volume include the necessity of reform for enhancing women's participation in politics, the context against which the Government of Bangladesh enacted the Act, and the reasons such an initiative was not taken earlier, the actors behind the reforms, and their role in the reform process, and the impact of the reform on the state of women's participation at the local level in Bangladesh.

The Development of E-governance in China Ping Du, Shiyang Yu, Daoling Yang, 2018-07-30. This book figures out that network security and informatization have entered a development stage of greater permeation and deeper integration into all aspects of the economy and society. In particular, since the 2008 financial crisis, the world's major economies have placed a strategic focus on network security and informatization in order to seek out new growth points, alleviate energy and ecological pressures, improve living standards, and improve social governance through new technological transformations in fields such as cloud computing, the Internet of Things, mobile internet, big data, smart cities, and a wave of applications. The effects on the economy and society have emerged and will continue to make significant progress. Based on China's stage of new urbanization, industrialization, informatization, and agricultural modernization, and major characteristics, as well as the intrinsic need for synchronized development, this book encourages society to accelerate the pace of development, expand the scope of work, and promote informatization and the comprehensive, coordinated, effective linking and deep integration of informatization with all areas of the economy and society.

The Palgrave Handbook of Local Governance in Contemporary China Jianxing Yu, Sujian Guo, 2019-01-07. This Handbook provides a comprehensive overview of local governance in China and offers original analysis of key factors underpinning trends in this field, drawing on the expertise of scholars both inside and outside China. It explores and analyzes the dynamic interaction and collaboration among multiple governmental and non-governmental actors and social sectors with an interest in the conduct of public affairs to address horizontal challenges faced by the local government, society, economy, and civil community, and considers key issues such as governance in urban and rural areas, the impact of technology on governance, and related issues of education, healthcare, environment, and energy. As the result of a global and interdisciplinary collaboration of leading experts, this Handbook offers a cutting-edge insight into the characteristics, challenges, and trends of local governance and emphasizes the promotion of good governance and democratic development in China.

Handbook on Urban Development in China Ray Yep, June Wang, Thomas Johnson, 2019. The trajectory and logic of urban development in post-Mao China have been shaped and defined by the contention between domestic and global capital, central and local state, and social actors of different class status and endowment. This urban transformation process of historic proportion entails new rules for distribution and negotiation, novel perceptions of citizenship, as well as room for unprecedented spontaneity and creativity. Based on original research by leading experts, this book offers an updated and nuanced analysis of the new logic of urban governance and its implications.

China's Emerging Middle Class Cheng Li, 2010-11-15. Decades ago

there was no distinct middle class in the People's Republic of China. Any meaningful discussion of China's economy, politics, or society must take into account the rapid emergence and explosive growth of the Chinese middle class. This book details the origins and characteristics of this dramatic change.

Political Participation In Beijing Introduction

In today's digital age, the availability of Political Participation In Beijing books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Participation In Beijing books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Participation In Beijing books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Participation In Beijing versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Participation In Beijing books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Participation In Beijing books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Participation In Beijing books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Participation In Beijing books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Participation In Beijing books and manuals for download and embark on your journey of knowledge?
