Politics And Policy In American States And Communities

John J. Harrigan

Politics And Policy In American States And Communities:

Politics and Policy in American States and Communities Dennis L. Dresang, James J. Gosling, 1999 This book invokes the average citizen's perspective encouraging readers to apply their own experiences with local government The book thoroughly describes all forms of local government and details the long history of federal and local governmental relations Special focus on recent developments including strengthening the roles of states tribes and local governments is provided The description of the policy making process provides a concrete unifying force in the text and discussions of historical legacies and regional differences give the reader a well rounded understanding of the subtleties of intergovernmental relations Five separate chapters supply in depth explorations of major policy areas such as crime and corrections educational policy social welfare and health policy environmental policy and economic development and fiscal policy and financial management Other topics include a discussion of tribes and tribal governments changes in federalism and electoral behavior and welfare reform Anyone with an interest in local and state governments and how they relate to the federal government

Politics and Policy in States and Communities John J. Harrigan, David C. Nice, 2001 With a theme of rejuvenation and reform this up to date highly readable text focuses on twin perspectives the political economy of state and local politics and the impact of political reformism on states and communities This book studies reformism and its consequences as they relate to the legal cultural and financial framework of state and community politics as well as their effect on citizen influence community politics and the institutions of state government

Politics and Policy in States and Communities John J. Harrigan, 1991

Politics In The American States: A Comparative Analysis Virginia Gray, Russell L. Hanson, Thad Kousser, 2013 Fully updated and with new coeditor Thad Kousser the tenth edition brings together the high caliber research you expect from this trusted text with comprehensive and comparative analysis of the fifty states Students will appreciate the book's glossary the fully up to date tables and figures and the maps showcasing comparative data A companion website includes downloadable graphics and data

Politics in the American States Thad Kousser, Jamila Michener, Caroline Tolbert, 2024-11-07 Politics in the American States Twelfth Edition brings together the high caliber research expected from this trusted text with comprehensive and comparative analysis of the fifty states Fully updated for all major developments in the study of state level politics the editors and chapter contributors keep pace with the transformation of American states and their study

Politics and Policy in States and Communities John J. Harrigan, David C. Nice, 2004 This up to date highly readable text focuses on twin perspectives the political economy of state and local politics and the impact of political reformism on states and communities This book studies reformism and its consequences as they relate to the legal cultural and financial framework of state and community politics as well as their effect on citizen influence community politics and the institutions of state government

Politics in the American States Virginia Gray, Russell L. Hanson, Thad Kousser, 2017-03-28 Winner of the 2017 Mac Jewell Enduring Contribution Award of the APSA's State Politics and Policy

Section Politics in the American States Eleventh Edition brings together the high caliber research you expect from this trusted text with comprehensive and comparative analysis of the 50 states Fully updated for all major developments in the study of state level politics including capturing the results of the 2016 elections the authors bring insight and uncover the impact of key similarities and differences on the operation of the same basic political systems Students will appreciate the book s glossary the fully up to date tables and figures and the maps showcasing comparative data *Politics and Policy in State & Communities* John J. Harrigan,1998 This up to date highly readable text for the state and local politics course focuses on twin perspectives the political economy of state and local politics and the impact of political reformism on states and communities This book explores the dynamics of state and community politics the methods citizens use to influence public officials the major issues facing states and localities and how the institutions of state and local government have changed over the years The Oxford Handbook of State and Local Government Donald P. Haider-Markel,2014-04-03 The Oxford Handbook of State and Local Government is an historic undertaking It contains a wide range of essays that define the important questions in the field evaluate where we are in answering them and set the direction and terms of discourse for future work The Handbook will have a substantial influence in defining the field for years to come The chapters critically assess both the key works of state and local politics literature and the ways in which the sub field has developed It covers the main areas of study in subnational politics by exploring the central contributions to the comparative study of institutions behavior and policy in the American context Each chapter outlines an agenda for future research **Politics and Policy in American States and Communities** Dennis L. Dresang,James J. Gosling,1995-12 **The Scale of Interest Organization in Democratic Politics** D. Halpin,G. Jordan,2011-12-12 Explores the need for political science to pay more attention to complex interactions involving politically relevant groups Distinguished contributors report on data from around the world and at different levels of political decision making from below the radar in local communities to global negotiations at the World Trade Organization *Politics in States and Communities* Thomas R. Dye,1981 A lively written thought provoking book which uses a clear accessible approach to political conflict in American states and communities It explores the what and the why behind current issues including illegal immigration term limits the fight against tobacco campaign finance sexual harassment welfare reform crime in the states police and law enforcement state correctional policies the death penalty abortion affirmative action and more This book compares the public policy and government management strategies of state and local governments while focusing on the sources and nature of conflict Coverage demonstrates how communities and states in America play an important role in the political life of the nation For anyone wanting to learn more about State Local State and Local Government and Urban Politics **Interest Groups and Health Care Reform Across the United States** Virginia Gray,David Lowery,Jennifer K. Benz,2013-05-31 This book assesses the impact of interest groups to determine if collectively they are capable of shaping policy in their own interests or whether they influence policy only at the margins

Interest Groups in U.S. Local Politics Sarah Anzia, 2023-09-15 Interest group scholarship has so far focused mainly on national politics and has had very little to say about interest groups in American cities counties school districts and special districts This special issue is a step toward remedying that it is a collection of articles and essays that examine some of the interest groups that are commonly active in US local politics The contributions herein discuss real estate developers tenant organizations teachers unions police unions and local PACs covering topics such as how they are organized how they engage in local politics some of the constraints on their influence and the nuanced ways in which ideology and identities can sometimes shape what coalitions are possible in the local context By bringing this work together in one place in a journal devoted to research on interest groups the hope is that this special issue will help to cement interest groups in local politics as the recognizable research focus it deserves to be *Instructor's Review Copy for Politics and Policy in American States and Communities*

Dennis L. Dresang, James J. Gosling, 2012-02-14 This brief text distinguishes itself through its highly accessible writing style inclusion of unique topics such as tribal governments extensive discussion of intergovernmental relations and its focus on the relationship between government and the governed how individuals are affected by government decisions and how individuals influence public policy face to face approach As the authors have done in previous editions their face to face approach to the study of state and local governments personalizes the material connects government to students lives and makes the material more meaningful and relevant to the student Teaching getting a fishing license having trash collected streets cleaned and snow plowed or going to a public school Emphasize Learning Outcomes Learning Objectives at the beginning of each chapter help students to focus their reading Instructor Support An Instructor's Manual Test Bank and PowerPoint presentations provide instructors with a full supplements package **American Political Culture**

Michael Shally-Jensen, Mark J. Rozell, Ted G. Jelen, 2015-04-28 This all encompassing encyclopedia provides a broad perspective on U S politics culture and society but also goes beyond the facts to consider the myths ideals and values that help shape and define the nation Demonstrating that political culture is equally rooted in public events internal debates and historical experiences this unique three volume encyclopedia examines an exceptionally broad range of factors shaping modern American politics including popular belief political action and the institutions of power and authority Readers will see how political culture is shaped by the attitudes opinions and behaviors of Americans and how it affects those things in return The set also addresses the issue of American exceptionalism and examines the nation's place in the world both historically and in the 21st century Essays cover pressing matters like congressional gridlock energy policy abortion politics campaign finance Supreme Court rulings immigration crime and punishment and globalization Social and cultural issues such as religion war inequality and privacy rights are discussed as well Perhaps most intriguingly the encyclopedia surveys the fierce ongoing debate between different political camps over the nation's historical development its present identity and its future course By exploring both fact and mythology the work will enable students to form a broad yet nuanced understanding of the

full range of forces and issues affecting and affected by the political process *Educated by Initiative* Daniel A. Smith, Caroline Tolbert, 2009-11-12 This body of research not only passes academic muster but is the best guidepost in existence for activists who are trying to use the ballot initiative process for larger policy and political objectives Kristina Wilfore Executive Director Ballot Initiative Strategy Center and Foundation *Educated by Initiative* moves beyond previous evaluations of public policy to emphasize the educational importance of the initiative process itself Since a majority of ballots ultimately fail or get overturned by the courts Smith and Tolbert suggest that the educational consequences of initiative voting may be more important than the outcomes of the ballots themselves The result is a fascinating and thoroughly researched book about how direct democracy teaches citizens about politics voting civic engagement and the influence of special interests and political parties Designed to be accessible to anyone interested in the future of American democracy the book includes boxes titled What Matters that succinctly summarize the authors data into easily readable analyses Daniel A Smith is Associate Professor of Political Science at the University of Florida Caroline J Tolbert is Associate Professor of Political Science at Kent State University *Higher Education: Handbook of Theory and Research* Michael B. Paulsen, 2013-02-12 Published annually since 1985 the Handbook series provides a compendium of thorough and integrative literature reviews on a diverse array of topics of interest to the higher education scholarly and policy communities Each chapter provides a comprehensive review of research findings on a selected topic critiques the research literature in terms of its conceptual and methodological rigor and sets forth an agenda for future research intended to advance knowledge on the chosen topic The Handbook focuses on a comprehensive set of central areas of study in higher education that encompasses the salient dimensions of scholarly and policy inquiries undertaken in the international higher education community Each annual volume contains chapters on such diverse topics as research on college students and faculty organization and administration curriculum and instruction policy diversity issues economics and finance history and philosophy community colleges advances in research methodology and more The series is fortunate to have attracted annual contributions from distinguished scholars throughout the world State & National Parties & American Democracy Joel Paddock, 2005 During the past fifty years American democracy has been transformed by the collapse of non ideological and decentralized traditional party organizations and also by the emergence of more ideologically distinct and integrated service vendor parties and their allied groups In this book Joel Paddock uses several original data sets to provide new insights into the ways parties adapt to politics in the telecommunications age growing interparty ideological differences the changing relationship between parties and interest groups and party nationalization Well suited for either graduate or undergraduate courses on political parties or linkage institutions this book provides a fresh perspective on party transformation and the American democratic process **Taxing the State** Richard F. Winters, 2025-10-31 *Taxing the State The Politics of Changing Taxes in the American States* is a comparative analysis that explores the socioeconomic and political causes and effects of tax policy and

budget spending at the state level The chapters analyze the level of taxation as political action undertaken by the state Richard F Winters makes a key contribution to the politics of taxation by examining the causes and electoral consequences of tax changes and compares the political strategies that governors employ in the face of tax changes This book will be of interest for students and scholars of American politics state and local politics comparative political economy and public administration and policy
