

Politics In Russia

Thomas F. Remington

Politics In Russia:

Politics in Russia Thomas F. Remington, 1999 Focusing on institutions and processes while paying rigorous attention to scholarship *Politics in Russia* Fourth Edition provides an authoritative overview of the Russian political system Book jacket

Politics in Russia Thomas Remington, 2017-06-30 Highly regarded for its comprehensive coverage up to date scholarship and comparative framework *Politics in Russia* is an authoritative overview of Russia's contemporary political system and its recent evolution Area specialist Thomas Remington focuses on four areas of change in this text state structure regime change economic transformation and identity to offer a dynamic context for analyzing the post Soviet era With a consistent emphasis on the intersection of politics and economics and the tension between authoritarian and democratic trends no other text guides students through the complexities and ambiguities of Russian politics today like *Politics in Russia*

The Rebirth of Politics in Russia Michael E. Urban, Vyacheslav Igrunov, 1997-03-28 Blending first hand accounts of grassroots politics with an original theory of social relations under communism this 1997 book seeks to explain one of the seminal events of this century the rebirth of politics in Russia amid the collapse of the USSR The authors trace the process from the pre political period of dissident activity through perestroika and the appearance of political groups and publications elections the formation of political parties and mass movements counter revolution and coup d tat the victory of democratic forces and the organization of a Russian state to the struggle of power in the post communist epoch the violent end of the first republic and the contentious relations engulfing its successor By focusing on the popular forces which accomplished Russia's political rebirth rather than the reforms of the Soviet establishment this book offers an original perspective on this critical period

The new politics of Russia Andrew Monaghan, 2024-03-19 This illuminating book explains how and why Russia's relations with the west have deteriorated to the point of initiating a new era of great power competition An updated version of the bestselling 2016 edition it explores the decline in relations since the early 2000s taking in the war in Syria and the 2022 escalation in Russia's invasion of Ukraine Beyond geopolitical considerations the book delves into the nature of power in Russia itself providing an in depth examination of the networks of influence that define the country's political landscape In doing so it moves beyond the simplistic Putin centric narratives often found in western accounts offering readers a fresh perspective on Russian politics Understanding Russia is crucial for western leaders seeking to establish stable and constructive relations in the future The new politics of Russia serves as a key resource challenging conventional wisdom and unpicking the complex dynamics at play in the relationship between Russia and the west

Governments and Politics in Russia and the Post-Soviet Region Vicki L. Hesli, 2007 Publisher description *Regional Politics in Russia* Cameron Ross, 2002-05-03 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable

democratic institutions in what is now a highly asymmetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia's regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia's Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective Politics Russia Catherine

Danks, 2014-01-14 Politics Russia provides the most comprehensive accessible and up to date introduction to all aspects of the political development of Russia in the post communist era Writing with the undergraduate student specifically in mind Danks' fluent style and masterly grasp of complex material will make this an indispensable guide for many years to come Divided into five sections Politics Russia maps a clear path towards an understanding of Russia and its politics in the twenty first century In Part One the emergence of contemporary Russia is put into context by a consideration of the end of the USSR and the move towards democratization under Gorbachev Part Two provides a clear sighted and stimulating overview of the nature of the executive and the legislature in contemporary Russia Part Three examines civil society the role of the media and the representative process Part Four is focussed on the policy process from foreign and defence policies to the development of domestic social policies from the provision of healthcare to education Part Five the final provides an overall consideration the contemporary state of Russia examining the development from Yeltsin to Putin to Medvedev and considers the possible futures of the region The book is supported by a host of pedagogical features including Annotated further reading lists Definitions of key political terms Short biographies of key figures *Putin's United Russia Party* S. P.

Roberts, 2012-03-12 From its inception in 2001 the United Russia Party has rapidly developed into a hugely successful organisationally complex political party and key component of power This book provides a much needed analysis on United Russia by exploring the role of the party in the Russian political system from 2000 to 2010 It explores the party empirically as an impressive organisation in its own right but also theoretically as an independent or explanatory variable able to illumine the larger development of dominant power politics in Russia in the same period The book creates a model to understand the role of political parties in electorally based political systems and shows how United Russia conforms to this model and importantly how the party also has unique features that affect its place in the political system The book goes on to argue that United Russia represents a virtual party hegemony an outcome of political changes occurring elsewhere and so a reversal of the typical relationship between parties and power found in comparative literature This has potentially far reaching

implications for our understanding of party dominance in the twenty first century and also the sources of regime stability and instability

The Politics of Sub-National Authoritarianism in Russia Cameron Ross, 2016-02-24 By the end of the 2000s Russia had become an increasingly authoritarian state which was characterised by the following features outrageously unfair and fraudulent elections the existence of weak and impotent political parties a heavily censored often self censored media weak rubber stamping legislatures at the national and sub national levels politically subordinated courts the arbitrary use of the economic powers of the state and widespread corruption However this picture would be incomplete without taking into account the sub national dimension of these subversive institutions and practices across the regions of the Russian Federation After the collapse of the Soviet Union sub national political developments in Russia became highly diversified and the political map of Russia's regions became multi faceted The period of 2000s demonstrated a drive on the part of the Kremlin to re centralise politics and governance to the demise of newly emerging democratic institutions at both the national and sub national levels Yet federalism and regionalism remain key elements of the research agenda in Russian politics and the overall political map of Russia's regions is far from being monotonic Rather it is similar to a complex multi piece puzzle which can only be put together through skilful crafting The 12 chapters in this collection are oriented towards the generation of more theoretically and empirically solid inferences and provide critical evaluations of the multiple deficiencies in Russia's sub national authoritarianism including principal agent problems in the relations between the layers of the power vertical unresolved issues of regime legitimacy that have resulted from manipulative electoral practices and the inefficient performance of regional and local governments The volume brings together a team of international experts on Russian regional politics which includes top scholars from Britain Canada Russia and the USA

[Russia's Foreign Policy](#) D. Cadier, M. Light, 2015-06-30 This edited volume analyses the evolution and main determinants of Russia's foreign policy choices Containing contributions by renowned specialists on the topic the study sheds light on some of the new trends that have characterised Russia's foreign policy since the beginning of Vladimir Putin's third presidential term

Russia's New Authoritarianism Lewis David G. Lewis, 2020-03-27 David G Lewis explores Russia's political system under Putin by unpacking the ideological paradigm that underpins it He investigates the Russian understanding of key concepts such as sovereignty democracy and political community Through the dissection of a series of case studies including Russia's legal system the annexation of Crimea and Russian policy in Syria Lewis explains why these ideas matter in Russian domestic and foreign policy

[Politics Russia](#) Catherine Danks, 2014-01-14 Politics Russia provides the most comprehensive accessible and up to date introduction to all aspects of the political development of Russia in the post communist era Writing with the undergraduate student specifically in mind Danks fluent style and masterly grasp of complex material will make this an indispensable guide for many years to come Divided into five sections Politics Russia maps a clear path towards an understanding of Russia and its politics in the twenty first century In Part One the emergence of contemporary Russia is put

into context by a consideration of the end of the USSR and the move towards democratization under Gorbachev Part Two provides a clear sighted and stimulating overview of the nature of the executive and the legislature in contemporary Russia Part Three examines civil society the role of the media and the representative process Part Four is focussed on the policy process from foreign and defence policies to the development of domestic social policies from the provision of healthcare to education Part Five the final provides an overall consideration the contemporary state of Russia examining the development from Yeltsin to Putin to Medvedev and considers the possible futures of the region The book is supported by a host of pedagogical features including Annotated further reading lists Definitions of key political terms Short biographies of key figures

Putin v. the People Samuel A. Greene, Graeme B. Robertson, 2019-06-11 A fascinating bottom up exploration of contemporary Russian politics that sheds new light on why Putin's grip on power is more fragile than we think What do ordinary Russians think of Putin Who are his supporters And why might their support now be faltering Alive with the voices and experiences of ordinary Russians and elites alike Sam Greene and Graeme Robertson craft a compellingly original account of contemporary Russian politics Telling the story of Putin's rule through pivotal episodes such as the aftermath of the For Fair Elections protests the annexation of Crimea and the War in Eastern Ukraine Greene and Robertson draw on interviews surveys social media data and leaked documents to reveal how hard Putin has to work to maintain broad popular support while exposing the changing tactics that the Kremlin has used to bolster his popularity Unearthing the ambitions emotions and divisions that fuel Russian politics this book illuminates the crossroads to which Putin has led his country and shows why his rule is more fragile than it appears

Securitising Russia Edwin Bacon, Bettina Renz, Julian Cooper, 2013-07-19 Securitising Russia shows the impact of twenty first century security concerns on the way Russia is ruled It demonstrates how President Putin has wrestled with terrorism immigration media freedom religious pluralism and economic globalism and argues that fears of a return to old style authoritarianism oversimplify the complex context of contemporary Russia The book focuses on the internal security issues common to many states in the early twenty first century and places them in the particular context of Russia Detailed analysis of the place of security in Russia's political discourse and policy making reveals nuances often missing from overarching assessments of Russia today To characterise the Putin regime as the KGB resurgent is to miss vital continuities contexts and on going political conflicts which make up the contemporary Russian scene Securitising Russia draws together current debates about whether Russia is a normal country developing its own democratic and market structures or a nascent authoritarian regime returning to the past

Russia's Politics of Uncertainty Mary McAuley, 1997-08-28 Explores the political reactions of elites and society in the Russian Federation after the collapse of communist party rule and the break up of the USSR

Identities and Politics During the Putin Presidency Philipp Casula, Jeronim Perovic, 2009-11-01 How could an undemocratic regime manage to stabilise Russia What is Putin's success formula What are the symbolic and discursive underpinnings of Russia's new stability Many outside

observers of Russia regarded the authoritarian tendencies during the Putin presidency as a retreat from or even the end of democratization. Rather than attempting to explain why Russia did not follow the trajectory of democratic transformation, this book aims to attain an understanding of the stabilization process during Putin's tenure as president. Proceeding from the assumption that the stability created under Putin is multi-layered, the authors attempt to uncover the underpinnings of the new equilibrium, inquiring especially about the changes and fixations that occurred in the discourses on political and national identity. In doing so, the authors analyse the trajectories of the past years from the traditional perspective of transitology as well as through the lens of post-structuralist discourse theory. The two approaches are seen as complementary, with the latter focusing less on the end point of transition than on the nature of the mechanisms that stabilize the current regime. The book focuses on how nationalism became an increasingly important tool in political discourse and how it affected political identity. Sovereign democracy is seen by many contributors as the most explicit manifestation of a newfound post-Soviet identity, drawing on nationalist ideas while simultaneously appeasing most sectors of the Russian political spectrum.

The New Autocracy Daniel Treisman, 2018-02-06

Corruption, fake news, and the informational autocracy sustaining Putin in power. After fading into the background for many years following the collapse of the Soviet Union, Russia suddenly has emerged as a new threat at least in the minds of many Westerners. But Western assumptions about Russia and in particular about political decision making in Russia tend to be out of date or just plain wrong. Under the leadership of Vladimir Putin since 2000, Russia is neither a somewhat reduced version of the Soviet Union nor a classic police state. Corruption is prevalent at all levels of government and business, but Russia's leaders pursue broader and more complex goals than one would expect in a typical kleptocracy such as those in many developing countries. Nor does Russia fit the standard political science model of a competitive authoritarian regime; its parliament, political parties, and other political bodies are neither fakes to fool the West nor forums for bargaining among the elites. The result of a two-year collaboration between top Russian experts and Western political scholars, *Autocracy* explores the complex roles of Russia's presidency, security services, parliament, media, and other actors. The authors argue that Putin has created an informational autocracy which relies more on media manipulation than on the comprehensive repression of traditional dictatorships. The fake news, hackers, and trolls that featured in Russia's foreign policy during the 2016 U.S. presidential election are also favored tools of Putin's domestic regime, along with internet restrictions, state television, and copious in-house surveys. While these tactics have been successful in the short run, the regime that depends on them already shows signs of age: over-centralization, a narrowing of information flows, and a reliance on informal fixers to bypass the bureaucracy. The regime's challenge will be to continue to block social modernization without undermining the leadership's own capabilities.

The Political Economy of Russia Neil Robinson, 2012-07-30

This timely book explores Russia's political development since the collapse of the USSR and how inextricably it has been bound up with economic change. Assessing the legacies of the Soviet period, leading scholars trace the evolution of Russia's political

economy and how it may develop as bitter battles continue to be waged over property and state revenues the development of private agriculture and welfare This book puts these domestic issues in international and comparative perspective by considering Russia's position in the global economy and its growing role as a major energy producer Focusing especially on the nature and future of Russian capitalism the contributors weigh the political problems that confront Russia in its ongoing struggle to modernize and develop its economy

How Russia Is Not Ruled Allen C. Lynch, 2005-01-10 The state remains as important to Russia's prospects as ever This is so not only because as in any society an effectively functioning state administration is necessary to the proper functioning of a complex economy and legal system but also because in Russian circumstances factors of economic geography tend to increase costs of production compared to the rest of the world These mutually reinforcing factors include the extreme severity of the climate the immense distances to be covered the dislocation between European population centers and Siberian natural resource centers and the inevitable predominance of relatively costly land transportation over sea borne transportation As a result it is questionable whether Russia can exist as a world civilization under predominantly liberal economic circumstances in a unified liberal global capital market large scale private direct capital investment will not be directed to massive outdoor infrastructure projects typical of state investment in the Soviet period

Russia's New Politics Stephen White, 2000 Just as the Bolshevik revolution defined the early politics of the 20th century the transition from communist rule is the landmark event of its final years In this important 1999 textbook based on a wealth of references including interview and survey material Stephen White offers a full discriminating account of the dramatic process of change in what is still the world's largest country After an early chapter examining the Gorbachev legacy the book analyses the electoral process the powerful presidency and the intractable problem of economic reform Later chapters cover social divisions public opinion and foreign policy and a final chapter places the Russian experience within the wider context of democratisation Clearly written with numerous figures and illustrations this book takes up Russia's story from the author's best selling *After Gorbachev* to provide an unrivalled analysis of the politics of change in what is now the world's largest postcommunist society

Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **Politics In Russia**

In some sort of inundated with monitors and the cacophony of immediate communication, the profound energy and mental resonance of verbal beauty frequently fade in to obscurity, eclipsed by the constant onslaught of sound and distractions. Politics In Russia Introduction

Politics In Russia Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Politics In Russia Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Politics In Russia : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Politics In Russia : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Politics In Russia Offers a diverse range of free eBooks across various genres. Politics In Russia Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Politics In Russia Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Politics In Russia, especially related to Politics In Russia, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Politics In Russia, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Politics In Russia books or magazines might include. Look for these in online stores or libraries. Remember that while Politics In Russia, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Politics In Russia eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Politics In Russia full book , it can give you a taste of the

authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Politics In Russia eBooks, including some popular titles.

FAQs About Politics In Russia Books

What is a Politics In Russia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Politics In Russia PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Politics In Russia PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Politics In Russia PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Politics In Russia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
