Politics Of Expertise In Latin America:

The Politics of Expertise in Latin America Miguel A. Centeno, Patricio Silva, 2016-07-27 The ascendancy of technocratic personnel and their imposition of neo liberal economic policies have come to define Latin American politics in the 1980s and 1990s This book is the first comparative analysis of these events and their implications for the future of democracy on the continent Individual chapters discuss the rise to power of these technocrats in Mexico Chile Argentina Brazil and Peru as well as the historical antecedents of expert rule in the 19th and early 20th centuries

The Politics of Expertise in Latin America Miguel A. Centeno, Patricio Silva, 1998 The ascendancy of technocratic personnel and their imposition of neo liberal economic policies have come to define Latin American politics in the 1980s and 1990s This book is the first comparative analysis of these events and their implications for the future of democracy on the continent Individual chapters discuss the rise to power of these technocrats in Mexico Chile Argentina Brazil and Peru as well as the historical antecedents of expert rule in the 19th and early 20th centuries

The Politics of Freeing Markets in Latin America Judith A. Teichman, 2001 Politics of Freeing Markets in Latin America Chile Argentina and Mexico *Post-Stabilization Politics in Latin America* Carol Wise, Riordan Roett, 2003-07-28 Over the last twenty years Latin America has seen a definitive movement toward civilian rule Significant trade fiscal and monetary reforms have accompanied this shift exposing previously state led economies to the forces of the market Despite persistent economic and political hardships the combination of civilian regimes and market based strategies has proved to be remarkably resilient and still dominates the region This book focuses on the effects of market reforms on domestic politics in Latin America While considering civilian rule as a constant the book examines and compares domestic political responses in six countries that embraced similar packages of reforms in the 1980s Argentina Brazil Chile Mexico Peru and Venezuela The contributors focus on how ambitious measures such as liberalization privatization and deregulation yielded mixed results in these countries and in doing so they identify three main patterns of political economic adjustment In Argentina and Chile the implementation of market reforms has gone hand in hand with increasingly competitive politics In Brazil and Mexico market reforms helped to catalyze transitions from entrenched authoritarian rule Finally in Peru and Venezuela traditional political systems have collapsed and civilian rule has been repeatedly challenged The contributors include Carol Wise University of Southern California Karen L Remmer Duke University Carol Graham Brookings Institution Stefano Pettinato United Nations Development Programme Consuelo Cruz Tufts University Juan E Corradi New York University Delia M Boylan Chicago Public Radio Riordan Roett Johns Hopkins University Mart n Tanaka Institute for Peruvian Studies Lima and Kenneth M Roberts University of New Mexico

Comparative Politics of Latin America Daniel C. Hellinger, 2020-12-22 This new edition brings Daniel C Hellinger s brilliantly succinct and accessible introduction to Latin America up to date for a new generation of educators In crisp detail Hellinger gives a panoramic overview of the continent and offers a unique balance of comparative politics theory and

interdisciplinary country specific context of a thematic organization and in depth country case studies of culture and economics of scholarship and pedagogy Insightful historical background in early chapters provides students with ways to think about how the past influences the present However while history plays a part in this text comparative politics is the primary focus explaining through fully integrated detailed case studies and carefully paced analysis Country specific narratives are integrated with concepts and theories from comparative politics leading to a richer understanding of both Updates to this new edition include Revisiting contemporary populism and the global emergence of right wing populism The pros and cons of extractivism the impact of Chinese investment and trade Contemporary crisis in Venezuela expanded treatment of Colombia and Peru The role of the military LGBTQ issues corruption violence identity issues New sections on social media artificial intelligence and big data cyber technologies Examination of post Castro Cuba Costa Rica s exceptionalism Broader study of environmental movements how governments relate to social movements Examination of personalist parties refugee and asylum rights Interventionist policies of the current U S administration Early impact of the COVID 19 pandemic Comparative Politics of Latin America is a thoughtful ambitious and thorough introductory textbook for students beginning Latin American Studies at the undergraduate level

Technocracy and Democracy in Latin America Eduardo Dargent,2015 Praised by some as islands of efficiency in a sea of unprofessional politicized and corrupt states and criticized by others for removing wide areas of policy making from the democratic arena technocrats have become prominent and controversial actors in Latin American politics Through an in depth analysis of economic and health policy in Colombia from 1958 to 2011 and in Peru from 1980 to 2011 Technocracy and Democracy in Latin America explains the source of these experts power as well as the leverage they have across state policy sectors in Latin America

Latin America: A New Interpretation L. Whitehead,2006-01-23 This book of collected essays by Laurence Whitehead an eminent scholar of Latin America explores the structures and influences that bind together the region shedding light on this vast and rapidly changing culture zone

The Politics of Gay Marriage in Latin America Jordi Díez,2015-05-05 Addressing one of the defining social issues of our time The Politics of Gay Marriage in Latin America explores how and why Latin America a culturally Catholic and historically conservative region has become a leader among nations of the Global South and even the Global North in the passage of gay marriage legislation In the first comparative study of its kind Jordi D ez explains cross national variation in the enactment of gay marriage in three countries Argentina Chile and Mexico Based on extensive interviews in the three countries D ez argues that three main key factors explain variation in policy outcomes across these cases the strength of social movement networks forged by activists in favor of gay marriage the access to policy making afforded by particular national political institutions and the resonance of the frames used to demand the expansion of marriage rights to same sex couples

Economists in the Americas Veronica Montecinos,John Markoff,2010-01-01 Probably no region s economists have had greater public visibility or greater impact on regional and national public policy than Latin America s and no region has

been more directly affected by the spread of US economics Economists in the Americas joins a small but important comparative literature on economics as a profession and is the first comparative treatment of professional economists in the United States and Latin America A multidisciplinary group of scholars discusses the last sixty years of shifting trends in economics in seven countries in the Western Hemisphere Argentina Brazil Chile Colombia Mexico Uruguay and the United States The chapters address the history of economics in the Americas the role of economists in politics and policy making economics education and competing paradigms in the field This collection points to the interconnections among the national cases the forging and breakdown of consensus around state and market dominance the transnational diffusion of economic ideas and professional norms as well as the embrace and rejection of an increasingly Americanized professional identity among Latin American economists The book will be of interest to policymakers and scholars interested in the comparative history and sociology of economics development public policy international affairs political science and Latin American studies

Research Handbook on Political Representation Maurizio Cotta,Federico Russo,2020-12-25 At a time when political representation can be said to be facing its ultimate crisis this crucial work clarifies the terms of the debate providing an up to date analysis of the main conceptual and institutional controversies that have arisen surrounding this topic Written by leading scholars in the field contributions focus on how representation is conceptualised and its relation to democracy

An East Asian Model for Latin American Success Anil Hira,2016-12-14 Latin America is at a uniquely important juncture in its history and the history of development more generally Neoliberal market orientated policies are being called into question growth has been volatile and equity has stayed the same or worsened In Latin America there is no clear direction for change This book presents an alternative development path for Latin America based on an East Asian model East Asia remains the only developing region so far with high stable and equitable economic development Based on in depth analysis and the presentation of new and unique material this study provides a new perspective on the lessons of China s rapid development and examines relations between states and companies that have led to greater success by East Asian companies entering new international markets More importantly it highlights how Latin American politics can and must be transformed

Mexico's Mandarins Roderic Ai Camp,2002-08 This study marks the culmination of over 20 years of research by the author It provides a detailed comprehensive examination of Mexico s power elite their political power societal influence and the crucial yet often overlooked role mentoring plays in their rise to the top Comparative Racial Politics in Latin America Kwame Dixon,Ollie A. Johnson III,2018-09-04 Latin America has a rich and complex social history marked by slavery colonialism dictatorships rebellions social movements and revolutions Comparative Racial Politics in Latin America explores the dynamic interplay between racial politics and hegemonic power in the region It investigates the fluid intersection of social power and racial politics and their impact on the region s histories politics identities and cultures Organized thematically with in depth country case studies and a historical overview of Afro Latin politics the volume provides a range of

perspectives on Black politics and cutting edge analyses of Afro descendant peoples in the region Regional coverage includes Argentina Brazil Colombia Cuba the Dominican Republic Ecuador Haiti and more Topics discussed include Afro Civil Society antidiscrimination criminal law legal sanctions racial identity racial inequality and labor markets recent Black electoral participation Black feminism thought and praxis comparative Afro women social movements the intersection of gender race and class immigration and migration and citizenship and the struggle for human rights Recognized experts in different disciplinary fields address the depth and complexity of these issues Comparative Racial Politics in Latin America contributes to and builds on the study of Black politics in Latin America

Comparative Politics of Latin America Daniel C.

Hellinger,2011-03-07 This text offers a unique balance of comparative politics theory and interdisciplinary country specific context of a thematic organization and in depth country case studies of culture and economics of scholarship and pedagogy No other textbook draws on such a diverse range of scholarly literature to help students understand the ins and outs of politics in Latin America today The insightful historical background in early chapters provides students with a way to think about how the past influences the present However while history plays a part in this text comparative politics is the primary focus explaining through detailed case studies and carefully paced analysis such concepts as democratic breakdown and transition formal and informal institutions the rule of law and the impact of globalization Concepts and theories from comparative politics are well integrated into country specific narratives and vice versa leading to a richer understanding of both Several important pedagogical aids foster student learning Learning objectives at the start of every chapter Learning checkpoints interspersed in chapters to ensure comprehension Bolded key terms focus attention on important concepts Glossary at the end of the book provides a useful reference Discussion questions at the end of each chapter Integrated case studies on most countries in the region A companion website with practice quizzes and other useful study aids

Portugal

Since the 2008 Economic Crisis António Costa Pinto,2023-05-11 Portuguese democracy is now celebrating its 50th anniversary Portugal joined the European Union EU in 1986 but the enduring legacies of the country s transition process from authoritarianism to democracy became apparent during the European sovereign debt crisis when Portugal experienced its third bailout since the institutionalization of democratic government Although the first decade after EU accession was one of slight growth and investment Portugal s economy has in effect been performing poorly since the beginning of the 21st century Among the major changes in Portuga as in much of Southern Europe as a result of the great recession was the emergence of important new actors including populist parties new social movements and the polarization of attitudes toward the EU In some of these areas the phrase with the exception of Portugal was always present This book explores the factors that might explain why this is no longer the case presenting a global overview with an interdisciplinary focus of the processes of economic social and political changes in Portuguese democracy since the 2008 economic crisis The volume is accessible to a broad academic audience with chapters examining economic political social and foreign policy issues for scholars

interested in an analysis of Portugal's emergence from the economic crisis *Globalization, Universities and Issues of Sustainable Human Development* Jean Larson Pyle, Robert Forrant, 2002-01-01 This volume raises an important question Given the fast changing global economy and the challenges it presents what is the role for the university as an institution promoting sustainable human development The editors begin by outlining the changes associated with the recent wave of globalization particularly transformations in the relative power of institutions internationally They analyze the constraints universities face in industrialized and developing countries in promoting sustainable human development **The Technocratic Challenge to Democracy** Eri Bertsou, Daniele Caramani, 2020-03-09 This book represents the first comprehensive study of how technocracy currently challenges representative democracy and asks how technocratic politics undermines democratic legitimacy How strong is its challenge to democratic institutions The book offers a solid theory and conceptualization of technocratic politics and the technocratic challenge is analyzed empirically at all levels of the national and supra national institutions and actors such as cabinets parties the EU independent bodies central banks and direct democratic campaigns in a comparative and policy perspective It takes an in depth analysis addressing elitism meritocracy de politicization efficiency neutrality reliance on science and distrust toward party politics and ideologies and their impact when pitched against democratic responsiveness accountability citizens input and pluralist competition In the current crisis of democracy this book assesses the effects of the technocratic critique against representative institutions which are perceived to be unable to deal with complex and global problems It analyzes demands for competent and responsible policy making in combination with the simultaneous populist resistance to experts The book will be of key interest to scholars and students of comparative politics political theory policy analysis multi level governance as well as practitioners working in bureaucracies media think tanks and policy making **The Oxford Handbook of Expertise and Democratic Politics** Gil Eyal, Thomas Medvetz, 2023 In *The Oxford Handbook of Expertise and Democratic Politics* Gil Eyal and Thomas Medvetz have brought together a broad group of scholars who have engaged substantively and theoretically with debates regarding the nature of expertise and the social roles of experts to examines these areas within sociology and allied disciplines The analyses take an historical and relational approach to the topic and are motivated by the sense that growing mistrust in experts represents a danger to democratic politics today Bringing together investigations from social scientists philosophers and legal scholars into the political dimensions of expertise this Handbook connects interdisciplinary work done in science and technology studies with the more classic concerns topics and concepts of sociologists of professions and intellectuals

Democratic Institutions in Guatemala Omar Sanchez-Sibony, 2024-12-20 *Democratic Institutions in Guatemala Theory and Practice* advances knowledge about Guatemala's democracy by embedding the country in recent conceptual and theoretical work in comparative politics This volume sheds light upon the stubborn realities and challenges afflicting Guatemalan democracy during the post Peace Accords era Each chapter delves into the main democratic institutions informal practices

and players shaping the operative political game elections Congress the Judiciary the high courts presidentialism criminal actors political parties the political left and political right and the peak business association CACIF This book seeks to escape the perils of parochialism by placing the country within larger scholarly debates and paradigms The Right in Latin America Barry Cannon, 2016-04-14 Most current analysis on Latin American politics has been directed at examining the shift to the left in the region Very little attention however has been paid to the reactions of the right to this phenomenon What kind of discursive policy and strategic responses have emerged among the right in Latin America as a result of this historic turn to the left Have there been any shifts in attitudes to inequality and poverty as a result of the successes of the left in those areas How has the right responded strategically to regain the political initiative from the left And what implications might such responses have for democracy in the region The Right in Latin America seeks to provide answers to these questions while helping to fill a gap in the literature on contemporary Latin American politics Unlike previous studies Barry Cannon's book does not simply concentrate on party political responses to the contemporary challenges for the right in the region Rather he uses a wider more comprehensive theoretical framework grounded in political sociology in recognition of the deep social roots of the right among Latin America's elites in a region known for its startling inequalities Using Michael Mann's pioneering work on power he shows how elite dominance in the key areas of the economy ideology the military and in transnational relations has had a profound influence on the political strategies of the Latin American right He shows how left governments especially the more radical ones have threatened elite power in these areas influencing right wing strategic responses as a result These responses he persuasively argues can vary from elections through street protests and media campaigns to military coups depending on the level of perceived threat felt by elites from the left In this way Cannon uncovers the dialectical nature of the left right relationship in contemporary Latin American politics while simultaneously providing pointers as to how the left can respond to the challenge of the right's resurgence in the current context of left retrenchment Cannon's multi faceted inter disciplinary approach including original research among right leaning actors in the region makes the book an essential reference not only for those interested in the contemporary Latin American right but for anyone interested in the region's politics at a critical juncture in its history

If you ally dependence such a referred **Politics Of Expertise In Latin America** book that will give you worth, get the extremely best seller from us currently from several preferred authors. Politics Of Expertise In Latin America Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Politics Of Expertise In Latin America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Politics Of Expertise In Latin America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Politics Of Expertise In Latin America free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Politics Of Expertise In Latin America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Politics Of Expertise In Latin America any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Politics Of Expertise In Latin America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
