Anderson, Isabelle Schulze, 2007-01-04 Comparative analysis of pension systems in the EU 15 countries and Switzerland Gives an overview of the political institutions and party systems and traces the proposed and enacted pension reforms since the 1980s

European and North American Policy Change Giliberto Capano, Michael Howlett, 2009-12-16 Provides a detailed examination of policy change with European and American case studies on welfare reform education reform the World Bank tobacco control policy energy policy agricultural policy pension reform and the impact of public opinion

The Politics of Welfare State Reform in Continental Europe Silja Häusermann, 2010-03-15 This book demonstrates that political exchange and coalition building have become the key ingredients for continental European pension reform

Pension Reform in Europe Camila Arza, Martin Kohli, 2007-08-07 This new book provides a cross country comparative analysis of the key issues shaping the latest pension reforms in Europe political games welfare models and pathways population reactions and observed and expected outcomes Pension reform has been a top policy priority for European governments in the last decade Ageing populations changing labour market patterns and the process of European integration are the irresistible forces pushing for reform throughout the region The Political Economy of Pension Reform evaluates the political forces that make pension reform viable in different national and institutional contexts and the nature of political bargains actors and cleavages surrounding policy change The volume also examines the nature and outcomes of pension reform experiences in Europe searching for a solution to the financial challenge posed by growing pension budgets By addressing the nature of change the pathways of reform and the outcomes of the new pension mix in the region the authors conclude with an analysis of people s perceptions and attitudes towards pension policy and their acceptance or otherwise of different reform options This book will be of interest to students and scholars of international political economy European politics and social policy

Pension Reform in Europe Robert Holzmann, Mitchell Alexander Orenstein, Michal Rutkowski, 2003 The need for pension reform is an increasingly important issue on the economic reform agenda of most European countries although there has been considerable variation in the approaches adopted This publication contains a selection of papers from leading scholars and practitioners in the fields of economics and political science which seek to provide an insight into the process and progress of European pension reform and to highlight areas for further research

The Politics of Work-Family Policy Reforms in Germany and Italy Agnes Blome, 2016-11-25 One of the fundamental challenges facing modern welfare states is the question of work family reconciliation An increasing share of mothers work but many European welfare states do not adequately support the dual earner model especially in southern Europe After 2005 German policy makers transformed the nature of Germany s family policy regime through a number of

legislative measures whilst Italy a country with many similarities witnessed little change Using a multi methods approach this book addresses the puzzle of why Germany was able to implement far reaching reforms in this policy area after a long impasse and Italy was not As such it delivers a broad systematic account of these reforms and sheds light on why similar reforms were not also adopted in other similar welfare states at the same time More generally it contributes to understanding the determinants of welfare policy change in modern European welfare states This text will be of key interest to scholars students and professionals working on topics linked to European politics welfare and work family policies comparative politics social policy and more broadly to political science and gender studies

The Politics of the New Welfare State Giuliano Bonoli, David Natali, 2012-10-04 In The Politics of the New Welfare State the main reforms in work and welfare are summarized and analyzed to provide up dated evidence of policy change and its main determinants to policymakers researchers and stakeholders interested in the field

The Oxford Handbook of the Welfare State Daniel Béland, Kimberly J. Morgan, Herbert Obinger, Christopher Pierson, 2021-10-27 This is the comprehensively revised second edition of a volume that was welcomed at its first appearance as the most authoritative survey and critique of the welfare state yet published Its fifty one chapters have been written by acknowledged experts in the field from across Europe Australia and North America Some chapters are brand new all have been systematically revised and they are right up to date The first seven sections of the book cover the themes of Ethics History Approaches Inputs and Actors Policies Policy Outcomes and Worlds of Welfare A final chapter is devoted to the future of welfare and well being under the imperatives of climate change Every chapter is written in a way that is both comprehensive and succinct introducing the novice reader to the essentials of what is going on while providing new insights for the more experienced researcher Wherever appropriate the handbook brings the very latest empirical evidence to bear It is a book that is thoroughly comparative in every way The Oxford Handbook of the Welfare State second edition is a comprehensible and comprehensive survey of everything that it is important to know about the welfare state in these troubled times It is an indispensable source for everyone who wants to know what is really going on now and what is likely to happen next

Current Debates in Labour Economics & Industrial Relations Çağatay Edgücan Şahin, Arzu Özsoy Özmen), 2018 As the outcome of the 7th International Congress the papers in this Volume cover a wide range of topics related to the main theme of the conference titled Current Debates in Social Sciences and basically focus on labor economics and industrial relations In this context the articles in the book draw attention to the different aspects of labor markets such as migration agricultural workers child workers cooperatives seafarers poverty social assistance social dialogue emotional labor labor and discipline pensions and ethical leadership Both theoretical and empirical papers deal with the issues regarding labor market of Turkey We believe that these papers will contribute to the development of debates in labor economics and industrial relations and encourage interdisciplinary approaches

Welfare State Futures Giuliano Bonoli, 2001-05-03 The welfare state is in hard times according to today s

consensus The deterioration of exceptional economic performance the basis for the Golden Age of welfare capitalism seems irreversible This has slowed down welfare state expansion and radically shifted the ground for discussion on the future of the welfare state This volume takes stock of the state of the welfare state How can we build a theory of the welfare state How did the post World War II welfare state relate to economic development How do welfare states change How did the reforms of pension systems a key welfare state sector develop in OECD countries How did the most developed Nordic welfare state fare How viable are today s advanced welfare states in the international economy How may we recast the European welfare states for the twenty first century

The Origins of Active Social Policy Giuliano Bonoli,2013-03-28 The Origins of Active Social Policy using both qualitative and quantitative analysis examines why most western European countries have reoriented their welfare states away from income protection and in the direction of employment promotion

New Contractualism in European Welfare State Policies Rune Ervik,Nanna Kildal,2016-03-09 The Golden Age of the welfare state in Europe was characterised by a strengthening of social rights as citizens became increasingly protected through the collective provision of income security and social services The oil crisis inflation and high unemployment of the 1970s largely saw the end of welfare expansion with critical voices claiming the welfare state had created an unbalanced focus on the social rights of individuals above their responsibilities as citizens During the 1980s many western countries developed contractual modes of thinking and regulation within welfare policy Contractualism has proved a significant organising principle for public reforms in general and for social policy reforms in particular as it embraces both a way of justifying certain welfare policies and of constructing specific socio legal policy instruments Engaging with both the critique of the welfare state and the subsequent policy responses expert contributors in this book examine contractualism as a discourse comprising principles and justifying ideas and as a legal and social practice Covering the international debate on conditionality they discuss European experiences with active social citizenship ideas and contractualism providing individual case studies and comparisons from a wide range of European countries

Britain's Pensions Crisis Hugh Pemberton,Pat Thane,Noel Whiteside,2006-10-19 British pensions are in crisis This volume explores the past present and future of pensions in Britain Leading experts discuss both the politics and economics of this key area of social policy and consider developments in the systems of other European countries and in North America

Social Development And Social Policy: International Experiences And China's Reform Dongtao Qi,Lijun Yang,2016-10-27 Social policy reforms driven by profound social changes have been a popular and pressing topic worldwide in recent years in both policy and academic circles In this book prominent social policy scholars from Europe North America and Asia discuss the history of social policies compare different social development models and analyze the challenges facing these economies social policy reforms The book provides comprehensive and comparative perspectives and updated data on social development and social policy reforms in the world s major economies and particularly in mainland China

Continuity and Change in the Welfare State Anthony McCashin,2018-10-04 This book

offers an analysis of social security in Ireland from 1981 to 2016 a period of immense economic and social change during which social provisions such as pensions and family benefits were downsized or diluted in many countries It considers whether this important area of welfare state provision in Ireland changed and the extent and pattern of change In the first in depth account of this aspect of social policy In Ireland the book sets the welfare state in a historical and comparative context and reviews the impact of globalisation politics and the financial crash on the scope and generosity of social security The book will be of particular interest to scholars of welfare state politics and comparative social policy as well as to students of Irish social policy

The Politics of Post-Industrial Welfare States Klaus Armingeon, Giuliano Bonoli, 2007-01-24 This new study assesses the welfare state to ask key questions and draw new conclusions about its place in modern society It shows how the welfare states that we have inherited from the early post war years had one main objective to protect the income of the male breadwinner Today however massive social change in particular the shift from industrial to post industrial societies and economies have resulted in new demands being put on welfare states These demands originate from situations that are typical of the new family and labour market structures that have become widespread in western countries since the 1970s and 1980s characterised by the clear prevalence of service employment and by the massive entry of women in the labour market Against this background this book presents a precise and clear definition of new social risks A concept being increasingly used in welfare state literature focuses on the groups that are mostly exposed to new social risks women the young the low skilled in order to study their political behaviour assesses policymaking processes that can lead to successful adaptation It covers key areas such as child care care for elderly people adapting pensions to atypical career patterns active labour market policies and policy making at the EU level This book will be of great interest for all students and scholars of politics sociology and the welfare state in particular

Handbook on the Political Economy of Social Policy Bent Greve, Amílcar Moreira, Minna van Gerven, 2024-05-02 Research in social policy has been greatly influenced by the emergence of modern political economy in the late 1970s The Handbook on the Political Economy of Social Policy offers a systematic yet comprehensive framework for understanding how concepts theoretical standpoints and methodological approaches stemming from political economy have been applied to the study of social policies and models of welfare provision The authors also signpost current developments and discuss their likely impact on future research

Nationalism and Social Policy Daniel Béland, André Lecours, 2008-08-07 Despite the recent proliferation of literature on nationalism and on social policy relatively little has been written to analyse the possible interaction between the two Scholars interested in social citizenship have indirectly dealt with the interaction between national identity and social programs such as the British NHS but they have seldom examined this connection in reference to nationalism Specialists of nationalism rarely mention social policy focusing instead on language culture ethnicity and religion The main objective of this book is to explore the nature of the connection between nationalism and social policy from a comparative and historical perspective At the theoretical level this analysis will

shed new light on a more general issue the relationships between identity formation territorial politics and social policy Although this book refers to the experience of many different countries the main cases are three multinational states that is states featuring strong nationalist movements Canada Qu bec the United Kingdom Scotland and Belgium Flanders The book looks at the interplay between nationalism and social policy at both the state and sub state levels through a detailed comparison between these three cases In its concluding chapter the book brings in cases of mono national states i e France Germany Sweden and the United States to provide broader comparative insight on the meshing of nationalism and social policy The original theoretical framework for this research is built using insight from selected scholarship on nationalism and on the welfare state

Handbook of Public Policy B Guy Peters,Jon Pierre,2006-07-20 The new handbook by Peters and Pierre provides an invaluable addition to the literature It offers new scholars and practitioners a means to navigate many of the complex theoretical and practical issues in contemporary policy analysis Mark Considine University of Melbourne The public policies of governments affect the lives and livelihoods of citizens every day in every country around the world This handbook provides a comprehensive review and guide to the study theory and practice of public policy today Section One Making Policy introduces the policy making process the means by which public policies are formulated adopted and implemented and serves to review the many competing conceptualizations within the field Section Two Substantive Policy Areas focuses on a number of substantive policy areas to consider both diversity and commonalties across different sectoral policy areas Section Three Evaluating Public Policy addresses issues of policy analysis more directly and assesses successes and failures in public policy in an attempt to answer the question what is good policy The concluding chapter considers the different disciplinary contributions to the research and study of public policy both retrospectively and prospectively Drawing contributions from leading academics and policy analysts from around the world the handbook illustrates the changing role of governments vis vis the public and private sector and the different policy actors national and international governmental and non governmental involved in the policy making process It will be an essential companion for all advanced undergraduates graduates academics and practitioners across public policy and public administration public management government and political science
