Julian Ostendorf

Politics Of China The Eras Of Mao And Deng:

The Politics of China Roderick MacFarquhar, 1997-01-13 The essays that make up this volume offer the reader a full introduction to and analysis of the politics of the People's Republic of China from 1949 to the mid 1990s **The Politics of China** Roderick MacFarquhar, 1997-01-13 Bringing together substantial essays by leading scholars this volume offers a comprehensive introduction to and analysis of the politics of the People's Republic of China from 1949 to the mid 1990s The first four chapters are drawn from The Cambridge History of China Volumes 14 and 15 The last two chapters have been written specifically for the second edition Richard Baum's chapter covers the events of the 1980s and Joseph Fewsmith's concluding essay extends the coverage into the 1990s **Chinese Politics from Mao to Deng** Victor C. Falkenheim, 1989

Burying Mao Richard Baum, 2018-06-05 For almost two decades after Mao Zedong's death an epic no holds barred contest was waged in China between orthodox Marxists and reformers With Deng Xiaoping's strong support the reformers ultimately won but they and China paid a heavy price Here Richard Baum provides a lively comprehensive guide to the intricate theater of post Mao Chinese politics He tells the intriguing story of an escalating intergenerational clash of ideas and values between the aging revolutionaries of the Maoist era and their younger more pragmatic successors Baum deftly analyzes the anatomy of the reformers ultimate victory in his brilliant reconstruction of the twists and turns of the reform process **Politics in China** William A. Joseph, 2010 Sixty years ago China was one of the poorest countries in the world populated mostly by rural peasants and still suffering from more than a century of internal turmoil and international humiliation Today China is a rapidly modernizing economic dynamo with growing global influence Politics in China is an authoritative introduction to how this transformation occurred and how China is governed today Written by an international team of highly regarded China scholars each chapter offers an accessible overview of a key topic in Chinese politics The opening section provides readers with a firm grounding in China's modern political history from the fall of the last imperial dynasty through era of communist rule under Mao Zedong Deng Xiaoping and their successors The next section covers the political system with chapters on Communist Party ideology the structure of the political system and the policies behind the country's spectacular economic performance The book then focuses on several major issues in China today politics in the countryside and the cities the arts the environment public health and population policy The final chapters cover politics in four important areas located on China's geographic periphery Tibet Xinjiang Hong Kong and Taiwan Comprehensive and fully up to date in its coverage Politics in China is essential not only for students studying contemporary China but for any reader interested in learning how this rising power has evolved in recent times and the workings of its current political system **The Nature of Chinese Politics: From Mao to Jiang** Jonathan Unger, 2016-09-16 This book describes and analyzes how politics among the Chinese leadership has operated and evolved from the period of Mao's court up to the present day Part I explores politics under Mao and Deng For this section the five leading western analysts of elite Chinese

politics Lowell Dittmer Lucian Pye Frederick Teiwes Andrew Nathan and Tsou Tang have contributed major papers that measure the empirical evidence against political science theory recent Chinese history and Chinese political culture Part II explores and analyzes the ongoing changes in Chinese politics during Jiang s tenure and includes analyzes by almost all the leading English language scholars in the field

The End of the Maoist Era: Chinese Politics During the Twilight of the Cultural Revolution, 1972-1976 Frederick C Teiwes, Warren Sun, 2014-12-18 This book launches an ambitious reexamination of the elite politics behind one of the most remarkable transformations in the late twentieth century As the first part of a new interpretation of the evolution of Chinese politics during the years 1972-82 it provides a detailed study of the end of the Maoist era demonstrating Mao s continuing dominance even as his ability to control events ebbed away The tensions within the gang of four the different treatment of Zhou Enlai and Deng Xiaoping and the largely unexamined role of younger radicals are analyzed to reveal a view of the dynamic of elite politics that is at odds with accepted scholarship The authors draw upon newly available documentary sources and extensive interviews with Chinese participants and historians to develop their challenging interpretation of one of the most poorly understood periods in the history of the People s Republic of China

The Politics of the Core Leader in China Xuezhong Guo, 2019-05-09 This is the first full length scholarly study of the Chinese core leader and his role in the Chinese Communist Party s elite politics

Chinese Politics in the Xi Jinping Era Cheng Li, 2016-10-18 Chinese politics are at a crossroads as President Xi Jinping amasses personal power and tests the constraints of collective leadership In the years since he became general secretary of the Chinese Communist Party in 2012 Xi Jinping has surprised many people in China and around the world with his bold anti corruption campaign and his aggressive consolidation of power Given these new developments we must rethink how we analyze Chinese politics an urgent task as China now has more influence on the global economy and regional security than at any other time in modern history Chinese Politics in the Xi Jinping Era examines how the structure and dynamics of party leadership have evolved since the late 1990s and argues that inner party democracy the concept of collective leadership that emphasizes deal making based on accepted rules and norms may pave the way for greater transformation within China s political system Xi s legacy will largely depend on whether he encourages or obstructs this trend of political institutionalization in the governance of the world s most populous and increasingly pluralistic country Cheng Li also addresses the recruitment and composition of the political elite a central concern in Chinese politics China analysts will benefit from the meticulously detailed biographical information of the 376 members of the 18th Central Committee including tables and charts detailing their family background education occupation career patterns and mentor patron ties

Reform, Legitimacy And Dilemmas: China's Politics And Society Gungwu Wang, Yongnian Zheng, 2001-02-06 How has China s post Deng leadership governed the country How have the changing social and political environments shifted the bases of political legitimacy What strategies has Jiang Zemin adopted to cope with new circumstances in order to strengthen his leadership What are the challenges these new reform measures

have generated for the leadership And how have domestic concerns constrained the leadership's intention in China's foreign relations These are some of the questions which this volume attempts to address The authors agree that Jiang Zemin is not a man without any political initiative He has struggled to establish his own style of leadership and to strengthen the legitimacy of his leadership by setting forth new rules and institutions for political games and by finding new measures to cope with new challenges This collection of articles shows the success Jiang and his colleagues have had in strengthening their leadership how the different reform measures have strengthened Jiang's rule and how the ongoing reform has created new challenges for his regime

Handbook of the Politics of China David S.G. Goodman, 2015-11-27 The Handbook of the Politics of China is a comprehensive resource introducing readers to the very latest in research on Chinese politics David Goodman provides an introduction to the key structures and issues providing the foundations on which later learning can be built Including a comprehensive bibliography it is an ideal reference work for undergraduate and postgraduate students and academics The Handbook contains four sections of new and original research dealing with leadership and institutions public policy political economy and social change and international relations Each of the 26 chapters has been written by a leading internationally established authority in the field and each reviews the literature on the topic and presents the latest findings of research Presenting the state of the art of the field this reader oriented Handbook is an essential primer for the study of China's politics

The Statesman's Yearbook 2000 B. Turner, 2016-12-28 For the last 136 years The Statesman's Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The appointment of the new editor only the seventh in 136 years brought enhancements to the 1998-99 edition and these are continued in the 2000 edition Internet usage figures are included Specially commissioned essays from major political and academic figures supplement country entries in areas of major upheaval and change A fold out colour section provides a political world map and flags for the 191 countries of the world The task of monitoring the pattern or flow of world change is never ending However the annual publication of The Statesman's Yearbook gives all the information needed in one easily digestible single volume It will save hours of research and cross referencing between different sources A prestigious and popular book The Statesman's Yearbook is updated every 12 months In a world of continual change The Statesman's Yearbook is a necessary annual purchase

China's Leaders David Shambaugh, 2021-06-25 Since the founding of the People's Republic of China over 70 years ago five paramount leaders have shaped the fates and fortunes of the nation and the ruling Chinese Communist Party Mao Zedong Deng Xiaoping Jiang Zemin Hu Jintao and Xi Jinping Under their leaderships China has undergone an extraordinary transformation from an undeveloped and insular country to a comprehensive world power In this definitive study renowned Sinologist David Shambaugh offers a refreshing account of China's dramatic post revolutionary history through the prism of those who ruled it Exploring the persona formative socialization psychology and professional experiences of each leader Shambaugh shows how their

differing leadership styles and tactics of rule shaped China domestically and internationally Mao was a populist tyrant Deng a pragmatic Leninist Jiang a bureaucratic politician Hu a technocratic apparatchik and Xi a modern emperor Covering the full scope of these leaders personalities and power this is an illuminating guide to China's modern history and understanding how China has become the superpower of today Also available as an audiobook **Politics in China** William A. Joseph, 2024

A comprehensive and authoritative introduction to China's political history contemporary political system and key policy areas such as the environment population management and public health Politics in China is an authoritative introduction to how the world's second most populous nation and rapidly rising global power is governed today Written by leading China scholars each chapter offers an accessible overview of a key topic in Chinese politics The opening section provides readers with a firm grounding in China's modern political history covering the decline and fall of the last imperial dynasty and the rise to power of the Chinese Communist Party CCP and the radicalism of the era of Mao Zedong 1949-76 the dramatic economic reforms carried out by Deng Xiaoping and his disciples 1978 to 2012 and the era of Xi Jinping 2012 present who has consolidated more personal power than any CCP leader since Mao The next section sets the framework of politics in the People's Republic of China PRC with chapters on the ideology of the CCP the structure and dynamics of the political system the role of law and legal reform and the policies behind the country's spectacular economic transformation The book then shifts to a discussion of a series of major political issues in China today reform and resistance in the countryside changes and challenges in the cities the arts and culture the environment and climate change public health population policy and internet politics The final chapters of the book covers politics in four important areas located on China's geographic periphery Tibet Xinjiang Hong Kong and Taiwan The fourth edition of Politics in China has been thoroughly updated and includes a new chapter on the rise and rule of Xi Jinping It is essential reading not only for students studying the PRC but also for any reader interested in learning how China has evolved in recent times how its political system works and about the most important challenges it faces in years ahead **Continuities Between Mao Zedong's China and Deng Xiaoping's China** Julian Ostendorf, 2011-07

Essay from the year 2011 in the subject History Asia grade 2.0 University of Warwick Department of History course China since 1900 language English abstract Das Essay untersucht die politische Entwicklung Chinas seit Gründung der PRC unter Mao Zedong bis zur Öffnung Chinas und seiner Modernisierung unter Deng Xiaoping Dazu werden die Rolle des Staates bzw der Kommunistischen Partei die zentrale Frage der Wirtschaftspolitik sowie die Rolle Chinas in den internationalen Beziehungen und seine Strategie in einer sich ändernden weltpolitischen Lage untersucht **Politics in China Since 1949** Robert Weatherley, 2007-01-24

Since the victory of the 1949 revolution the incumbency of the Chinese Communist Party has been characterized by an almost relentless struggle to legitimize its monopoly on political power During the Mao era attempts to derive legitimacy focused primarily on mass participation in political affairs a blend of Marxist and nationalist ideology and the charismatic authority of Mao Zedong The dramatic failure of the Cultural Revolution

forced the post Mao leadership to discard these discredited paradigms of legitimacy and move towards an almost exclusively performance based concept founded on market economic reform The reforms during the 1980s generated a number of unwelcome but inevitable side effects such as official corruption high unemployment and significant socio economic inequality These factors culminated ultimately in the 1989 demonstrations in Tiananmen Square and throughout China Since Tiananmen the party has sought to diversify the basis of its legitimacy by adhering more closely to constitutional procedures in decision making and to a certain extent by reinventing itself as a conservative nationalist party This probing study of post communist revolution Chinese politics sets out to discover if there is a plausible alternative to the electoral mode or if legitimacy is the exclusive domain of the multi party system

China in the Era of Deng Xiaoping: A Decade of Reform

M.Y.M. Kau, Susan H. Marsh, Michael Ying-mao Kau, 2016-09-16 This is a reference on the ten years 1978 to 1987 of Deng Xiaoping's power in China It also offers the views of Sinologists of the time The concluding section examines policy implications arising from Deng's rule for the four great East Asian powers

Burying Mao Richard Baum, Princeton University Press, 1996

China's Elite Politics: Governance And Democratization Zhiyue Bo, 2010-02-03 A sequel to the author's trailblazer *China's Elite Politics Political Transition and Power Balancing* published by World Scientific in 2007 this book tackles the issue of governance in China It provides up to date information on China's political elites and evaluates their ability to deal with crises through four case studies Snowstorm in the South the Tibet issue the Sichuan Earthquake and the Beijing 2008 Olympic Games Along with *China's Elite Politics Political Transition and Power Balancing* this book provides rich empirical information on and insightful theoretical understanding of national level politics in China and serves as a good reference source for students of Chinese politics

Politics Of China The Eras Of Mao And Deng Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Politics Of China The Eras Of Mao And Deng PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Politics Of China The Eras Of Mao And Deng PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Politics Of China The Eras Of Mao And Deng free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Politics Of China The Eras Of Mao And Deng Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
