Politics Of Nationhood Sovereignty Britishness And Conservative Politics:

The Politics of Nationhood P. Lynch, 1999-01-13 For over a century the Conservative Party has been identified as the patriotic party defending the nation state and British identity Thatcherism sought to rework the Conservative politics of nationhood in the light of changed circumstances but the Thatcher and Major Governments faced significant problems managing the Union European integration and a multicultural society Philip Lynch examines the key developments and statecraft problems in the conservative politics of nationhood during the Thatcher and Major period **The British Conservative Party and One Nation Politics** David Seawright, 2011-12-22 Won the 2011 Prize for best publication on Conservatives and Conservatism awarded by the specialist group Conservatives and Conservatism of the UK Political Studies Association *The politics of Englishness* Arthur Aughey, 2013-07-19 The politics of Englishness provides a digest of the debates about England and Englishness and a unique perspective on those debates Not only does the book provide readers with ready access to and interpretation of the significant literature on the English Question it also enables them to make sense of the political historical and cultural factors which constitute that question The book addresses the condition of England in three interrelated parts The first looks at traditional narratives of the English polity and reads them as variations of a legend of political Englishness of England as the exemplary exception exceptional in its constitutional tradition and exemplary in its political stability The second considers how the decay of that legend has encouraged anxieties about English political identity and about how English identity can be recognised within the new complexity of British governance The third revisits these narratives and anxieties examining them in terms of actual and metaphorical locations of Englishness the regional the European and the British **History, Historians, and Conservatism in Britain and America** Reba Soffer, 2009 Reba Soffer examines the subjects motives and origins of conservative historians who were also successful public intellectuals Providing a comprehensive account of the content context and consequences of conservative ideas Soffer explains their dominance in Britain and marginalization in America until the Reagan ascendancy *Principles and Politics in Contemporary Britain* Mark Garnett, 2013-10-28 This book shows the importance of political ideas in policy making and demonstrates the extent to which pragmatic considerations preclude the imposition of rigid ideological programmes It charts the decline of the postwar British consensus the changing face of both the Conservative and Labour parties under the long shadow of Thatcherism and the growing emergence of single issue policies such as environmentalism and feminism With an extensive bibliography and suggested seminar and essay topics Principles and Politics can be used on any course which focuses on contemporary British politics as well as having general appeal to those interested in looking at the contemporary political and ideological debate in the context of wider issues and trends This second edition is completely revised and updated **The Political Thought of the Conservative Party since 1945** K. Hickson, 2005-04-01 The Conservative Party is usually seen as being non ideological This book is the first comprehensive treatment of the political thought of the

Conservative Party examining the major elements of Conservative thinking since 1945 cross cutting thematic issues and commentaries from leading politicians and journalists The book is essential for anyone interested in the history and future of the Party *The Foreign Policy Discourse in the United Kingdom and the United States in the "New World Order"* Lori Maguire, 2009-01-14 The goal of this book is to examine some of the major foreign policy debates in the United Kingdom and the United States in the period from 1992 to 2008 from the end of the Cold War and the aftermath of the first Gulf War to the 2008 American presidential election The first President Bush spoke in 1991 of a new world order which seemed to mean an American hegemony The United States was now the world's only superpower although a superpower afflicted with weaknesses especially economic ones But by 2008 the new world order did not seem so new or so strongly American The period saw the terrorist attacks against the U S of 11 September 2001 military problems for the superpower in Afghanistan and Iraq and by the summer of 2008 near economic collapse In all of these developments Britain shared to a lesser or a greater extent It is hoped that this book will shed an important light both on each nation and on the so called special relationship between the two Furthermore this book is also not specifically concerned with policy or how policy is made but with the debate around policy and the rhetoric used to present different points of view The Special Relationship between the US and Britain remains an enigmatic ever changing but still very powerful factor in world politics As an examination of their foreign policy discourses reveals from the perspective of culture and values few Western countries are as different as the United Kingdom and the US With very few exceptions the foreign policies of Gladstone and Tony Blair and Chruchillian rhetoric unmatched by his supremely realpolitical politics British governments abhor talking about values and ideals The British cultural peculiarity is to dismiss ideology and values as packaging only to be caught by surprise time and again that they cannot do business with Herr Hitler or that people kill each other for their values religions constructed identities and ideologies Most American governments by contrast have had ideological and moral crusades embroidered on their banners in their foreign policy There is a convergence with Britain when both proclaim that all they are doing is in their self interest but the Americans unashamedly assume that what is good for America is good for the world while the British discourse with the UK's decline since 1945 rarely goes that far As an analysis of their discourses reveals the Special Relationship is thus clearly founded on something either deeper or more superficial than shared culture or values this volume sheds light on this surprising fact in most illuminating ways and Lori Maguire's achievement in bringing together these examinations is praiseworthy indeed Prof Beatrice Heuser University of Reading *Liberalism Versus Conservatism* François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The

search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author **Britishness Since 1870** Paul Ward,2004 Thematically organized this book examines the forces that have contributed to a sense of Britishness and how this has been mediated by other identities such as class gender region ethnicity and the sense of belonging to the UK and Ireland *Thatcherism in the 21st Century* Antony Mullen,Stephen Farrall,David Jeffery,2020-07-24 This collection examines the social and cultural legacy of Thatcherism in the 21st century Drawing upon perspectives from a range of disciplines it considers how Thatcherism manifests itself today and how we can assess its long term impact The book is divided into four sections which offer different ways of conceptualising and addressing questions of legacy the ideological impact of Thatcherism on the Conservative Party and on the country the long term impact of Thatcherism across different parts of the UK how Thatcherism has altered social attitudes to everything from welfare spending to Europe and how popular historical accounts of Thatcherism have become embedded in different parts of contemporary British culture The essays in this volume draw upon newly available archival materials oral histories social attitudes surveys and parliamentary debates to provide a well rounded perspective on Thatcherism today **British Party Politics and Ideology after New Labour** S. Griffiths,K. Hickson,2009-11-18 British Party Politics and Ideology after New Labour brings together academics and politicians to debate the intellectual roots of the ideas that currently drive the main UK political parties With major players responding to the arguments raised in each chapter the book will be a must read for anyone interested in or teaching British politics **The Conservative Party and the nation** Arthur Aughey,2018-04-03 This book re examines the claim of the Conservative Party to be the national party and in its politics to express the enduring national interest It explores the historical character of the Conservative Party in particular the significance of the nation in its self understanding It addresses the political culture of the modern party one which proclaims a Unionist vocation but rests mainly on English support and considers how the Englishness of the party is reconciled with the politics of British statecraft It considers the constitutional challenges which the Conservative Party faces in managing a changing Union in negotiating a changing Europe and in defining a changing national interest The book is essential reading not only for students and scholars of the Conservative Party but also for those who want to make sense of the transformations taking place in modern British politics **The Cambridge Constitutional History of the United Kingdom: Volume 2, The Changing Constitution** Peter Cane,H. Kumarasingham,2023-08-17 Featuring contributions from leading scholars of history law and politics this path breaking work traces the development of the United Kingdom s constitution from Anglo Saxon times and explores its role in the creation exercise and control of public power Essays in Volume Two entitled The Changing Constitution examine the development of the constitution from the departure of the Romans up to the present day and beyond Together the two volumes form the first

wide ranging history of the constitution to be published for more than 50 years By its cross disciplinary approach taking account of the latest legal political and historical scholarship on the constitution it fills a large gap in the literature of the constitution and in political thought and British history

Enoch Powell Paul Corthorn,2019 Best known for his notorious Rivers of Blood speech in 1968 and his outspoken opposition to immigration Enoch Powell was one of the most controversial figures in British political life in the second half of the twentieth century and a formative influence on what came to be known as Thatcherism Telling the story of Powell s political life from the 1950s onwards Paul Corthorn s intellectual biography goes beyond a fixation on the Rivers of Blood speech to bring us a man who thought deeply about and often took highly unusual and sometimes apparently contradictory positions on the central political debates of the post 1945 era rejecting the Cold War emphasis on the Anglo American relationship and at one stage going so far as to advocate the idea of an alliance with the Soviet Union promoting free market economics long before it was fashionable while remaining a staunch defender of the National Health Service vehemently opposing British membership of the European Community arguing for the closer integration of Northern Ireland with the rest of the UK and in the 1980s supporting unilateral nuclear disarmament In the process Powell emerges as more than just a deeply divisive figure but as a seminal political intellectual of his time Paying particular attention to the revealing inconsistencies in Powell s thought and the significant ways in which his thinking changed over time Corthorn argues that Powell s diverse campaigns can nonetheless still be understood as a coherent whole if viewed as part of a long running and wide ranging debate set against the backdrop of the long term decline in Britain s international military and economic position in the decades after 1945

European Societies, Migration, and the Law Moritz Jesse,2021 Looks at immigration and asylum legislation and policies in Europe to investigate how immigrants are othered by them

Shadows of Empire Michael Kenny,Nick Pearce,2018-05-04 The idea of an alliance between Britain and its old Commonwealth colonies has recently made a remarkable comeback in the context of Brexit Based on belief in a special bond between the English speaking peoples of the UK the USA Canada Australia and New Zealand it has been dubbed the Anglosphere by supporters and Empire 2 0 by critics In this book leading commentators Michael Kenny and Nick Pearce trace the historical origins of this idea back to the shadow cast by the British Empire in the late Victorian era They show how leading British political figures from Churchill to Thatcher consistently reworked it and how it was revived by a group of right wing politicians historians and pamphleteers to support the case for Brexit They argue that while the contemporary idea of the Anglosphere as an alternative to European Union membership is seriously flawed it nonetheless represents an enduring account of Britain s role in the world that runs through the heart of political life over the last century Shadows of Empire will be essential reading for everyone interested in British politics and post Brexit foreign policy

The Conservatives in crisis Mark Garnett,Philip Lynch,2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license The Conservative Party s survival as a significant political force was now

open to serious question for the first time since the crisis over the Corn Laws The Labour Party has commanded a fairly consistent level of attention whether in office or in opposition But it seems that the Conservatives are fated to be regarded either as unavoidable or irrelevant This book presents an analysis that suggests that the party leader plays a less important role in Conservative recoveries than a distinctive policy programme and an effective party organization It examines the Conservative position on a series of key issues highlighting the difficult dilemmas which confronted the party after 1997 notably on economic policy New Labour's acceptance of much of the main thrust of Thatcherite economic policy threw the Conservatives off balance The pragmatism of this new position and the In Europe not run by Europe platform masked a significant move towards Euro skepticism The book also traces how the Scottish Conservative and Unionist Parties adapted to the creation of the Scottish Parliament exploring the re organisation of the Scottish party its electoral fortunes and political prospects in the new Scottish politics It examines issues of identity and nationhood in Conservative politics in the 1997-2001 period focusing on the English Question and the politics of race The predictable results of the Conservatives failure to develop an attractive consistent narrative are then analysed Right wing populist parties with charismatic leaders enjoyed some electoral success under the proportional representation systems in 2002

Monumental Conflicts Derek R. Mallett, 2017-11-13 Monumental Conflicts examines 20th century wars from the First World War to the First Gulf War each chapter analyzing how public memory has evolved over time The chapters raise fascinating questions about war and memory Why are wars remembered as they are What factors drive changes in public perception What implications arise from remembering and commemorating a war or particular aspects of a war What does public memory of a war say about us as a society The volume is divided into three sections focusing on political evolution negotiated memories of war and national pride and covers international wars from Afghanistan to Vietnam and German deserter monuments to Vietnamese war tourism

Re-energizing Ideology Studies Michael Freeden, 2018-12-07 Ideology studies have undergone significant growth over the past couple of decades The scope of the discipline has been extensively broadened to include not only text and discourse but emotions imagination fantasy rhetoric and visual forms Its attention to detail and to the micro manifestations of ideology in the everyday have borne considerable fruit particularly at a time of ideological fragmentation and reassembly Its research methods have been refined embracing both conceptual innovation and empirical evidence drawn from many fields of social creativity During that period the *Journal of Political Ideologies* has been a major vehicle of the discipline's advance and coming of age The chapters in this book originally published as two special issues in the *Journal* The book assembles and investigates some of the latest approaches and domains in which cutting edge ideology research is now under way The multiple topics sources and interdisciplinary perspectives it contains illustrate the variety and depth that ideology studies have attained Its subjects range from historical and literary analyses through feminist studies and psycho social interpretations It takes in the new means of dissemination that the digital age has introduced and offers fresh

assessments of the many cross fertilizations possible between ideology research political theory and international studies as traditional ideologies vie with new ideological articulations and forms *Harold Wilson and European Integration* Oliver J. Daddow, 2016-01-20 Harold Wilson's direction of the second British application to join the EEC is ripe for reinterpretation With new and exciting material now available in the Public Record Office and abroad this is an extremely propitious moment to reconsider Wilson's motivations and to contextualise them in light of evidence on foreign policy making contained in the official record

Politics Of Nationhood Sovereignty Britishness And Conservative Politics Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Politics Of Nationhood Sovereignty Britishness And Conservative Politics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Politics Of Nationhood Sovereignty Britishness And Conservative Politics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly

interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Politics Of Nationhood Sovereignty Britishness And Conservative Politics free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Politics Of Nationhood Sovereignty Britishness And Conservative Politics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Politics Of Nationhood Sovereignty Britishness And Conservative Politics any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Politics Of Nationhood Sovereignty Britishness And Conservative Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
