Portrait Of Paul Making Disciples Of All Nations:

A Portrait of Paul David J. Valleskey, 2002-01-01 Explores Paul's life and mission work and applies his missionary methods to present day churches *A Portrait of Paul* James Alexander Findlay, 1936 Portraits of the Church Donald Rhody, 2011-09 To serve the church is as close as we are able to come on this earth to physically serving Christ himself The church is the presence of Christ on earth today I have fallen in love with the church One of the most misunderstood of God's works is what He means to accomplish through His church Why is it that God values His church so much Why is it that He has invested so much in what we often see as an unreliable and self-serving organization Despite the fact that in the church today we see merely a shadow of the promise of what God intends we do have a great deal written in the Bible both about the present state of the church and of its future In *Portraits of the Church* author Donald Rhody explores the present state of the church and how our misunderstanding of what God is doing often causes us to act in ways that do not harmonize with His plan If we would better understand the Lord's ultimate goal for the church we could better serve Him in this work In so doing we will also better see what God is accomplishing and we will be amazed The Portrait of St Paul: or, the true model for Christians and Pastors. Translated by J. Gilpin from a French Manuscript of ... J. W. de la F. ... To which is added, some account of the author by the Rev. J. Gilpin, etc John Fletcher, 1807 *The Portrait of St. Paul; Or the True Model for Christians and Pastors* John Fletcher, 1830 **Jesus, Paul, and the Early Church** Eckhard J. Schnabel, 2018-07-24 This volume contains seventeen essays written by Eckhard J. Schnabel written over the past 25 years The essays focus on the realities of the work of Jesus Paul John and the early church exploring aspects of the history missionary expansion and theology of the early church including lexical ethical and ecclesiological questions Specific subjects discussed include Jesus' silence at his trial the introduction of foreign deities to Athens the understanding of Rom 12:1 Paul's ethics the meaning of baptism in the realities of persecution Christian identity and mission in Revelation and singing and instrumental music in the early church **The Portrait of Saint Paul** John Fletcher, 1804 **Four Portraits, One Jesus Laminated Sheet** Mark L. Strauss, 2019-04-23 This laminated sheet accompanies Mark L. Strauss's *Four Portraits One Jesus* Following the textbook's structure this quick study tool offers summaries important definitions dates and concepts designed to support the student's learning experience and enhance their comprehension of what can be known from the Gospels about the central defining subject of Christianity Jesus of Nazareth *Four Portraits One Jesus* is a thorough yet accessible introduction to the four biblical Gospels and their subject the life and person of Jesus Like different artists rendering the same subject using different styles and points of view the Gospels paint four highly distinctive portraits of the same remarkable Jesus With clarity and insight Mark Strauss illuminates these four books first addressing their nature origin methods for study and historical religious and cultural backgrounds He then moves on to closer study of each narrative and its contribution to our understanding of Jesus investigating things such as plot characters and theme Finally he pulls it all together with a detailed examination of what the

Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels The Portraits of Jesus Christ in the New Testament Henry Sloane Coffin,1925

Theology, Explained and Defended in a Series of Sermons Timothy Dwight,1828 **Versatility of Paul** Robert Banks,2023-03-23 Paul wrote in Ephesians 4 11 that Christ set the Church the role of the apostle prophet evangelist pastor and teacher Volumes have been written about Paul the apostle Much less has been written however about how versatile he was in filling the other roles In this small volume noted author Robert Banks seeks to fill these lacuna In doing so he demonstrates how amazingly gifted and flexible Paul was In the Introduction Banks noted that rather than being a ministry specialist Paul was what we might call a general practitioner His versatility in this area was important as it enabled him to model to his converts the basic forms of ministry that needed to continue after he had moved on Only so with the help of the Spirit would their communities be able to grow to maturity and impact their societies in a distinctive way **Common Grace (Volume 3)** Abraham Kuyper,2020-08-26 God s Gifts for a Fallen World Common Grace is often considered Abraham Kuyper s crowning work an exploration of how God expresses grace even to the unsaved Kuyper firmly believed that though many people in the world will remain unconverted God s grace is still shown to the world as a whole In this third and final volume of Common Grace Kuyper brings his argument to its logical completion by turning to practical implications With detailed explorations on matters of church and state family upbringing and society Kuyper provides practical guidance for all who desire to flourish within the created order a world in which God s grace is generously given to all **After Emmaus** Brian J. Tabb,2021-11-17 The church s mission does not begin with the Great Commission but is integrally related to the grand storyline of Scripture Did the Old Testament simply point to the coming of Christ and his saving work or is there more to the story After his resurrection the Lord Jesus revealed how his suffering glory and mission plan for the nations are in fact central to the biblical story of redemption After Emmaus shows how Christology and missiology are integrally connected throughout Scripture especially in the teaching of Jesus and the apostles Brian Tabb explains what Luke 24 46 47 reveals about God s messianic promises in the Old Testament their fulfillment in the New Testament and the purpose of the church By understanding Jesus s last words to his disciples Christians today will be motivated to participate in the Messiah s mission

Reflexivity in Love A Self-Reflexive Portrait of the Little Flower of Jesus Fr. Emmanuel Javert Nnadozie OCD,2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese s spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God s Word and God s grace hidden in the events of her life The book shows how through self reflexivity and meditation on God s Word she discovered her vocation as love in the heart of the

Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God's grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual's spiritual life in the events of daily life irrespective of their individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese's simple humble and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key

The Conversations of Jesus Simon J. Kistemaker, 2004-10-01 Through Scripture and spoken word Jesus continues to attract millions of followers today In many ways those who seek Christ now differ little from those whose stories we learn in the Gospels Peter Nicodemus Mary the Samaritan leper even Judas Professor Simon J Kistemaker has spent his professional life studying the words and actions of those who spent time with Jesus In *The Conversations of Jesus* he offers a glimpse into the lives of those who were touched by encounters with Jesus Christ Readers will find much in common with these first century people including their feelings of inadequacy confusion and joy at meeting the Savior Ideal for laypersons and pastors *The Conversations of Jesus* helps readers strengthen their walks with Christ as they learn about others who have walked this path before

Missionary Candidate Training Paul Sungro Lee, 2008-11-15 Today the world mission has unprecedentedly become a task of every national churches and believers on earth Missionaries are being sent out from every nations to every nations Strategists have previously noticed that Africa along with East Asia would emerge as the key fulcrum for world missions in the 21st Century 2010 Lausanne Congress held in South Africa proved that to be true Along this path Evangelical Alliance for Preacher Training Commission EAPTC opened their missions training schools in Kenya and South Korea using this book as their training text It was through the efforts of those missionary trainees that their work expanded into over 200 new church plants in 11 countries today This book was put together mainly for Two Thirds World missionary candidates who often find themselves limited with sound missions training opportunities around while the lessons in this manual apply to all who are mission interested Going as a missionary or sending a missionary without proper training is quite reckless The principles of cross cultural mission presented in 11 chapters of this book are field tested nuggets that can certainly equip anyone aspiring for missionary work The training has been scientifically validated effective through research and used in Africa Asia Americas and Oceania This manual is also available in French Spanish Portuguese and Amharic

The Best Love of the Child Timothy P. Jackson, 2011-04-29 Much has been written about the rights owed to children the right to live the right to be nurtured and cared for the right to an ample measure of health and happiness and especially the right to be loved Here twenty scholars from across sociological psychological historical

philosophical theological and legal disciplines argue that the right of children to be loved can best be fulfilled by teaching them how to love others The Best Love of the Child explores and celebrates many aspects of family culture religion and society and fosters a more nuanced understanding of that love which is truly at the heart of a child s best interest love that flows freely not only to children but also from children *Matthew, Disciple and Scribe* Patrick Schreiner,2019-09-03 This fresh look at the Gospel of Matthew highlights the unique contribution that Matthew s rich and multilayered portrait of Jesus makes to understanding the connection between the Old and New Testaments Patrick Schreiner argues that Matthew obeyed the Great Commission by acting as scribe to his teacher Jesus in order to share Jesus s life and work with the world thereby making disciples of future generations The First Gospel presents Jesus s life as the fulfillment of the Old Testament story of Israel and shows how Jesus brings new life in the New Testament *Divine Guidance* Paul K. Moser,2022-10-20 If God exists and is perfectly good God tries to guide people A twofold question then arises How does God try to guide people and to what end Problems of divine guidance for humans according to this volume are real and serious but they are manageable once we clarify the kind of God at issue According to the volume s main thesis if God has a perfect moral character accompanied by certain redemptive purposes for humans the puzzling nature of divine guidance for them need not preclude the reality of such guidance It is this volume contends a live option for God to guide or lead humans toward goodness even if the leading is not fully explainable by humans The voluntary moral attraction of cooperative humans by divine goodness is central to divine guidance and it can illuminate the kind of evidence to be expected from God *The Expositor* Samuel Cox,Sir William Robertson Nicoll,James Moffatt,1881
