River Boylife Along The St John:

Boy's Life of Audubon Mrs. Horace Stebbing Roscoe St. John, 1870 **My Boy Life** John Carroll, 1882 The American Boy's Life of Washington Anna M. Hyde, 1868 In the present volume a clear narrative has been attempted in a very condensed form omitting and avoiding such technical and abstruse expressions as frequently occur in larger works and aiming chiefly to be understood by the boys for whom it has been written In preparing it the writer is largely indebted to the three able biographers above mentioned especially Sparks and Irving to whose full and detailed accounts she refers all those who wish to study the subject more minutely Preface **Boy-life; Its Trial, Its Strength, Its Fulness. Sundays in Wellington College, 1859-1873** Edward White Benson, 1874 **The River Lock** Stephen Haven, 2008-04-17 Pulled between the disparate spheres of homelife with his minister father and the world of sex drugs and violence of his closest friends author Stephen Haven relates his journey of self discovery in this poignant memoir After a fourteen year absence from his home in Amsterdam New York Haven returns to the streets that molded his character Through memories of his adolescence Haven relives his youth in this economically deprived community and explores the values of friendship loyalty and privilege A true bildungsroman The River Lock traces the forging of Haven's identity from the clash of the two worlds of his youth home and street His return to his childhood past allows Haven to understand and describe how his growing understanding of art culture spirituality and class melded to create a man able to live fully in two distinct worlds the foundation of the man he is today **The Story of Grenfell of the Labrador: A Boy's Life of Wilfred T. Grenfell** Dillon Wallace, 2019-12-19 In The Story of Grenfell of the Labrador A Boy's Life of Wilfred T Grenfell Dillon Wallace provides a compelling narrative that chronicles the formative years of the iconic medical missionary Wilfred T Grenfell This biography is not merely a recounting of Grenfell's life it weaves together a rich tapestry of adventure resilience and the profound impact of environmental challenges faced in Labrador during the late 19th and early 20th centuries Wallace's literary style is deeply evocative employing vivid imagery and a personal tone that invites readers into the inhospitable yet breathtaking world of Grenfell emphasizing themes such as dedication to service and the transformative power of one's childhood experiences in shaping future endeavors Dillon Wallace a Canadian author and explorer was profoundly connected to the remote landscapes he wrote about His immersion in the harsh realities of Labrador allowed him to grasp the significance of Grenfell's contributions to healthcare and community well being in one of the most challenging regions of Canada Wallace's own experiences navigating the complexities of wilderness life surely influenced his fervent portrayal of Grenfell's dedication and courage offering a deeply personal lens through which to view this iconic figure I highly recommend The Story of Grenfell of the Labrador to readers interested in biographies medical history or Canadian culture Wallace's exploration of Grenfell's formative years not only illuminates the man behind the mission but also serves as an inspiring testament to the impact one individual can have on the lives of many making it an essential read for anyone intrigued by stories of humanity's resilience
