Long Range Patrol Operations Reconnaissance Combat And Special Operations:

Long-range Patrol Operations James Warren England, 1987-01-01 **Special Bibliography No. 26 on United States Army Special Operations and Low-intensity Conflict, 1940-1986** Claude C. Sturgill, US Army Military History Institute, 1989 **Vietnam Studies - U.S. Army Special Forces 1961-1971** Colonel Francis John Kelly, 2014-08-15

Includes 6 Maps 25 photo illustrations 10 Charts and 8 Tables As long ago as 1957 U S Army Special Forces soldiers were in the Republic of Vietnam going about their business of training advising and assisting members of the Vietnamese Army Despite the old Army witticism about never volunteering for anything the Special Forces soldier is in fact a double volunteer having first volunteered for airborne training and then again for Special Forces training From a very meager beginning but sustained by a strong motivation and confidence in his mission the Special Forces soldier has marched through the Vietnam struggle in superb fashion In 1957 some fifty eight Vietnamese soldiers were given military training by Special Forces troops Ten years later the Special Forces were advising and assisting over 40 000 paramilitary troops along with another 40 000 Regional Forces and Popular Forces soldiers This monograph traces the development and notes the progress problems successes and failures of a unique program undertaken by the U S Army for the first time in its history It is hoped that all the significant lessons learned have been recorded and the many pitfalls of such a program uncovered With the withdrawal of the Special Forces from Vietnam in 1971 the Army could honestly lay claim to a new dimension in ground warfare the organized employment of a paramilitary force in sustained combat against a determined enemy I know I speak for my predecessors and successors in claiming that the 5th Special Forces Group Airborne was the finest collection of professional soldiers ever assembled by the U S Army anywhere anytime **Special Operations Patrol Vehicles** Leigh Neville, 2011-09-20 The patrol vehicles used by Special Operations Forces in Afghanistan and Iraq vary quite dramatically between the theatres as well as amongst the Coalition members and have been developed and upgraded to meet the demands of the deployment Covering all the major Coalition nations Leigh Neville continues his look at the elite forces deployed in Operations Enduring Freedom and Iraqi Freedom with this analysis of their vehicles Tracing the evolution of the vehicle types from their historical precedents through their designs to their operational developments he discusses their advantages and disadvantages along with their tactical employment From the mine protected vehicles used to counter the IED threat in Iraq the use of Strykers as armoured raiding platforms by the US Rangers to the civilian vehicles adapted for military service by both Coalition troops and Private Military Contractors in the regions this book uses rare in theatre photographs and colour artwork to show the variety and inventiveness of the patrol vehicles being used in combat today *Military intelligence* , CMH 60 13 Army Lineage Series By John Patrick Finnegan Lineages compiled by Romana Danysh Presents an organizational history of Military Intelligence in the United States Army from its beginnings to the present Includes the lineages and heraldic items of military intelligence brigades groups and battalions rganized under tables of organization and equipment *U.S. Army*

Counterinsurgency and Contingency Operations Doctrine, 1942-1976 Andrew James Birtle, 2006 CMH Pub 70 98 1 This study examines the nature of counterinsurgency and nation building missions the institutional obstacles inherent in dealing effectively with such operations and the strengths and weaknesses of U S doctrine including the problems that can occur when that doctrine morphs into dogma **U.S. Army Special Forces, 1961-1971** Francis John Kelly, 1973 **U.S. Army counterinsurgency and contingency operations doctrine, 1942-1976 (Paperbound)** Andrew James Birtle, 2006

Military Intelligence John Patrick Finnegan, 1998 CMH 60 13 Army Lineage Series By John Patrick Finnegan Lineages compiled by Romana Danysh Presents an organizational history of Military Intelligence in the United States Army from its beginnings to the present Includes the lineages and heraldic items of military intelligence brigades groups and battalions rganized under tables of organization and equipment U.S. Army Special Forces 1961-1971 Francis John Kelly, 2012-05-29 In 1957 58 Vietnamese soldiers were given military training by Special Forces troops Ten years later green berets were assisting over 40 000 paramilitary troops along with another 40 000 Regional Forces and Popular Forces soldiers This monograph traces the development and notes the progress problems successes and failures of a unique program undertaken by the U S Army for the first time in its history With the withdrawal of the Special Forces from Vietnam in 1971 the Army could lay unique claim to the employment of a paramilitary force in sustained combat against a determined enemy About the author In 1960 Col Kelly chaired the committee which produced the U S Army s first definitive approach to counterinsurgency The Role of the U S Army in the Cold War For two years he commanded the 1st SFG which provided multiple teams for combat in Vietnam From 6 66 to 6 67 he commanded the 5th SFG in Vietnam He led the Combat Development Command Institute for Strategic and Stability Operations Air University Library Index to Military Periodicals , 1987 The Soul of Armies Austin Long, 2016-03-01 For both the United States and United Kingdom counterinsurgency was a serious component of security policy during the Cold War and along with counterterrorism has been the greatest security challenge after September 11 2001 In The Soul of Armies Austin Long compares and contrasts counterinsurgency operations during the Cold War and in recent years by three organizations the US Army the US Marine Corps and the British Army Long argues that the formative experiences of these three organizations as they professionalized in the nineteenth century has produced distinctive organizational cultures that shape operations Combining archival research on counterinsurgency campaigns in Vietnam and Kenya with the author s personal experience as a civilian advisor to the military in Iraq and Afghanistan The Soul of Armies demonstrates that the US Army has persistently conducted counterinsurgency operations in a very different way from either the US Marine Corps or the British Army These differences in conduct have serious consequences affecting the likelihood of success the potential for civilian casualties and collateral damage and the ability to effectively support host nation governments Long concludes counterinsurgency operations are at best only a partial explanation for success or failure United States Marine Reconnaissance in the Vietnam War Leo J.

Daugherty III,2024-03-29 Tracing the history of U S Marine Force and Battalion Reconnaissance from its formation in 1898 through its operations during the Vietnam War 1963 1971 this book provides insight into Force Recon s selection training and deployment Emphasis on actions with the South Vietnamese ARVN highlights important lessons for today s Special Forces community illustrating the inter service cooperation of Recon operations Firsthand accounts of Marines who served are included along with photographs maps and appendices *Forging a Special Operations Force* Dominic

Caraccilo,2015-08-19 Forging a Special Operations Force The U S Army Rangers details the origins and development combat philosophy and key engagements of America s elite fighting force Structured topically the book gives a chronological review of the history of the Ranger from the 17th century to the present day with special attention paid to the establishment of the 1st Ranger Battalion in the post Vietnam era the origins of the elite fighting force that exists today Authored by a lifetime soldier who served in combat with the 75th Ranger Regiment this book is replete with information garnered from dozens of interviews with the individuals who created the initial Ranger Force By integrating the words and firsthand accounts of these founding fathers the work offers insights unavailable elsewhere Additionally the author delves into the unique psyche of the soldiers who volunteer for and are accepted into the ranks of the Rangers **United States Army Aviation Digest** ,1970

Infantry ,1987 **Ranger Training and Ranger Operations** United States. Department of the Army,1962

Espionage Richard Bennett,2012-04-24 The need to defend against terrorist outrages has drawn unprecedented public attention to modern day global espionage from the US government s involvement in the politics of the Middle East Europe and Africa to the surveillance of their own citizens by governments throughout the western world This compelling reference resource contains over 500 entries covering every aspect of modern day intelligence gathering and counter terrorism along with a comprehensive overview of its history Global in scope Espionage focuses in particular on developments in the field of intelligence since the end of the Cold War Governmental failure to foresee recent terrorist attacks against western targets Counter Terrorism including the growth in commercial terrorism Electronic and communications surveillance Illegal activities by the intelligence services from around the world including assassination smuggling and torture Terminology and equipment explained With entries on individual spies politicians and diplomats from the players to the patsies and profiles of the key historical events and scandals from the history of spying Espionage is the ultimate guide for journalists researchers and anyone with an interest in this highly topical controversial and chilling subject **Northern Operations** United States. Department of the Army,1971 **U.S. Marines in Vietnam** Charles Richard Smith,1988 This book was donated as a part of the David H Hugel Collection an archival collection of the Special Collections Archives University of Baltimore
