Longarm And The Angel Of Inferno:

Longarm and the Angel of Inferno Tabor Evans,1996 After rescuing a local beauty from a barroom brawl Longarm finds himself railroaded into jail and sentenced to hard labor in Mexico until the fetching young lady whom he rescued sets out to break him out of the jail Original *Old Times'* Sake James Reasoner,2007-11 **Angel's Inferno** William Hjortsberg,2021-08-03 A 1950s amnesiac and hard boiled detective sets out for revenge in this blend of mystery supernatural horror and metaphysical fiction Private investigator Harry Angel is in a jam Handcuffed in his apartment along with the cops and a corpse he stands accused of violently murdering three people The good news is he knows who did it But in order to exonerate himself Harry must first make his escape and figure out his own identity With the authorities hot on his heels Harry travels from New York and Boston to Paris and the Vatican in search of an elusive stage magician Eventually piecing together his mysterious past he descends into the dark world of the occult And very soon he will have vengeance upon the devil himself A terrifying thriller Angel s Inferno is the long awaited follow up to the Edgar Award nominated noir suspense novel Falling Angel the basis of the film Angel Heart Praise for Falling Angel Terrific One of a kind I ve never read anything remotely like it Stephen King A chilling homage to the hard boiled detective novel of the Raymond Chandler school The New York Times A near perfect book Not since Psycho changed the bathing habits of thousands has a novelist so completely turned conceptions inside out Los Angeles Times **Longarm and the Big Fifty** Tabor Evans,1996 Guarding convict Harmony Drake during a train ride to Colorado where the outlaw is scheduled to hang Longarm begins a fast paced pursuit when his charge escapes a situation that is complicated by the attentions of a beautiful and devious nurse Books in Print ,1991 Books in Print Supplement ,2002 **Forthcoming Books** Rose Arny,1996-06 *Souljastory@itrilla.com* Richard Warren Crosson,2012-08 The year is 2016 in the mist of the great recession hangs like an ominous storm cloud in the backdrop of this story which is told in hindsight through the blogs of a chick named Isis In her sometimes salacious narrative this iTrills com blogger has taken her readers back in time when she was a young crazy sexy cool ride or die type that shamelessly rocked a red flag She knew more computer codes than a Silicon Valley whiz kid Readers of her blog also get a peek into her sizzling hot sexual affair with a devilishly influential guerilla gansta named Soulja leader of the notorious B R M clique and founder of the even more influential iTrilla com Never mind that Isis has a man that worships her like her goddess name She s become a drifting moth attracted to the flame of Soulja ever since she and her boyfriend met him While still in the hands of the Feds Soulja evolved into an informed convict disguised as a blogger Unfortunately for the powers that be he is laced with controversial convictions that has inspired millions Soon after his release into the free world he covertly used his own social networking site to chop it up with other leaders of illicit underground street orgs With them he devises a radical blueprint to destroy every prison plantation in America hoping to create a slavery revolt just like the legend of his hero Nat Turner Of course no plan of this magnitude could ever unravel without a significant glitch *Alex Valentine: Die by*

the Sword C A McGrail, 2024-06-21 The authorities are dead the allies fractured Alex and Ira divided Argon is mortally wounded There is no denying it now they are at war There is no going back any hope of a truce is off the table and Alex is to blame However determined to end the war once and for all one way or another Alex Ira and their allies are forced to cast grievances aside And unfortunately they need Argon In order to destroy the First they need to work together However in order to destroy the First Alex is forced to go further than ever before perhaps too far this time But if the Midnight Children defeat the First what will become of them Is it a chance they must take for the sake of the clans Should they risk their lives and become the sacrifice the prophecy promised Or does Argon have something else in store *Everybody's Magazine*, 1912
