Sequels Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series [The Enduring Legacy of Old Southwest Humor](#) Edward Piacentino, 2006-02-01 The Old Southwest flourished between 1830 and 1860 but its brand of humor lives on in the writings of Mark Twain the novels of William Faulkner the television series *The Beverly Hillbillies* the material of comedian Jeff Foxworthy and even cyberspace where nonsoutherners can come up to speed on subjects like hickphonics The first book on its subject *The Enduring Legacy of Old Southwest Humor* engages topics ranging from folklore to feminism to the Internet as it pays tribute to a distinctly American comic style that has continued to reinvent itself The book begins by examining frontier southern humor as manifested in works of Faulkner Erskine Caldwell Flannery O'Connor Eudora Welty Woody Guthrie Harry Crews William Price Fox Fred Chappell Barry Hannah Cormac McCarthy and African American writers Zora Neale Hurston Ralph Ellison Alice Walker Ishmael Reed and Yusef Komunyakaa It then explores southwestern humor's

legacy in popular culture including comic strips comedians and sitcoms and on the Internet Many of the trademark themes of modern and contemporary southern wit appeared in stories that circulated in the antebellum Southwest Often taking the form of tall tales those stories have served and continue to serve as rich reusable material for southern writers and entertainers in the twentieth century and beyond The Enduring Legacy of Old Southwest Humor is an innovative collaboration that delves into jokes about hunting drinking boasting and gambling as it studies among other things the styles of comedians Andy Griffith Dave Gardner and Justin Wilson It gives splendid demonstration that through the centuries southern humor has continued to be a powerful tool for disarming hypocrites and opening up sensitive issues for discussion

All-American Redneck Matthew J. Ferrence, 2014-03-30 In contemporary culture the stereotypical trappings of redneckism have been appropriated for everything from movies like Smokey and the Bandit to comedy acts like Larry the Cable Guy Even a recent president George W Bush shunned his patrician pedigree in favor of cowboy authenticity to appeal to voters Whether identified with hard work and patriotism or with narrow minded bigotry the Redneck and its variants have become firmly established in American narrative consciousness This provocative book traces the emergence of the faux Redneck within the context of literary and cultural studies Examining the icon's foundations in James Fenimore Cooper's Natty Bumppo an ideal white man free of the boundaries of civilization and the degraded rural poor of Erskine Caldwell's Tobacco Road Matthew Ferrence shows how Redneck stereotypes were further extended in Deliverance both the novel and the film and in a popular cycle of movies starring Burt Reynolds in the 1970s and 80s among other manifestations As a contemporary cultural figure the author argues the Redneck represents no one in particular but offers a model of behavior and ideals for many Most important it has become a tool reductive confining and sometimes almost liberating by which elite forces gather and maintain social and economic power Those defying its boundaries as the Dixie Chicks did when they criticized President Bush and the Iraq invasion have done so at their own peril Ferrence contends that a refocus of attention to the complex realities depicted in the writings of such authors as Silas House Fred Chappell Janisse Ray and Trudier Harris can help dislodge persistent stereotypes and encourage more nuanced understandings of regional identity In a cultural moment when so called Reality Television has turned again toward popular images of rural Americans as in for example Duck Dynasty and Moonshiners All American Redneck reveals the way in which such images have long been manipulated for particular social goals almost always as a means to solidify the position of the powerful at the expense of the regional

The Tacky South Katharine A. Burnett, Monica Carol Miller, 2022-06-15 As a way to comment on a person's style or taste the word tacky has distinctly southern origins with its roots tracing back to the so called tackies who tacked horses on South Carolina farms prior to the Civil War The Tacky South presents eighteen fun insightful essays that examine connections between tackiness and the American South ranging from nineteenth century local color fiction and the television series Murder She Wrote to red velvet cake and the ubiquitous influence of Dolly Parton Charting the gender race and class

constructions at work in regional aesthetics The Tacky South explores what shifting notions of tackiness reveal about US culture as a whole and the role that region plays in addressing national and global issues of culture and identity **The New York Times Book Reviews 2000** New York Times Staff,2001 This anthology examines Love s Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource **Literary Trails of the North Carolina Mountains (Volume 2 of 2) (EasyRead Super Large 18pt Edition)** , *Literary Trails of the North Carolina Mountains* Georgann Eubanks,2015-12-01 This guidebook is the first of three regional volumes that invite residents and out of state visitors to explore North Carolina while reading literature from our state s finest writers Organized geographically through a series of eighteen half day and day long tours in the western part of the state the book directs curious travelers to the historic sites where Tar Heel authors have lived and worked Along the way travelers can read outstanding excerpts from the writers evoking the places customs colloquialisms and characters that figure prominently in their poetry fiction creative nonfiction and plays More than 170 writers from the past and present are featured in this volume including Sequoyah Elizabeth Spencer Fred Chappell Charles Frazier Kathryn Stripling Byer Robert Morgan William Bartram Gail Godwin O Henry Thomas Wolfe F Scott Fitzgerald Anne Tyler Lillian Jackson Braun Nina Simone and Romulus Linney Each tour provides information about the libraries museums colleges bookstores and other venues open to the public where writers regularly present their work or are represented in exhibits events performances and festivals **Literary Trails of the North Carolina Mountains (Volume 2 of 2) (EasyRead Super Large 20pt Edition)** , **A Companion to the Regional Literatures of America** Charles L. Crow,2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature *Wallace's Dialects* Mary Shapiro,2020-05-14 Mary Shapiro explores the use of regional and ethnic dialects in the works of David Foster Wallace not just as a device used to add realism to dialogue but as a vehicle for important social commentary about the role language plays in our daily lives how we express personal identity and how we navigate social relationships Wallace s *Dialects* straddles the fields of linguistic criticism and folk linguistics considering which linguistic variables of Jewish American English African American English Midwestern Southern and Boston regional dialects were salient enough for Wallace to represent and how he showed the intersectionality of these with gender and social class Wallace s own use of

language is examined with respect to how it encodes his identity as a white male economically privileged Midwesterner while also foregrounding characteristic and distinctive idiolect features that allowed him to connect to readers across implied social boundaries

Experimentation and Versatility Casey Clabough, 2005 Experimentation and Versatility considers Chappell's first four novels and his short fiction the novels chronologically and the short stories thematically in order to demonstrate the unique range and importance of his fictional prose Rather than inserting Chappell's fictional variables into a single theoretical formula Clabough traces and celebrates their various and multifaceted excursions into genres as disparate as Appalachian pastoralism and experimental science fiction Containing both an interview with Chappell and a previously unpublished short story Experimentation and Versatility also offers new primary sources on Chappell's work even as it contextualizes him as one of our most exciting and multi-talented contemporary writers Investigating the complexities of Chappell's work Clabough's study offers new ways of considering Chappell who has been characterized variously as a Appalachian Southern and fantasy writer However as Clabough demonstrates he is in fact all and none of these things a writer of immense gifts constantly reinventing himself through his experiments in seemingly disparate genres

Title Summary field provided by Blackwell North America Inc All Rights Reserved Thomas Wolfe and Lost Children in Southern Literature Paula Eckard, 2024-01-12 Paula Gallant Eckard not only explores the utterly teachable The Lost Boy she also provides substantive and provocative readings of a wide variety of contemporary Southern fiction Through her critical analysis and admirable focus on lost children and children suffering loss Eckard examines how some contemporary writers provide new stories of the Civil War the role of other wars in Southern lives and the centrality of family Margaret M Bauer Rivers Chair of Southern Literature at East Carolina University First published in 1937 Thomas Wolfe's The Lost Boy gives name to the theme of lost children that has permeated much of southern literature and provides a template for telling their stories In Thomas Wolfe and Lost Children in Southern Literature which grew out of many years of teaching The Lost Boy and other works of southern literature Paula Gallant Eckard uses Wolfe's novel as a starting point to trace thematic connections among contemporary southern novels that are comparably evocative in their treatment of lostness Eckard explores six authors and their works Fred Chappell's I Am One of You Forever Mark Powell's Prodigals Kaye Gibbons's Ellen Foster Sue Monk Kidd's The Secret Life of Bees Bobbie Anne Mason's In Country Robert Olmstead's Coal Black Horse and Lee Smith's On Agate Hill Though each novel is unique and a product of its own time period all the novels explored here are cast against the backdrop of the South during eras of conflict and change Like The Lost Boy these novels reflect a sense of history a sense of loss associated with that history and an innate love of story and narrative as well as representations of work that historically have defined the lives of individuals and families throughout the South In its artistic treatment of lostness The Lost Boy creates a significant literary legacy As Eckard demonstrates that legacy continues in the form of these six contemporary authors who in writing about the South perpetuate Wolfe's efforts as they also create or find the lost child

in new ways PAULA GALLANT ECKARD is an associate professor of English and the director of the American studies program at the University of North Carolina at Charlotte She is the author of *Maternal Body and Voice* in Toni Morrison Bobbie Ann Mason and Lee Smith *Sisters of Providence* Allen Paul Speer, Janet Barton Speer, 2000 The lives and writings of these two sisters Jennie and Ann Speer provide us a window on a world that for a long time was rarely seen and only recently has been exposed The life of neither sister is an altogether happy one The writings of both Jennie in particular are full of a kind of yearning of sadness of possibilities not realized One feels both a vast sympathy and strong admiration for these sisters who dwelled in obscurity and wanted to be heard Now with the publication of their writings unread for nearly a century and a half past they are no longer silenced *Vale of Humility* George Hovis, 2007 This is an inviting look at the influence of the yeoman s small farm on six modern southern writers In a deft analysis of works by Doris Betts Reynolds Price Fred Chappell Lee Smith Clyde Edgerton and Randall Kenan Vale of Humility explores the lives of the plain folk white and black who populate the worlds of contemporary North Carolina fiction Hovis explains that a wealthy planter elite was significantly less prominent in North Carolina than in neighboring regions and as such the state s plain folk did not develop a class identity based as deeply in relation to a superior planter class Instead the identification of the yeoman s small farm rather than the plantation as necessary to the ideal life has been a distinguishing feature of the state s literature In this first full length study of North Carolina s contemporary fiction Hovis examines the work of six representative writers from the state s three geographic regions Lee Smith and Fred Chappell from the mountains Doris Betts and Clyde Edgerton from the Piedmont and Reynolds Price and Randall Kenan from the coastal plain The work of these six writers is explored within the broader southern literary tradition with attention to how they have revised such modes as pastoral family saga and southwestern humor in order to portray their own regional experiences Although these writers celebrate the egalitarianism at the heart of the yeoman ideal they also expose the forms of racism sexism and classism that have also marked the state s history **Alison's Automotive Repair Manual** Brad Barkley, 2003-03-10 A widow in her mid thirties Alison has been in mourning for two years She lives in West Virginia with her sister and brother in law and they are urging her to get on with her life and move back home Alison promises to leave just as soon as she renovates a nearly ruined 1976 Corvette rusting in their garage Problem is she doesn t know the first thing about cars and the townspeople are reluctant to have a woman messing with automotive parts
