

Looking Deeply

Eric Van Rythoven, Mira Sucharov

Looking Deeply:

The Path of Emancipation Thich Nhat Hanh, 1996-05-31 The Path of Emancipation transcribes Thich Nhat Hanh's first twenty one day retreat in North America in 1998 when more than four hundred practitioners from around the world joined him to experience mindfulness This book deliberately preserves the tone and style of a retreat including soundings of the bell meditation breaks and the question and answer sessions This not only provides a genuine feeling of a retreat for those who have not had the chance to participate in one but it also preserves this wonderful practice time for those who have attended In The Path of Emancipation Thich Nhat Hanh translates the Buddhist tradition into everyday life and makes it relevant and transforming for us all Studying in depth the Discourse on the Full Awareness of Breathing he teaches how mindfulness can help us reduce stress and live simply confidently and happily while dwelling in the present moment *Be Free Where You Are* Thich Nhat Hanh, 2002-05-01 **POCKET SIZED INSPIRATION** This collection of Thich Nhat Hanh's timeless wisdom reminds us that we can find peace and freedom even in difficult times Freedom is not given to us by anyone we have to cultivate it ourselves Based on a talk given to prison inmates facing death row this compendium of Thich Nhat Hanh's core teachings shows how mindfulness practice can cultivate freedom no matter where you are Presented in a handy pocket sized package for easy reference *Be Free Where You Are* will help you embrace your best self even in the worst of circumstances and offers comfort to anyone feeling stuck or isolated **Mindfulness in the Marketplace** Allan Hunt Badiner, 2005-08-10 *Mindfulness in the Marketplace* suggests a reorientation of consumers from passive purchasers to aware responsible citizens who see the dynamic connection between their purchases and their values The Middle Path of Buddhism is not to avoid all consumption but to consume mindfully in a manner that protects ourselves and all living systems This anthology outlines a path of compassionate resistance to global corporatization and offers a view of getting into right relationship with the Earth Includes the Dalai Lama Thich Nhat Hanh Stephen Batchelor and Joanna Macy [Understanding Our Mind \(EasyRead Super Large 18pt Edition\)](#) , *The Interestings* Meg Wolitzer, 2013-04-09 Named a best book of the year by Entertainment Weekly Time and The Chicago Tribune and named a notable book by The New York Times Book Review and The Washington Post Remarkable With this book Wolitzer has surpassed herself The New York Times Book Review A victory The Interestings secures Wolitzer's place among the best novelists of her generation She's every bit as literary as Franzen or Eugenides But the very human moments in her work hit you harder than the big ideas This isn't women's fiction It's everyone's Entertainment Weekly A From Meg Wolitzer the New York Times bestselling author of *The Female Persuasion* a novel that has been called genius The Chicago Tribune wonderful Vanity Fair ambitious San Francisco Chronicle and a page turner Cosmopolitan The summer that Nixon resigns six teenagers at a summer camp for the arts become inseparable Decades later the bond remains powerful but so much else has changed In *The Interestings* Wolitzer follows these characters from the height of youth through middle age as their talents fortunes and degrees of satisfaction diverge The kind of creativity that is

rewarded at age fifteen is not always enough to propel someone through life at age thirty not everyone can sustain in adulthood what seemed so special in adolescence Jules Jacobson an aspiring comic actress eventually resigns herself to a more practical occupation and lifestyle Her friend Jonah a gifted musician stops playing the guitar and becomes an engineer But Ethan and Ash Jules's now married best friends become shockingly successful true to their initial artistic dreams with the wealth and access that allow those dreams to keep expanding The friendships endure and even prosper but also underscore the differences in their fates in what their talents have become and the shapes their lives have taken Wide in scope ambitious and populated by complex characters who come together and apart in a changing New York City The Interestings explores the meaning of talent the nature of envy the roles of class art money and power and how all of it can shift and tilt precipitously over the course of a friendship and a life

You are Here Thich Nhat Hanh, 2009 Simple daily practices to help us discover the happiness and freedom of living in the present moment from the renowned Buddhist monk and best selling author Most of Thich Nhat Hanh's previous books have either provided an overview of the Buddhist path or offered guidance on specific problem areas in our lives such as love anger power or death This new book focuses on Buddhist techniques and practices we can use to cut through the busyness and anxieties of daily life and discover the simple happiness of living in the present moment In our daily lives we are often lost in thought We lose ourselves in our plans in our anger in our worries The practice of mindfulness frees us from these obsessions landing us firmly in the present moment the only moment in which we can be truly alive and truly happy You Are Here offers a range of mindfulness practices that will help us to root ourselves in the present the address of the Buddha as he calls it where we can experience the joys and magic of being alive under any circumstances Practices include mindfulness of breath mindful walking deep listening and mindful speech as well as practices for healing emotional pain and cultivating love for oneself and others With his characteristic warmth gentleness and simplicity Thich Nhat Hanh offers teachings and practices that anyone can use to help them to live more fully and freely

Stealing Home J.J. Bond, 2017-02-28 Based on real events A truly unimportant story of an incredible major crime in small town Neverland Follow the author's romantic expedition through time and deception into a world of lost trust lust criminal intent and rejection Delve deep into the criminal underbelly of Mexican Drug Cartels Federal Marshals Canadian and International Policing Agencies and deep into trusted friends who betray steal and deceive you Follow this truly unimportant major crime from its beginning to tragic ending and release yourself into a spine tingling adventure **World**

Peace Diet, the (Tenth Anniversary Edition) Tuttle Will, Will M. Tuttle, 2016 New Tenth Anniversary Edition What is so simple as eating an apple And yet what could be more sacred or profound Food is our most intimate and telling connection both with the natural order and with our cultural heritage But it is increasingly clear that the choices we make about food today are leading to environmental degradation enormous human health problems and unimaginable cruelty toward our fellow creatures The World Peace Diet presents the outlines of a more empowering understanding of our world based on

comprehending the far reaching implications of our food choices Incorporating systems theory teachings from mythology and religions and the human sciences Will Tuttle offers a set of universal principles for all people of conscience from any religious tradition that show how we as a species can move our consciousness forward allowing us to become more free more intelligent more loving and happier in the choices we make Since it was published in 2005 *The World Peace Diet* and author Will Tuttle have reached hundreds of thousands of people around the globe and created a whole new movement of people making a conscious connection with a healthful diet and cruelty free living and committing spiritually psychologically and socially to nonviolence and genuine sustainability This tenth anniversary edition contains a new foreword new resources including recipes and a study guide

Seeds of Love Jerry Braza, Ph.D., 2012-02-28 Using the garden as a metaphor *The Seeds of Love* is a charming guide to creating your own mindfulness The development of the practice of mindfulness and its tools can help to maintain a state of awareness and openness to oneself and others In *The Seeds of Love* readers interested in Zen Buddhism will learn how to nurture metaphorical seeds such as compassion joy and generosity and how to use personal challenges such as jealousy anger and self doubt as a tool for growth The 20 chapters include Seeing It All Begins with the Gardener Being Watering the Seed of Mindfulness Watering Seeds of Love and Transforming Seeds of Suffering Deep Listening Creating a Legacy as a Master Gardener Tending Your Inner Garden Using precepts from many faiths and traditions *The Seeds of Love* offers simple basic actions to help readers reach the best within themselves and share it with those around them It will be an invaluable guide to anyone seeking deeper and more conscious relationships

Methodology and Emotion in International Relations Eric Van Rythoven, Mira Sucharov, 2019-06-20 This volume offers a state of the art study of the diverse methodological approaches and issues in the study of emotions in international relations research While interest in emotion and affect in IR has grown in recent years there remains an absence of sustained engagement with questions of methodology and method Although much of the field holds the emotions turn as laudable it is commonly seen as facing serious even prohibitive methodological challenges Using a common framework for making discussions of methodology and emotion mutually intelligible this work seeks to address this lacuna and will be of interest to students and scholars of international relations research methods and IR theory

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, **Looking Deeply** . This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
