Looking For God A Seekers Guide To God

Steven S. Sadleir

Looking For God A Seekers Guide To God:

Looking for God : a Seeker's Guide to God Woodbury, Clair,1983 **The Seeker's Guide to Faith** J. Peter Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ *Looking For God* Steven S. Sadleir,2010 A compendium of all the denominations of religious and spiritual groups and teachers over 250 sources in an updated 3rd edition *The Seeker's Guide to Being Catholic* Mitch Finley,2010-06-01 Recognizing that being Catholic today means being a pilgrim a person with questions doubts and insecurities award winning author Mitch Finley invites readers to explore with him the riches of the Catholic tradition

Dream Quest: A Seeker's Guide to Finding the Purpose of Being Justan Mann, PhD,2018-03-07 *Dream Quest* reveals a series of vivid lucid dreams that foretell the future and delve into the nature of being The dreams happened as described although they are presented within the context of a fictionalized trek that is set on the slopes of New Hampshire s Mount Major Alexander and his companions Verity and Futura eventually find refuge from the night s chill within Madame Leonedria s grotto Therein his dreams about the future human nature and reality are discussed in depth Alexander felt both cursed and blessed by these remarkable events for the gift that allowed him to find a metaphysical path to God s door slowly began consuming his mind Indeed the condition that sparked his visions degenerated Alexander s brain and his memories are now fading However the experiences were recorded long ago and they leave a message that might change your life This is far more than a book about spirituality or morality This is a quest for purpose *Discovery of the Presence of God* David R.

Hawkins, MD/PHD,2021-02-16 This awe inspiring sixth installment of the profound consciousness series by Dr David R Hawkins reveals the true essence of Enlightenment from world renowned author psychiatrist clinician and spiritual teacher David R Hawkins M D Ph D A true instruction manual for the serious spiritual devotee this masterpiece from Dr David R Hawkins reveals information only known by those who have transcended the ego to reach Divine Realization Chapters Include Devotional Nonduality The Inner Path Spiritual Practices The Experienter The Razor s Edge Allness Versus Nothingness Spirituality and the World Teachers and Teachings The Devotee Transcending Identification with the Ego Self Enlightenment The Presence of Self Progressive States of Consciousness This spiritual book is the inner route from the self to the Self and an invitation into the profound depths of higher consciousness and enlightenment It walks you through the path to divine consciousness through the fusion of psychology philosophy metaphysics and spirituality Immerse yourself in a devotional exploration of non duality a profound philosophy that bridges the gap between existential questions and spiritual answers This transformative work will help you evolve spiritually by connecting to divine love Dr David Hawkins explains complex concepts with clarity making them accessible and relatable for everyone from spiritual seekers to business professionals seeking personal growth His spiritual awakening guidance offers meditation techniques for inner peace and provides tools to transcend the confines of the mundane illuminating the path to spiritual growth Drawing on his profound understanding of spiritual liberation Dr David Hawkins words guide us toward our spiritual evolution and higher consciousness Through this journey you will discover an empowering understanding of your divine consciousness leading to a sense of inner peace and a heightened state of spiritual awareness **Seekers in the Hands of an Elusive God** Jeffery M. Leonard,2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God s presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God s will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshipping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God *The Living Church* ,1980 **Looking for GOD** Steven S. Sadleir,2008 *Seeking God* Trevor Hudson,2023-02-06 Jesus promised Seek and you will find Do you long

for a transforming encounter with the living God Jesus assures us that those willing to become seekers will find what their hearts most deeply desire The promise is clear Those who seek God consistently faithfully and passionately will not be disappointed They will find God and all those good things that accompany God's Kingdom Profoundly influenced by his long friendship with Dallas Willard and his experience guiding people through the Spiritual Exercises of St Ignatius for the last thirty years Trevor Hudson offers you a practical tool kit for your seeking journey You search for God does not have to take you to a remote mountain top as God wants to meet us right where we are in our everyday lives Reading the wisdom contained within the pages of Seeking God will help you to move beyond insight and knowledge and encounter the presence of the living God as a reality in your daily life

Finding God's Will Zac Poonen,1971 [A Seeker's Guide to Christian Faith](#) Ben Campbell Johnson,2000 This Christian primer is for those who are asking the question How can I experience God A Seeker's Guide to Christian Faith serves as a simple introduction to the most basic understandings of the Christian faith and will help new believers and long time believers too begin the journey toward knowing God Ben Campbell Johnson has written 31 brief easy to read articles or guidances to help seekers begin to deepen their faith He gently leads the reader through the daily tenets of Christian living including prayer scripture reading meditation outreach and listening to God and helps them understand the importance of living faithfully In ordinary language free from church jargon the guidances are organized in six overarching themes essential to the Christian faith Getting Your Bearings Naming Your Hunger Learning a New Language Discovering the Book Expressing the Faith and Reaching Farther This little book will encourage people who are mostly new to the faith to make sense of inner longings and to recognize that God has always been present in their lives

God Guides Simon Correia,2017-07-25 The main purpose of writing this book is to give a glimpse of God's ways to the World to those who are seeking to know the truth by the Word of God The Holy Bible *Holistic Guidance* C. Drago,2003

On This Holy Night Thomas Nelson,2013-10-15 Rekindle the true meaning of Christmas with the help of six gifted Christian communicators Every year the story of Christmas is told and retold but sometimes the very familiarity of holiday traditions causes us to overlook the vital expressions of this meaningful season On This Holy Night breathes new life into several aspects of the Christmas story through the voices of six beloved Christian communicators Each author explores the meaning of Christmas in different facets of the holiday Max Lucado a look into Joseph's story a man caught between what God says and what makes sense Rick Warren the real gift of Christmas is that God sent His own Son to connect with the human race David Jeremiah why the name of Jesus is so important and perfect John Maxwell how to journey like the wise men to unexpected places Jack Hayford a look into Mary's story a woman who embraced the seemingly impossible with God at her side Bill Hybels rediscovering meaning in the nativity scene Sure to connect readers back to the heart of the holiday this beautiful four color gift book will be treasured for years to come [Luther's Outlaw God](#) Steven D. Paulson,2019-09-03 In this second of three volumes addressing Luther's outlaw God Steven D Paulson uses several biblical figures Ezekiel Jonah

Moses David and more to illustrate Luther's understanding of law and gospel and what this means for preaching Paulson shows that the challenge of all preaching is revealing God's actual grace without using the law at all. The gospel is what freed Luther from thinking of the world as split into two: an obscure world where law accuses and a magical world where the law blesses. With remarkable depth and clarity Paulson explores the question: Where do we find a gracious God? For Luther it was not in the law but only in the publicly executed and hated God Jesus Christ hidden in the cross.

Dancing with God Karen Baker-Fletcher, 2006-12-01. Dancing With God is an exploration of the divine gifts of courage and grace in the face of evil. Moreover, it is a doctrine of God as the source of that courage. Baker-Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion, a metaphor she uses for unnecessary violence. She develops a process of relational womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit. She engages the contributions of a diversity of theologians like Paul Tillich, Karl Barth, Gordon Kaufman, John Cobb Jr, Majorie Suchocki, Charles Hartshorne, Andrew Sung Park, and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin, evil, and suffering. Through creative works like that of Alice Walker's *The Color Purple* and journalist Joyce King's account of the James Byrd Jr murder in Jasper County, Texas, Baker-Fletcher reveals the healing, encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence.

Historical Dictionary of the Seventh-Day Adventists Gary Land, 2014-10-23. Seventh-day Adventism was born as a radical millenarian sect in nineteenth-century America. It has since spread across the world, achieving far more success in Latin America, Africa, and Asia than in its native land. In what seems a paradox, Adventist expectation of Christ's imminent return has led the denomination to develop extensive educational, publishing, and health systems. Increasingly established within a variety of societies, Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent. In the process, it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins. This second edition of *Historical Dictionary of the Seventh Day Adventists* covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 600 cross-referenced entries on key people, cinema, politics, and government, sports, and critics of Ellen White. This book is an excellent access point for students, researchers, and anyone wanting to know more about Seventh-day Adventism.

The A to Z of the Seventh-Day Adventists Gary Land, 2009-07. Covering the Millerite movement of the 1830s and 1840s, sabbatarian Adventism prior to organization of the denomination and the Seventh-day Adventist Church since its organization in 1861-63, this volume provides a comprehensive history of the denomination.

The A to Z of the Seventh-Day Adventists Gary Land, 2009-07-29. Covering the Millerite movement of the 1830s and 1840s, sabbatarian Adventism prior to organization of the denomination and the Seventh-day Adventist Church since its organization in 1861-63, this volume provides a comprehensive history of the denomination. The first major element of the book is a chronology of Adventist history that begins with William Miller's

conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination's geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations

Reviewing **Looking For God A Seekers Guide To God**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
