## Looking For God In All The Right Places:

*Looking for God in All the Right Places* Florence Littauer, 1987      **In Search of the Good Life** Paul Marcus, 2018-03-21  
Emmanuel Levinas 1906 1995 French phenomenological philosopher and Talmudic commentator is regarded as perhaps the greatest ethical philosopher of our time While Levinas enjoys prominence in the philosophical and scholarly community especially in Europe there are few if any books or articles written that take Levinas's extremely difficult to understand if not obtuse philosophy and apply it to the everyday lives of real people struggling to give greater meaning and purpose especially ethical meaning to their personal lives This book attempts to fill in the large gap in the Levinas literature mainly through using a Levinasian inspired ethically infused psychoanalytic approach      *A Work of Heart* Reggie McNeal, 2011-10-12  
Revised and updated edition of the classic work on spiritual leadership In *A Work of Heart* bestselling author and missional expert Reggie McNeal helps leaders reflect on the ways in which God is shaping them by letting us see God at work in the lives of four quintessential biblical leaders Moses David Jesus and Paul McNeal identifies the formative influences upon these leaders which he sees as God's ways of working in their lives the same influences at work today forming leaders for ministry in our times He explores the shaping influence of culture call community conflict and the commonplace Offers guidance for church leaders to let God shape their hearts from the inside out Reggie McNeal is the author of the bestselling book *Missional Renaissance* Gives reassurance for maintaining perspective while doing the demanding work of ministry The book includes illustrative stories of contemporary leaders opening their hearts to God's guidance      *Seeking God Daily* Les Wilks, 2019-10-30 I don't believe in coincidence I believe everything that happens is God ordained and happens for a reason My daughters always remind me I could teach a lesson from a rock Even the whole world reveals God's creation and if we remain silent the rocks will cry out proclaiming the glory of God You are one of the greatest glories God ever created We are created in God's image and for his glory *Seeking God Daily* is a devotional written to encourage and strengthen your walk with God I put a scripture that spoke to me with each picture I took through the year and wrote a devotional to go with the scripture Maybe you've drifted farther away from God than you intended too Perhaps you feel stranded and bogged down in your life today Just as an artist paints a masterpiece or wood worker can turn a piece of wood into a work of art God the great creator can turn you into a work of art as well God isn't finished with you yet God sees beauty where no one else does

*In Search of Theological Modesty* William Liss-Levinson, 2015-05-01 The twenty first century is emerging as a challenging time for people with faith based traditions who also seek paths of openness to pluralistic voices and streams of spirituality In *In Search of Theological Modesty* Biblical Lessons deeply rooted in traditional Jewish approaches to biblical exegesis finds new ways to support this commitment to tolerance and respect through examination of key stories and commandments in the Torah Blending homiletics with profound psychological insights Liss Levinson creates images themes and lessons that are both particularistic and global In this accessible discussion of Torah the author invites people of varying backgrounds and
