Richter,2018-10-12 When my best friend committed suicide in our senior year of high school I moved two states away trying to escape the grief Less than two years later I found out that my girlfriend had cheated on me and was about to have another man's child I spent the next three years retreating into a shell of my former self keeping everyone at arm's length If all I got out of letting people in was pain what was the point But that all changed the night I met Zoe When I heard her sing her voice captivated me When I talked to her I felt an immediate connection When I kissed her she brought me back to life And then she walked into my classroom the next day as one of my high school students Could I really pretend the chemistry between Zoe and I didn't exist Or was I willing to risk everything to be with the girl who had reminded me that life was worth living See author's website for a full list of content and trigger warnings Note My Fate Is Sealed is the fourth book in the Sealed With a Kiss series and the first book of Elijah's continuous trilogy This trilogy follows the events of Zoe's trilogy but from Elijah's perspective **My Lips Are Sealed** Carmen Richter,2017-08-08 At sixteen years old I lost my first love and it shook me to my core My parents thought taking me out of town for the summer would help me to move on but I returned home the same way I left a broken girl who was the last person to see her boyfriend alive The night before school started back up I went to an open mic night and poured my heart and soul into a song I wrote for the boy who never made it home That night I met Elijah and we had an instant connection that I couldn't ignore For the first time in months I felt alive again But the next day Elijah walked into my drama class as Mr Larson our new teacher How was I supposed to go back to the way things were when my whole life had been turned upside down And how was I supposed to stop myself from falling for the man who had

brought me back to life See author s website for full list of content and trigger warnings Note *My Lips Are Sealed* is the first book in the *Sealed With a Kiss* series and the first book of Zoe s continuous trilogy which must be read in order *Not So Bad After All* Elaine E. **Gritty City** Nigel Webber, 2024-05-14 Gritty City is a love letter to Winnipeg a prairie metropolis born out of rebellion a river city marooned in the middle of a continent Maybe there is something in the water that makes us different Gritty City is the first book to tackle the history of Winnipeg hip hop treating it not as a passing fad or a subgenre of rock but as its own distinct and significant culture and artform Much like the city itself hip hop locally was born out of struggle out of the intense racism that plagued elements of Winnipeg for much of the 1980s As the culture blossomed and gained acceptance slowly but surely the community became more and more prominent leading from the DIY 90s to the heyday of the early 2000s Gritty City traces this timeline from the early 1980s to 2005 in an oral history format

making it seem like you're just sitting around with your cousins and their friends as they reminisce. Featuring over 100 voices of Winnipeg rappers, producers, DJs, promoters, and community members, *Gritty City* is a one-of-a-kind chronicle of an important but until now unknown chapter in Canadian music history. **An Unpromising Hope** Thomas R.

Gaulke, 2021-09-21. Written in a theopoetic key, this book challenges Christian reliance on the motif of promise, especially where promise is regarded as a prerequisite for the experience of hope. It pursues instead an unpromising hope available to the agnostic or belief-fluid members and leaders of faith communities. The book rejects any theological judgement about doubt and hopelessness being sinful. It also rejects any hope which is grounded in a sense of Christian supremacy. Chapter 1 focuses on Ernst Bloch's antifascist concept of utopian surplus, putting Bloch in conversation with queer theorist Jose Esteban Munoz and womanist theologian M. Shawn Copeland. Chapter 2 explores the saudadic and theopoetic hope of Rubem Alves. Chapter 3 turns to the womanist theologies of Delores Williams, Emilie Townes, and A. Elaine Brown Crawford. Finally, chapter 4 engages the post-colonial eschatology of Vitor Westhelle, framing hope as nearby in space rather than nearby in time. Each chapter offers an unpromising hope that may be tapped into by those who wish to affirm belief fluidity in their own communities and by those who wish to speak of hope honestly, whether or not at any given moment they believe in God or in the promises of a god. **Primary Plans** Elizabeth P.
