Character as Moral Fiction Mark Alfano,2013-02-14 Everyone wants to be virtuous but recent psychological investigations suggest that this may not be possible Mark Alfano challenges this theory and asks not whether character is empirically adequate but what characters human beings could have and develop Although psychology suggests that most people do not have robust character traits such as courage honesty and open mindedness Alfano argues that we have reason to attribute these virtues to people because such attributions function as self fulfilling prophecies children become more studious if they are told that they are hard working and adults become more generous if they are told that they are generous He argues that we should think of virtue and character as social constructs there is no such thing as virtue without social reinforcement His original and provocative book will interest a wide range of readers in contemporary ethics epistemology moral psychology and empirically informed philosophy

Testament *The Gallows Murders (Tudor Mysteries, Book 5)* Paul Doherty, 2012-11-27 Roger and Benjamin delve into the underworld of Tudor Britain Conspiracy and murder combine to threaten Roger Shallot's own life in his fifth journal *The Gallows Murders* from acclaimed author Paul Doherty Perfect for fans of Ellis Peters and Susannah Gregory In the summer of 1523 the hot weather and the sweating sickness provide a fertile breeding ground for terrible murders and the most treasonable conspiracies King Henry VIII has moved the court to Windsor where he slakes his lusts whilst the kingdom is governed by his first minister Cardinal Wolsey Someone is sending the King threatening letters from the Tower under the name and seal of Edward one of the princes supposedly murdered there demanding that great amounts of gold be left in different parts of London If the orders are not carried out proclamations will be published throughout the capital which coinciding with the outbreak of plague may make it look as though the hand of God has turned against the Tudors for usurping the throne Wolsey has only two people to turn to his beloved nephew Benjamin Daubey and Daubey's faithful servant Roger Shallot Benjamin and Roger become embroiled in the murky Tudor underworld and the pressure to solve the mysteries mounts when King Henry threatens that Roger Shallot's life depends on it What readers are saying about Paul Doherty Light light light but clever clever clever And amusing A relaxing afternoon's read Excellent book kept me guessing til the end Paul Doherty weaves a tangled web of murder and intrigue *Billy Graham* Greg Laurie, 2021-04-13 Billy Graham Was the World's Best Known Evangelist Loved and Admired by Millions But Very Few Knew Him Personally Pastor and bestselling author Greg Laurie was one of those fortunate few blessed with an insider's view of Billy Graham's world for more than two decades With the same painstaking research and eye for detail that distinguishes his previous biographies *Steve McQueen Salvation of an American Icon* and *Johnny Cash The Redemption of an American Icon* Laurie now turns to the life of his beloved mentor offering the intimate perspective of a disciple and friend As a strapping North Carolina farm boy Graham surrendered his life to Jesus at a camp meeting led by a blustery itinerant preacher but he never lost the mischievous twinkle in his eye or his fun loving air Laurie sheds light on Graham's lesser known struggles such as a broken heart before he met the love of his life and a crisis of faith from which he emerged stronger than ever From the evangelist's private challenges and public successes to his disappointments and joys *Billy Graham The Man I Knew* provides a vivid portrait of one of history's most remarkable Christian lives **The Predictably Unpredictable God** James J. Carlin, 2021-02-15 Have you ever questioned why God takes so long at times to answer a prayer Or why He does things for some people much faster than He does for others We know that He's made many promises to us and we also know that He's good for His Word So from that standpoint answering our requests should be a very predictable thing shouldn't it If you're like me and so many others who make requests of God and have had to wait long bouts of time for them to be answered you can get to where you question if your prayer will be answered at all But in my life I have had situations where my prayers were answered many years before I knew it and have also seen where many were answered in ways that I would never have suspected Ways that can make a

person shake their head in wonder However when we take the time to really look at how things played out from a kingdom perspective I feel things become more clear and are easier to understand I feel these types of things as well as others demonstrate just how unpredictable God can be But they can also show how much thought God puts into remedying our situations With that said the intent of this book is to help build faith and at the same time give more hope by seeing things from a kingdom perspective It had that effect on me while God was giving it to me and I hope that all who read it will be blessed in the same or even a greater way *First Love Devotions* Dr. T.E. Grainger, 2017-12-12 *First Love Devotions* is written from the authors rich experience of over fifty years as a pastor and teacher One of the dangers a pastor faces is becoming mechanical and professional and losing the first love that motivated him to devote his life as a servant of God The best safeguard against that is maintaining a loving intimate daily fellowship with Jesus as you seek his guidance in understanding the scripture If you find your love for Jesus waning do a thorough job of repentance as you renew and cultivate this relationship Each first love devotion treats a passage of scripture and gives insight based on prayerful reflection as it relates to personal experience In addition to personal spiritual benefits the Christian worker will find a wealth of topics sermon prompts and illustrative materials that may be shared with others
