sample dialogues to help parents figure out what to say and how best to say it Put Yourself in Their Shoes Barbara Meltz,2011-04-27 Wouldn't parenting be easier if you could see into the mind of your child Learn to hear what your child can't or won't tell you and Understand Behavior Build Values Nurture Closeness Solve Problems In her popular Boston Globe column Child Caring Barbara Meltz has been writing about real life parenting issues for more than a decade She has found that instead of divorce or moving the situations parents think of as stressful children's concerns are often linked to commonplace events such as sleepovers or the first day of school In this wise compassionate book Meltz offers parents a unique window into their child's inner life She includes candid illuminating observations from kids themselves and offers advice on what to ask listen for or observe to decode puzzling behavior how to get a child to talk about his or her problems and how to find the best way to solve conflicts By focusing on developmental trouble spots not age her approach is as helpful to the parents of a two year old as to those of a twelve year old From keeping secrets to going to camp to larger issues such as stealing or death in the family Put Yourself in Their Shoes offers a way to see inside a child's world and help to make it safe and strong From the Trade Paperback edition *When Friendship Hurts* Jan Yager,2010-05-11 Taking its place alongside relationship classics *The 7 Habits of Highly Effective People* and *How to Win Friends and Influence People* Dr Jan Yager's *When Friendship Hurts* in print since being published twenty two years ago is now available in a second edition containing new original research Friendship expert coach and sociologist Dr Jan Yager's prescriptive book on toxic friendships what to do about them and how to find or improve the positive friendships we all deserve also has an updated Preface bibliography and resources section The Preface shares Dr Yager's more recent research that asks the question Have you ever had a friendship that made you physically or emotionally sick She was surprised to find that such strong reactions were more common than she originally thought Forty three percent of the ninety men and women she surveyed answered Yes to that question In the new Preface she shares their most common reactions Another new feature of Dr Yager's classic book includes cartoons at the beginning of each chapter by artist Cathy Wilcox and originally done for the Australia New Zealand edition *When Friendship Hurts* has helped countless men and women to better understand why they get involved in a toxic friendship and then explore possible ways to mend it let it fade or end it **Nurture by Nature** Barbara Barron,Paul D. Tieger,2001-05-15 Every parent knows that children even babies have distinct personalities Any parent with more than one child is probably well aware of how different from each other children even siblings can be So it's only natural that the parenting strategies that work with one child may be less effective with another child How can you be sure that your nurturing is well suited to your child With this one of a kind parenting guide you can use Personality Type analysis a powerful and well respected psychological tool to understand your child better and become a more effective parent In *Nurture by Nature* you'll learn which of 16 distinctly different types best matches your child's personality how this personality type affects your child in each of the three stages of development preschool school age and adolescence how other parents whose

experiences are recounted in scores of case studies deal with a wide array of challenging situations you may encounter reining in a preschooler whose boundless energy constantly gets him into trouble communicating with a child who keeps her thoughts and feelings secret understanding an adolescent who seems not to care that he is forever losing things his homework his baseball cap his keys broadening the horizons of a child who resists trying anything new or unfamiliar and how you can adapt your parenting style to your child's type and get better results when communicating supporting motivating and disciplining Whether your child is a tantrum prone toddler a shy third grader a rebellious teen or somewhere in between Nurture by Nature will give you the power to understand why children are the way they are and to become the best parent you can be

Angry Kids Dr. Richard L. Berry, 2001-07-01 During the past several years violence by children has dominated the media exposing this issue as one of the new epidemics of our society The slaughter of children by children at Littleton and the backlash of similar incidents have opened our eyes to the severity of this problem But what is the cause of all this anger in kids In *Angry Kids* Richard Berry draws from his experience as a marriage and family therapist to provide some answers about angry kids to parents teachers youth workers counselors and school social workers His biblical perspective challenges parents and children to be accountable for their actions while working out solutions Well written timely and practical *Angry Kids* exposes three root causes of anger in children of all ages It also explains how parents can inadvertently contribute to that rage how they can help their children discover the real feelings behind their anger and how to then teach them techniques for expressing and defusing that anger Charts specific examples and practical application further clarify how to stop the spreading epidemic of angry kids
