Women Screenwriters Today Marsha McCreadie, 2005-12-30 The question of whether women write from a unique perspective has been debated since the silent era McCreadie examines how this female sensibility has been defined and whether in fact it exists at all Such films as *Lost in Translation* and *Monster* suggest that women screenwriters are moving in a new direction heading away from the big budget action movies that dominate Hollywood today But action driven genre films like the thrillers of Alexandra Seros seem to belie the perception that women write films that are more dialogue and character driven than those of male screenwriters Whether or not women actually write differently from men and about different topics the author s unique approach working with and through the words and lives of the women screenwriters themselves allows both readers and writers an otherwise unattainable look into the ever growing and ever more essential world of women in Hollywood Over the course of cinematic history women screenwriters have played an essential role in the creation of the films we watch The question of whether women write from a unique perspective has been debated since the silent era Marsha McCreadie examines how this female sensibility has been defined and questions whether in fact it exists at all The emergence of such films as *Lost in Translation* and *Monster* would seem to suggest that women screenwriters are moving in a new direction heading away from the big budget action movies that dominate Hollywood today But there can always be found an Alexandra Seros for instance whose thrillers would seem to prove the opposite case Working through these contradictions Marsha McCreadie takes a captivating look at the words and lives of women screenwriters allowing readers an otherwise unattainable look into the ever growing and ever more essential world of women in film Readers interested in film and women s studies will especially enjoy reading Marsha McCreadie s discussions of such films as *Little Women* *The Thomas Crown Affair* *The Piano* *Pollock* and *Under the Tuscan Sun* Interviews with major women players in the movie business including Sofia Coppola *Lost in Translation* and Emma Thompson *Sense and Sensibility* allow readers a unique

York's Greenwich Village was raided by police. But instead of responding with the typical compliance the NYPD expected, patrons and a growing crowd decided to fight back. The five days of rioting that ensued changed forever the face of gay and lesbian life. In *Stonewall*, renowned historian and activist Martin Duberman tells the full story of this pivotal moment in history. With riveting narrative skill, he re-creates those revolutionary sweltering nights in vivid detail through the lives of six people who were drawn into the struggle for LGBTQ rights. Their stories combine to form an unforgettable portrait of the repression that led up to the riots, which culminates when they triumphantly participate in the first gay rights march of 1970, the roots of today's pride marches. Fifty years after the riots, *Stonewall* remains a rare work that evokes with a human touch an event in history that still profoundly affects life today. **The Stonewall Reader** New York Public Library, Jason Baumann, 2019-04-30. June 28, 2019. marks the fiftieth anniversary of the Stonewall uprising, which is considered the most significant event in the gay liberation movement and the catalyst for the modern fight for LGBTQ rights in the United States. Drawing from the New York Public Library's archives, *The Stonewall Reader* is a collection of first accounts, diaries, periodic literature, and articles from LGBTQ magazines and newspapers that documented both the years leading up to and the years following the riots. Most importantly, the anthology spotlights both iconic activists who were pivotal in the movement, such as Sylvia Rivera, co-founder of Street Transvestites Action Revolutionaries (STAR), as well as forgotten figures like Ernestine Eckstein, one of the few out African American lesbian activists in the 1960s. The anthology focuses on the events of 1969, the five years before, and the five years after. Jason Baumann, the NYPL coordinator of humanities and LGBTQ collections, has edited and introduced the volume to coincide with the NYPL exhibition he has curated on the Stonewall uprising and gay liberation movement of 1969. **Lou Reed** Will Hermes, 2023-10-03.
