Miles Apart Laura Thompson, 2025-03-24 Isabella and Miles are polar opposites forced together for their senior year She's a bookworm who prefers solitude while he's the star football player who rules the school's social scene Their initial encounter is rocky to say the least Isabella sees Miles as a arrogant jock while Miles views her as a shy introverted nerd But as they're paired together they begin to realize there's more to each other than meets the eye Miles the popular quarterback has a reputation for being cold and emotionally unavailable But Isabella's presence in his life starts to chip away at his defenses Meanwhile Isabella's introverted nature is slowly drawn out by Miles's charming albeit rough around the edges personality As they navigate their unlikely partnership they must confront their own biases and prejudices Will Isabella's sharp wit and determination break through Miles's tough exterior or will he shatter her fragile heart Can they find common ground and become more than just unlikely friends
