**Anti-Colonialism and the Crises of Interwar Fascism** Michael Ortiz,2023-01-12 What is fascism Is it an anomaly in the history of modern Europe Or its culmination In Anti Colonialism and the Crises of Interwar Fascism Michael Ortiz makes the case that fascism should be understood in part as an imperial phenomenon He contends that the Age of Appeasement 1935 1939 was not a titanic clash between rival socio political systems fascism and democracy but rather an imperial contest between satisfied and unsatisfied empires Historians have long debated the extent to which Western imperialisms served as ideological and intellectual precursors to European fascisms To date this scholarship has largely employed an inside out methodology that examines the imperial discourses that pushed fascist regimes outward into Africa Asia and the Americas While effective such approaches tend to ignore the ways in which these places and their inhabitants understood European fascisms Addressing this imbalance Anti Colonialism adopts an outside in approach that analyses fascist expansion from the perspective of Indian anti colonialists such as Jawaharlal Nehru Subhas Bose and Mohandas Gandhi Seen from India the crises of Interwar fascism the Second Italo Ethiopian War Spanish Civil War Second Sino Japanese War Munich Agreement and the outbreak of the Second World War were yet another eruption of imperial expansion analogous although not identical to the Scramble for Africa and the Treaty of Versailles Whether fascist democratic or imperialist Europe s great powers collectively negotiated the fate of smaller nations      **The White Woman's Other Burden** Kumari Jayawardena,2014-04-23

In The White Woman s Other Burden Kumari Jayawardena re evaluates the Western women who lived and worked in South Asia during the period of British rule She tells the stories of many well known women including Katherine Mayo Helena Blavatsky Annie Besant Madeleine Slade and Mirra Richard and highlights the stories of dozens of women whose names have been forgotten today In the course of this telling Jayawardena raises the issues of race class and gender which are part of current debates among feminists throughout the world      Revolutionary Lives in South Asia Kama Maclean,J. David Elam,2016-02-05 The term revolutionary is used liberally in histories of Indian anticolonialism but scarcely defined Implicitly

understood it functions as a signpost or a badge generously conferred in hagiographies loosely invoked in historiography and strategically deployed in contemporary political contests It is timely then to ask the question Who counts as a revolutionary in South Asia How can we read the revolutionary in Indian political formations And what does it really mean to be revolutionary in turbulent late colonial times This volume takes a biographical approach to the question by examining the life stories of a series of activists some well known who all defined themselves in explicitly revolutionary terms in the early twentieth century Shyamaji Krishnavarma V D Savarkar M K Gandhi Bhagat Singh Jawaharlal Nehru J P Narayan and Hansraj Vohra The authors interrogate the subversive lives of these figures tracing their polyglot influences and transnational impacts to map out the discursive travels of the revolutionary in Indian historical and literary worlds from the early 1900s and to indicate its reverberations in the politics of the present This book was published as a special issue of Postcolonial Studies      Bihar BPSC-TRE & STET PGT Philosophy PGT-Darshan Shastr Bilingual (Hindi & English) Munna Khatun,2024-11-12      **CUET MA Political Science [PGQP42] Practice Question Bank E- Book 3200+ Question Answer Chapter Wise As per Updated Syllabus** DIWAKAR EDUCATION HUB ,2022-11-30 CUET MA Political Science PGQP42 Complete Practice Question Answer Sets 3200 MCQ Unit Wise from Cover All 8 Units MCQ Western Political Philosophy Modern Indian Political Thought Political theory International Relations Indian Government and Politics Comparative Government and Politics Public Policies in India General issues of contemporary relevance
