Eisner,2018-05-01 MacArthur s Spies reads like Casablanca set in the Pacific filled with brave and daring characters caught up in the intrigue of war and the best part is that it s all true Tom Maier author of Masters of Sex A thrilling story of espionage daring and deception set in the exotic landscape of occupied Manila during World War II On January 2 1942 Japanese troops marched into Manila unopposed by U S forces Manila was a strategic port a romantic American outpost and a jewel of a city Tokyo saw its conquest of the Philippines as the key in its plan to control all of Asia including Australia Thousands of soldiers surrendered and were sent on the notorious eighty mile Bataan Death March But thousands of other Filipinos and Americans refused to surrender and hid in the Luzon hills above Bataan and Manila MacArthur s Spies is the story of three of them and how they successfully foiled the Japanese for more than two years sabotaging Japanese efforts and preparing the way for MacArthur s return From a jungle hideout Colonel John Boone an enlisted American soldier led an insurgent force of Filipino fighters who infiltrated Manila as workers and servants to stage demolitions and attacks Chick Parsons an American businessman polo player and expatriate in Manila was also a U S Navy intelligence officer He escaped in the guise of a Panamanian diplomat and returned as MacArthur s spymaster coordinating the guerrilla efforts with the planned Allied invasion And finally there was Claire Phillips an itinerant American torch singer with many names and almost as many husbands Her nightclub in Manila served as a cover for supplying food to Americans in the hills and to thousands of prisoners of war She and the men and women who worked with her gathered information from the collaborating Filipino businessmen the homesick English speaking Japanese officers and the spies who mingled in the crowd Readers of Alan Furst and Ben Macintyre and anyone who loves Casablanca will relish this true tale of heroism when it counted the most

How the War Was Won Phillips Payson O'Brien, 2015-02-12 An important new history of air and sea power in World War II and its decisive role in Allied victory The War for Korea, 1950-1951 Allan R. Millett, 2021-09-07 In *The War for Korea 1945 1950* A House Burning one of our most distinguished military historians argued that the conflict on the Korean peninsula in the middle of the twentieth century was first and foremost a war between Koreans that began in 1948 In the second volume of a monumental trilogy Allan R Millett now shifts his focus to the twelve month period from North Korea s invasion of South Korea on June 25 1950 through the end of June 1951 the most active phase of the internationalized Korean War Moving deftly between the battlefield and the halls of power Millett weaves together military operations and tactics without losing sight of Cold War geopolitics strategy and civil military relations Filled with new insights on the conflict his book is the first to give combined arms its due looking at the contributions and challenges of integrating naval and air power with the ground forces of United Nations Command and showing the importance of Korean support services He also provides the most complete and sympathetic account of the role of South Korea s armed forces drawing heavily on ROK and Korea Military Advisory Group sources Millett integrates non American perspectives into the narrative especially those of Mao Zedong Chinese military commander Peng Dehuai Josef Stalin Kim Il sung and Syngman Rhee And he portrays Walton Walker and Matthew Ridgway as the heroes of Korea both of whom had a more profound understanding of the situation than Douglas MacArthur whose greatest flaw was not his politics but his strategic and operational incompetence Researched in South Korean Chinese and Soviet as well as American and UN sources Millett has exploited previously ignored or neglected oral history collections including interviews with American and South Korean officers and has made extensive use of reports based on interrogations of North Korean and Chinese POWs The end result is masterful work that provides both a gripping

narrative and a greater understanding of this key conflict in international and American history Twilight of the Gods Ian W. Toll, 2020-09-01 New York Times Bestseller No one has told the story of World War II in the Pacific from beginning to bitter end better than Ian W Toll This final volume concludes a brilliant trilogy Alex Kershaw New York Times best selling author of *The First Wave* and *Avenue of Spies* In June 1944 the United States launched a crushing assault on the Japanese navy in the Battle of the Philippine Sea The capture of the Mariana Islands and the accompanying ruin of Japanese carrier airpower marked a pivotal moment in the Pacific War No tactical masterstroke or blunder could reverse the increasingly lopsided balance of power between the two combatants The War in the Pacific had entered its endgame Beginning with the Honolulu Conference when President Franklin Delano Roosevelt met with his Pacific theater commanders to plan the last phase of the campaign against Japan *Twilight of the Gods* brings to life the harrowing last year of World War II in the Pacific when the U S Navy won the largest naval battle in history Douglas MacArthur made good his pledge to return to the Philippines waves of kamikazes attacked the Allied fleets the Japanese fought to the last man on one island after another B 29 bombers burned down Japanese cities and Hiroshima and Nagasaki were vaporized in atomic blasts Ian W Toll s narratives of combat in the air at sea and on the beaches are as gripping as ever but he also reconstructs the Japanese and American home fronts and takes the reader into the halls of power in Washington and Tokyo where the great questions of strategy and diplomacy were decided Drawing from a wealth of rich archival sources and new material *Twilight of the Gods* casts a penetrating light on the battles grand strategic decisions and naval logistics that enabled the Allied victory in the Pacific An authoritative and riveting account of the final phase of the War in the Pacific *Twilight of the Gods* brings Toll s masterful trilogy to a thrilling conclusion This prize winning and best selling trilogy will stand as the first complete history of the Pacific War in more than twenty five years and the first multivolume history of the Pacific naval war since Samuel Eliot Morison s series was published in the 1950s **The Generals** Thomas E. Ricks, 2013-10-29 A New York Times bestseller An epic history of the decline of American military leadership from the bestselling author of *Fiasco* and *Churchill and Orwell* While history has been kind to the American generals of World War II Marshall Eisenhower Patton and Bradley it has been less kind to the generals of the wars that followed such as Koster Franks Sanchez and Petraeus In *The Generals* Thomas E Ricks sets out to explain why that is In chronicling the widening gulf between performance and accountability among the top brass of the U S military Ricks tells the stories of great leaders and suspect ones generals who rose to the occasion and generals who failed themselves and their soldiers In Ricks s hands this story resounds with larger meaning about the transmission of values about strategic thinking and about the difference between an organization that learns and one that fails **History of the Office of the Secretary of Defense** Steven L.
