## Macarthurs Ghost:

MacArthur's Ghost Paul Frederick Kluge,1987-01-01 Set in the Philippines during the chaos of World War II and the decadent twilight of the Marcos era forty years later MacArthur s Ghost is a complex and moving tale of war and revolution victory and defeat promise and betrayal *The Best Ghost Stories Ever Told* Stephen Brennan,2011-09-07 When gut feelings have been replaced by a thirst for proof and hard evidence it s good to know that you can still be spooked by a collection like this one Best Ghost Stories is a creepy group of over forty tales by some of the most impressive names in the writing world Terrifying bone chillingly eerie and good fun these haunting narratives give vivid descriptions of creepy characters and happenings that will make you hesitate before turning out the light More than just a niche product ghost stories hold a bewitching appeal for all kinds of writers and readers some of the truly great authors of the nineteenth and twentieth centuries have lent their horror stories to this collection including Arthur Conan Doyle Louisa May Alcott Joseph Conrad Robert Louis Stevenson H G Wells and many more Count on our Best Stories series for entertaining tales that you won t soon forget *The Most Dangerous Man in America* Mark Perry,2014-04-01 At times even his admirers seemed unsure of what to do with General Douglas MacArthur Imperious headstrong and vain MacArthur matched an undeniable military genius with a massive ego and a rebellious streak that often seemed to destine him for the dustbin of history Yet despite his flaws MacArthur is remembered as a brilliant commander whose combined arms operation in the Pacific the first in the history of warfare secured America s triumph in World War II and changed the course of history In *The Most Dangerous Man in America* celebrated historian Mark Perry examines how this paradox of a man overcame personal and professional challenges to lead his countrymen in their darkest hour As Perry shows Franklin Roosevelt and a handful of MacArthur s subordinates made this feat possible taming MacArthur making him useful and finally making him victorious A gripping authoritative biography of the Pacific Theater s most celebrated and misunderstood commander *The Most Dangerous Man in America* reveals the secrets of Douglas MacArthur s success and the incredible efforts of the men who made it possible The Oxford Book of Victorian Ghost Stories Michael Cox,R. A. Gilbert,2003 Collection of thirty five English ghost stories written during the Victorian Era **Nothing New** Anonymous,2025-07-22 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

**MacArthur's Ghost [eBook - Biblioboard]** P. F. Kluge,2015 As evocative and unpredictable as the people and places it chronicles P F Kluge s MacArthur s Ghost is his most absorbing and ambitious novel to date Set in the Philippines during the chaos of World War II and the decadent twilight of the Marcos era forty years later MacArthur s Ghost is a complex and moving tale of war and revolution victory and defeat promise and betrayal Shifting back and forth in time MacArthur s Ghost tells the story of Harry Roberts Harding a reclusive American war hero who returns to Manila forty years after V J Day

courtesy of a film company making a movie about his exploits To keep him out of trouble and out of their hair the movie's shadowy producers pair Harding up with another American a burnt out young travel writer named George Griffin who has washed up in the Philippines along with a hundred other media professionals on a tourism industry junket Hired to ghost write Harding's memoirs Griffin accompanies the old man up country to retrace the progress of Harding's World War II campaigns What begins as a simple excursion designed to reawaken old memories turns out in the end to be a dangerous and ultimately unforgettable odyssey of revelation and discovery As the two men make their way further into the exotic countryside and into Harding's hidden past hints of a long suppressed wartime secret dog their tracks with life and death implications for the Philippines of the 1980s Rich in characters and incident sophisticated in structure and sensibility MacArthur's Ghost brings alive the connections between past and present victor and vanquished in a world that America conquered but never controlled Cheers Sterling Seagrave best selling author of The Soong Dynasty MacArthur's Ghost is a shrewd and witty book well wrought and full of memorable images As a novel it's more than a good read Kluge has a gift for sharp political satire and a refreshing grasp of how America turned the Philippines into the world's largest brothel

**MacArthur's Undercover War** William B. Breuer, 1995-05 Guadalcanal Midway the battle for the Philippines In each of these critical conflicts intelligence played a crucial role in bringing about an Allied victory General MacArthur's brilliant Pacific campaign was designed around espionage and guerrilla warfare This is the story of his undercover war Praise for William B Breuer's Previous Works An exciting narrative presented by a first rate story teller Publishers Weekly on The Great Raid on Cabanatuan A first class historian The Wall Street Journal Another smasher by Breuer who specializes in thrilling reports of WWII spycraft and warfare Kirkus Reviews on Race to the Moon Fast paced detailed and satisfyingly dramatic World War II magazine on Devil Boats Vivid skillfully written Los Angeles Times on Retaking the Philippines Brings to life how airborne soldiers survived how the human will prevails against overwhelming enemies tactical failures and even death The New York Times on Geronimo American Paratroopers in World War II MACARTHUR'S UNDERCOVER WAR The covert war General Douglas MacArthur waged against Japanese forces in the Pacific arena was the largest undercover operation ever undertaken Here for the first time is the complete story of the legendary exploits and heroism of the thousands of courageous individuals who fought as spies guerrillas propagandists and saboteurs behind enemy lines When the Japanese war juggernaut overran the Philippines it took a near miraculous PT boat escape for MacArthur to make his way to safety in Australia He left behind a force of seventy thousand American and Philippine troops marooned on the Bataan Peninsula To these brave men the general vowed I shall return Against overwhelming odds MacArthur succeeded Crucial to his success was his massive covert war effort MacArthur created his own undercover warfare agency the super secret Allied Intelligence Bureau AIB to organize the many far flung resistance groups They were the coast watchers jungle wise miners traders and planters missionaries and telegraph operators who occupied remote Pacific islands living in the most primitive conditions

while keeping a constant vigil for Japanese movement They were American soldiers who escaped the Bataan Peninsula and were commanding guerrilla armies in the interior mountain and jungle locations of the Philippines And they were double agents operating right under the noses of the Japanese in Manila occupying positions close to the Imperial Army and in the collaborationist Philippine government The phenomenal success of MacArthur's island hopping hit em where they ain't campaign was built on the accuracy of the intelligence gathered by the AIB Early in the conflict the Americans cracked the secret Japanese naval code and established a chain of intelligence radio monitoring posts circling the Japanese empire from Alaska to Australia The information garnered from their interceptions of Japanese transmissions and from operatives on the ground allowed MacArthur to pick soft targets islands the Japanese had left relatively ungarded for invasion It was the steel nerves and unbounded resourcefulness of those who fought the secret war that paved the way for MacArthur's Great Return to the Philippines and saved the lives of countless American soldiers In an action packed narrative MacArthur's Undercover War tells of thrilling feats of valor and derring do impossible missions to blow up harbors kidnap heads of state undermine currency and arrange prison escapes all deep within enemy territory Firsthand interviews with veterans and information from previously unpublished documents reveal a riveting tale of World War II that has never been fully told *The Great Raid on Cabanatuan* William B. Breuer, 2008-04-21 From the critically acclaimed author whom The Wall Street Journal called a first class historian here is a riveting account of one of the most spectacular rescue operations in history On January 30 1945 American troops staged a successful raid on Cabanatuan a notorious Japanese POW camp where thousands of prisoners had been tortured and died Based on interviews with the heroes who survived the raid this book brings to life in electrifying detail the dramatic events that took place on that historic day Praise for William B Breuer and his books A first class historian The Wall Street Journal Fast paced detailed and satisfyingly dramatic World War II Magazine on Devil Boats Another smasher by Breuer who specializes in thrilling reports of WWII spycraft and warfare Kirkus Reviews on Race to the Moon Vivid skillfully written Los Angeles Times on Retaking the Philippines Brings to life how airborne soldiers survived how the human will prevails against overwhelming enemies tactical failures and even death The New York Times on Geronimo American Paratroopers in World War II Early on the morning of January 28 1945 a small detachment of volunteers under the command of Lieutenant Colonel Henry A Mucci leader of the 6th Ranger Battalion embarked from their base in the Philippines on the most audacious rescue operation ever undertaken Their objective Penetrate thirty miles behind enemy lines and liberate 511 POWs from Cabanatuan the notorious Japanese POW camp where thousands of American prisoners had been brutally tortured and killed Little did Mucci's Rangers know when they got under way that morning that over the next few days and nights they would be making history Written by acclaimed military historian William B Breuer The Great Raid on Cabanatuan is a riveting account of that rescue mission and the gallant soldiers who carried it out against overwhelming odds Based largely on interviews with the heroes who survived the operation and featuring twenty eight

previously unpublished photographs many of them taken while the raid was in progress it brings to life in electrifying detail the dramatic events that took place on the night of the raid January 30 and during the harrowing days that followed In sketching out the many roads that led to Cabanatuan Breuer brilliantly combines oral history with dramatic narrative to bring to life some of the most spectacular events of the war in the Pacific We relive the hellish battles for Bataan and Corregidor where in 1942 American and Filipino soldiers fought bravely to hold back the Japanese invasion force We experience firsthand the horrors of the Bataan Death March on which tens of thousands of prisoners lost their lives en route to Cabanatuan And we learn of the American underground and guerilla operations in the Philippines during the Japanese occupation from the men and women behind them including Margaret Utinsky leader of Miss U s underground and Claire Phillips the glamorous lounge singer turned spy master A gripping chronicle of one of the most harrowing rescue missions ever undertaken as told in all its gritty detail by the heroes who made it happen The Great Raid on Cabanatuan is both a first class piece of military scholarship and a thrilling adventure story *MacArthur's Spies* Peter Eisner, 2018-05-01 MacArthur s Spies reads like Casablanca set in the Pacific filled with brave and daring characters caught up in the intrigue of war and the best part is that it s all true Tom Maier author of Masters of Sex A thrilling story of espionage daring and deception set in the exotic landscape of occupied Manila during World War II On January 2 1942 Japanese troops marched into Manila unopposed by U S forces Manila was a strategic port a romantic American outpost and a jewel of a city Tokyo saw its conquest of the Philippines as the key in its plan to control all of Asia including Australia Thousands of soldiers surrendered and were sent on the notorious eighty mile Bataan Death March But thousands of other Filipinos and Americans refused to surrender and hid in the Luzon hills above Bataan and Manila MacArthur s Spies is the story of three of them and how they successfully foiled the Japanese for more than two years sabotaging Japanese efforts and preparing the way for MacArthur s return From a jungle hideout Colonel John Boone an enlisted American soldier led an insurgent force of Filipino fighters who infiltrated Manila as workers and servants to stage demolitions and attacks Chick Parsons an American businessman polo player and expatriate in Manila was also a U S Navy intelligence officer He escaped in the guise of a Panamanian diplomat and returned as MacArthur s spymaster coordinating the guerrilla efforts with the planned Allied invasion And finally there was Claire Phillips an itinerant American torch singer with many names and almost as many husbands Her nightclub in Manila served as a cover for supplying food to Americans in the hills and to thousands of prisoners of war She and the men and women who worked with her gathered information from the collaborating Filipino businessmen the homesick English speaking Japanese officers and the spies who mingled in the crowd Readers of Alan Furst and Ben Macintyre and anyone who loves Casablanca will relish this true tale of heroism when it counted the most Nothing New Dinah Maria Mulock Craik, 1861 Undeclared Bill Sloan, 2013-06-18 The fight to defend the Philippines from Japanese invasion during 1941 to 1942 ended with the surrender of the largest U S military force ever American servicemen endured rampant disease near

starvation the horrors of the Bataan Death March and life as prisoners of war *Undeclared* captures the fortitude and suffering of the American defenders of the Philippines as no other book has done Bill Sloan hailed as the master of the combat narrative *The Dallas Morning News* interviewed more than thirty war veterans and drew from unpublished oral history and out of print memoirs to provide a unique eyewitness account of this major military encounter and its aftermath Yet rather than portraying the American defenders as little more than helpless victims of an overwhelmingly powerful and sadistic foe as most previous books about the Philippines campaign have done Sloan praises the unexcelled heroism and indomitable spirit they displayed under the worst imaginable conditions *Undeclared* also provides vivid and critical portraits of the officers who led the American forces including General Douglas MacArthur who escaped to Australia as the situation in Bataan worsened and General Jonathan Wainwright who succeeded him as top U S commander in the Philippines and himself became a POW Filled with remarkable feats of courage and endurance *Undeclared* re creates the tragic yet inspiring panorama of POW camps in the Philippines in all its high tension drama

**Judgment at Tokyo** Gary J. Bass, 2024-10-01

WINNER OF THE ARTHUR ROSS BOOK AWARD FROM THE COUNCIL ON FOREIGN RELATIONS ACCLAIMED AS ONE OF THE YEAR'S 10 BEST BOOKS BY THE WASHINGTON POST 12 ESSENTIAL NONFICTION BOOKS BY THE NEW YORKER 100 NOTABLE BOOKS BY THE NEW YORK TIMES BEST BOOKS BY THE ECONOMIST FOREIGN AFFAIRS THE TIMES LITERARY SUPPLEMENT AND AIR MAIL 10 ESSENTIAL BOOKS BY THE TELEGRAPH MARK LYNTON HISTORY PRIZE FINALIST CUNDILL HISTORY PRIZE FINALIST BAILLIE GIFFORD PRIZE LONGLIST THE NEW YORK TIMES BOOK REVIEW EDITORS CHOICE THE OBSERVER AND THE SUNDAY TIMES BOOK OF THE WEEK DAUNT BOOKS OF THE YEAR A landmark magisterial history of the trial of Japan's leaders as war criminals the largely overlooked Asian counterpart to Nuremberg Nothing less than a masterpiece With epic research and mesmerizing narrative power *Judgment at Tokyo* has the makings of an instant classic Evan Osnos National Book Award winning author of *Age of Ambition* *Chasing Fortune* *Truth and Faith in the New China* In the weeks after Japan finally surrendered to the Allies to end World War II the world turned to the question of how to move on from years of carnage and destruction For Harry Truman Douglas MacArthur Chiang Kai shek and their fellow victors the question of justice seemed clear Japan's militaristic leaders needed to be tried and punished for the surprise attack at Pearl Harbor shocking atrocities against civilians in China the Philippines and elsewhere and rampant abuses of prisoners of war in notorious incidents such as the Bataan death march For the Allied powers the trial was an opportunity to render judgment on their vanquished foes but also to create a legal framework to prosecute war crimes and prohibit the use of aggressive war building a more peaceful world under international law and American hegemony For the Japanese leaders on trial it was their chance to argue that their war had been waged to liberate Asia from Western imperialism and that the court was victors justice For more than two years lawyers for both sides presented their cases before a panel of clashing judges from China India the Philippines and Australia as well as the United States and European

powers The testimony ran from horrific accounts of brutality and the secret plans to attack Pearl Harbor to the Japanese military's threats to subvert the government if it sued for peace Yet rather than clarity and unanimity the trial brought complexity dissents and divisions that provoke international discord between China Japan and Korea to this day Those courtroom tensions and contradictions could also be seen playing out across Asia as the trial unfolded in the crucial early years of the Cold War from China's descent into civil war to Japan's successful postwar democratic elections to India's independence and partition From the author of the acclaimed *The Blood Telegram* which was a Pulitzer Prize finalist this magnificent history is the product of a decade of research and writing *Judgment at Tokyo* is a riveting story of wartime action dramatic courtroom battles and the epic formative years that set the stage for the Asian postwar era **Douglas**

**MacArthur** Arthur Herman, 2017-03-28 A new definitive life of an American icon the visionary general who led American forces through three wars and foresaw his nation's great geopolitical shift toward the Pacific Rim from the Pulitzer Prize finalist and bestselling author of *Gandhi Churchill* Douglas MacArthur was arguably the last American public figure to be worshipped unreservedly as a national hero the last military figure to conjure up the romantic stirrings once evoked by George Armstrong Custer and Robert E Lee But he was also one of America's most divisive figures a man whose entire career was steeped in controversy Was he an avatar or an anachronism a brilliant strategist or a vainglorious mountebank Drawing on a wealth of new sources Arthur Herman delivers a powerhouse biography that peels back the layers of myth both good and bad and exposes the marrow of the man beneath MacArthur's life spans the emergence of the United States Army as a global fighting force Its history is to a great degree his story The son of a Civil War hero he led American troops in three monumental conflicts World War I World War II and the Korean War Born four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman's magisterial book spans the full arc of MacArthur's journey from his elevation to major general at thirty eight through his tenure as superintendent of West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer Herman shows how MacArthur's strategic vision helped shape several decades of U S foreign policy Alone among his peers he foresaw the shift away from Europe becoming the prophet of America's destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray Ban sunglasses riding crop and corncob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With Douglas MacArthur

Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for Douglas MacArthur This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur's place in history New York Journal of Books Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important to encounter The New Criterion With Douglas MacArthur American Warrior the prolific and talented historian Arthur Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur's monumental achievements without slighting his equally monumental flaws Commentary *Under the Eye of God* Jerome Charyn, 2012-10-30 DIV After decades of madness in the Bronx Isaac Sidel visits the craziest state in the country div DIV div DIV Isaac Sidel is too popular to be America's vice president Once the New York Police Department commissioner he became the most beloved mayor in the city's history famous for his refusal to surrender his Glock and for his habit of disappearing for months at a time to fight crime at street level So when baseball czar J Michael Storm asks Sidel to join him on the election's Democratic ticket the two wild men romp to an unprecedented landslide But as the president elect's mandate goes off the rails threatened by corruption sex and God knows what else he tires of being overshadowed by Sidel and dispatches him to a place from which tough politicians seldom return Texas div DIV div DIV In the Lone Star state Sidel confronts rogue astrologers accusations of pedophilia and a dimwitted assassin who doesn't know when to take an easy shot If this Bronx bomber doesn't watch his step he risks making vice presidential history by getting killed on the job div

**The MacArthur Highway and Other Relics of American Empire in the Philippines** Joseph P. McCallus, 2010-04-30 It has been more than a century since the American conquest and subsequent annexation of the Philippines Although the nation was given its independence in 1946 American cultural authority remains In order to locate and lend significance to the relics of American empire Joseph McCallus retraces the route Gen Douglas MacArthur took during his liberation of the country from the Japanese in 1944 and 1945 While following MacArthur's footsteps he provides a historical and geographical account of this iconic soldier's military career accompanied by a description of the contemporary Philippine landscape McCallus uses the past and the present to explore how America influenced the country's political and educational systems and language as well as the ramifications of the continued U S military presence and the effects of globalization on traditional Filipino society He examines the American influence on its architecture and introduces to the reader the American expatriate business community people who have lived in the Philippines for decades and continue to help shape the nation The MacArthur Highway and Other Relics of American Empire in the Philippines is an absorbing look at how American military intervention and colonial rule have indelibly shaped a nation decades after the fact **The Eclectic Magazine of Foreign Literature, Science, and Art**, 1856 [The Eclectic Magazine](#) John Holmes Agnew, Walter Hilliard Bidwell, 1856 *Eclectic Magazine, and Monthly Edition of the Living Age* John Holmes Agnew, Walter Hilliard Bidwell, Henry T.

Steele,1856      **A Thread of Violence** Mark O'Connell,2024-09-17 A NEW YORK TIMES AND ECONOMIST BEST BOOK OF THE YEAR From the award winning author comes the gripping tale of one of the most scandalous murderers in modern Irish history at once a propulsive work of true crime and an act of literary subversion A masterpiece The Observer Disturbing and compelling Colm To b n Superb and unforgettable Sally Rooney Brilliant New York Times Book Review A masterly work John Banville Fascinating Emmanuel Carr re Morally complex and mesmerizing Fintan O Toole Malcolm Macarthur was a well known Dublin socialite Suave and urbane he passed his days mingling with artists and aristocrats reading philosophy living a life of the mind But by 1982 his inheritance had dwindled to almost nothing a desperate threat to his lifestyle Macarthur hastily conceived a plan He would commit bank robbery of the kind that had become frightfully common in Dublin at the time But his plan spun swiftly out of control and he needlessly killed two innocent civilians The ensuing manhunt arrest and conviction amounted to one of the most infamous political scandals in modern Irish history contributing to the eventual collapse of a government Winner of the Wellcome and Rooney Prizes Mark O Connell spent countless hours in conversation with Macarthur interviews that veered from confession to evasion Through their tense exchanges and O Connell s independent reporting a pair of narratives unspools a riveting account of Macarthur s crimes and a study of the hazy line between truth and invention We come to see not only the enormity of the murders but the damage that s inflicted when a life is rendered into story At once propulsive and searching A Thread of Violence is a hard look at a brutal act its subterranean origins and the long shadow it casts It offers a haunting and insightful examination of the lies we tell ourselves and the lengths we ll go to preserve them      Last Mission to Tokyo Michel Paradis,2020-07-28 Michel Paradis s Last Mission to Tokyo a superb The Wall Street Journal and engrossing richly researched The New York Times Book Review account of a key but underreported moment in World War II The Doolittle Raids and the international war crimes trial in 1945 that defined the Japanese American relations and changed legal history In 1942 freshly humiliated from the attack on Pearl Harbor the United States was in search of a plan President Roosevelt determined to show the world that our nation would not be intimidated or defeated by enemy powers demanded recommendations for a show of strength Jimmy Doolittle a stunt pilot with a doctorate from MIT came forward and led eighty young men gathered together from the far flung corners of Depression era America on a seemingly impossible mission across the Pacific Sixteen planes in all they only had enough fuel for a one way trip Together the Raiders as they were called did what no one had successfully done for more than a thousand years They struck the mainland of Japan and permanently turned the tide of the war in the Pacific Almost immediately The Doolittle Raid captured the public imagination and has remained a seminal moment in World War II history but the heroism and bravery of the mission is only half the story In Last Mission to Tokyo Michel Paradis reveals the dramatic aftermath of the mission which involved two lost crews captured tried and tortured at the hands of the Japanese a dramatic rescue of the survivors in the last weeks of World War II and an international manhunt and trial led by two dynamic and opposing young lawyers in which both

the United States and Japan accused the other of war crimes that would change the face of our legal and military history  
Perfect for fans of Lucky 666 and Nuremberg Infamy on Trial Last Mission to Tokyo is an unforgettable war story meets  
courtroom drama that captures the reader with the first sentence and never lets go John Grisham
