**Jonathan Swainger**

## **Macdonald His Life And World:**

**Macdonald** Peter B. Waite,1975      **Macdonald at 200** Patrice Dutil,Roger Hall,2014-10-10 Here are fifteen fresh interpretations of Canada s founding Prime Minister published for the occasion of the bicentennial of his birth in 1815 Well researched and crisply written by recognized scholars and specialists the collection throws new light on Macdonald s formative role in our nation      *The Unfinished Canadian* Andrew Cohen,2008-11-19 The award winning bestselling author of *While Canada Slept* gives his view of a country wasted on Canadians What is national character What makes the Americans the British the French the Russians and the Chinese who they are In this homogenized world where globalization is a byword for a deadening sameness why do peoples who live in the same region use the same money read the same books and watch the same movies remain different from one another As much as Canada may be seen as a copy clone or colony of America we are unquestionably distinctive It is a result of our geography history and politics It comes from our demography and prosperity Most of all it comes from our character In *The Unfinished Canadian* Andrew Cohen delves into our past and present in search of our defining national characteristics He questions hoary shibboleths soothing mythologies and old saws with irreverence humour and flintiness unencumbered by our proverbial politeness itself a great misperception and our suffocating political correctness We are so much in so many shades and it s time we took an honest look at ourselves In this provocative passionate and elegant book Cohen argues that our mythology our jealousy our complacency our apathy our amnesia and our moderation are all part of the unbearable lightness of being Canadian      **The John A. Macdonald Retrospective 2-Book Bundle** Ged Martin,2014-10-29 This special 2 book bundle contains a number of perspectives on a man who was arguably Canada s most famous political leader a figure of legendary proportions in the history of Canada s birth and development Ged Martin s biography tells Macdonald s story Shocked by Canada s 1837 rebellions Macdonald sought to build alliances and avoid future conflicts Thanks to financial worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country s first prime minister He drove the Dominion s westward expansion rapidly incorporating the Prairies and British Columbia before a railway contract scandal unseated him in 1873 He conquered his drinking problem and rebuilt the Conservative Party to regain power in 1878 The centrepiece of his protectionist National Policy was the transcontinental railway but a western uprising in 1885 was followed by the controversial execution of rebel leader Louis Riel Although dominant nationally this popular hero had many flaws Macdonald at 200 presents fifteen fresh interpretations of Canada s founding prime minister published for the occasion of the bicentennial of his birth in 1815 Crisply written by recognized scholars and specialists the collection throws new light on Macdonald s formative role in shaping government promoting women s rights managing the nascent economy supervising westward expansion overseeing relations with Native peoples and dealing with Fenian terrorism A special section deals with how Macdonald has or has not been remembered by historians as well as the general

public The book concludes with an afterword by prominent Macdonald biographer Richard Gwyn Macdonald emerges as a man of full dimensions an historical figure that is surprisingly relevant to our own times Includes John A Macdonald Macdonald at 200 **The Canadian Department of Justice and the Completion of Confederation 1867-78** Jonathan Swainger,2011-11-01 The federal Department of Justice was established by John A Macdonald as part of the Conservative party s program for reform of the parliamentary system following Confederation Among other things it was charged with establishing national institutions such as the Supreme Court and the North West Mounted Police and with centralizing the penitentiary system In the process the department took on a position of primary importance in post Confederation politics This was particularly so up to 1878 when Confederation was completed Jonathan Swainger considers the growth and development of the ostensibly apolitical Department of Justice in the eleven years after the union of 1867 Drawing on legal records and other archival documents he details the complex interactions between law and politics exploring how expectations both inside and outside the legal system created an environment in which the department acted as an advisor to the government He concludes by considering the post 1878 legacy of the department s approach to governance wherein any problem legal or otherwise was made amenable to politicized solutions Unfortunately for the department and the federal government this left them ill prepared for the constitutional battles to come One crucial task was to establish responsibilities within the federal government rather than just duplicate offices which had existed prior to union Others were the establishment of national or quasi national institutions such as the Supreme Court 1875 and the North West Mounted Police 1873 the redrafting of the Governor General s instructions which was done between 1875 and 1877 and centralization of the penitentiary system completed by 1875 The Department benefited from a deeply rooted expectation that law was both apolitical and necessary This ideology functioned in a variety of ways it gave the Department considerable latitude for setting policy and solving problems but rationalized the appearance of politicized legal decisions It also legitimized Department officials claim that it was especially suited to review all legislation advise on the royal prerogative of mercy administer national penitentiaries and appoint judges to the bench Ultimately the fictional notion of law as apolitical and necessary placed the Department of Justice squarely in the midst of the completion of Confederation The Canadian Department of Justice and the Completion of Confederation will be of particular interest to students and scholars of Canadian legal and political history **Canadian History: Confederation to the present** Martin Brook Taylor,Doug Owram,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover MACDONALD, HIS LIFE AND WORLD. ED.BY W.KAYE LAMB. Peter Busby Waite,1975 *The The Longest Boundary: How the US-Canadian Border's Line came to be where it is, 1763-1910 (Consolidated edition)* John Dunbabin,2024-04-25 A consolidated eBook of Volume one and Volume two of The Longest Boundary by John Dunbabin These volumes are firmly

based on primary sources but written in a way that should appeal to the general reader as much as to specialised historians Its chief actors are politicians and administrators but there is a range of others extending from First Nations chiefs to goldminers railway entrepreneurs prophets and policemen In the concluding chapter the book s general historical approach is supplemented by assessment of the main perspectives of international relations theory Finally attention is drawn to small anomalies created by the boundary line

National Politics and Community in Canada R. Kenneth Carty, W. Peter Ward, 1986 The authors in this collection challenge traditional notions of the minority and explore Canada s national political system and institutions as a unit

*George MacDonald's Children's Fantasies and the Divine Imagination* Colin Manlove, 2020-01-01 The great Victorian Christian author George MacDonald is the well spring of the modern fantasy genre In this book Colin Manlove offers explorations of MacDonald s eight shorter fairy tales and his longer stories At the Back of the North Wind The Princess and the Goblin The Wise Woman and The Princess and Curdie MacDonald saw the imagination as the source of fairy tales and of divine truth together For he believed that God lives in the depths of the human mind and sends up from thence wonderful gifts into the light of the understanding This makes MacDonald that very rare thing a writer of mystical fiction whose work can give us experience of the divine Throughout his children s fantasy stories MacDonald is describing the human and divine imagination In the shorter tales he shows how the imagination has different regions and depths each able to shift into the other With the longer stories we see the imagination in relation to other aspects of the self and to its position in the world Here the imagination is portrayed as often embattled in relation to empiricism egotism and greed

**The Gold Thread** William Raeper, 2015-11-03 Both children s literature and fantasy literature have become established as genre for critical study in recent years especially in the United States As one of the outstanding children s authors of the nineteenth century and a pioneer of fantasy writing MacDonald has become the focus of increased attention As an acknowledged influence on many authors who came after him authors such as E Nesbit G K Chesterton C S Lewis W H Auden and T S Eliot MacDonald is one of the rare writers whose work is a starting point for evaluating the achievements of others New forms of critical theory Jungian psychoanalytic and feminist turning towards the exploration of sexuality and the fantastic have also found fitting subjects in MacDonald s texts This volume studies these developments and also the growing acknowledgment that MacDonald was a Scottish writer and a Victorian His enduring works have been his children s books At the Back of the North Wind The Princess and the Goblin The Princess and Curdie and the fairy tales of The Golden Key His two adult fantasy novels Phantasties and Lilith are now recognized as classics of their kind

**Canadian Books for Young People/Livres canadiens pour la jeunesse, 3e** Irma McDonough, 1980-12-15 This third completely revised edition contains hundreds of new entries for a total of almost 2 000 children s books and magazines carefully selected and described by a team of children s librarians Entries are arranged by subject with reading levels indicated where necessary and are also listed in a separate author title index A list of prize winning Canadian children s books and a basic book list for librarians

teachers and parents are included in this charmingly illustrated volume     The Bookseller ,1877     In Transit ,1928 Vols  
 include the Proceedings of the association s 12th 27th annual conventions     Native American in the Land of the Shogun  
 Frederik L. Schodt,2013-06-15 The true story of a half Chinook half Scot adventurer who entered feudal Japan in 1848 and  
 helped pave the way for its modernization How Japan after 250 years of self imposed isolation began the process of  
 modernization is in part the story of Ranald MacDonald In 1848 this half Scot half Chinook adventurer from the Pacific  
 Northwest landed on an island off Hokkaido Although promptly arrested and imprisoned for seven months in Nagasaki the  
 intelligent well educated MacDonald fascinated the Japanese and became one of their first teachers of English and Western  
 ways Based on primary research in Japan and North America this book chronicles the events leading to MacDonald s journey  
 and his later struggle to obtain recognition at home     *The Spectator* ,1866     **The Presbyterian** ,1906     *The Canadian*  
*Historical Review* ,1975 Includes section Recent publications relating to Canada     *The Congregationalist* ,1924     *The 500*  
*World's Greatest Golf Holes* George Peper,2003-04-01 Provides descriptions and anecdotes about the greatest golf holes from  
 courses around the world
