Machiavelliana Michael Jackson, Damian Grace, 2018-06-05 In Machiavelliana Michael Jackson and Damian Grace offer a comprehensive study of the uses and abuses of Niccol Machiavelli's name in society generally and in academic fields distant from his intellectual origins It assesses the appropriation of Machiavelli in didactic works in management social psychology and primatology scholarly texts in leaderships studies as well as novels plays commercial enterprises television dramas operas rap music Mach IV scales children's books and more The book audits surveys examines and evaluates this Machiavelliana against wider claims about Machiavelli It explains the origins of Machiavelli's reputation and the spread of his fame as the foundation for the many uses and misuses of his name They conclude by redressing the most persistent distortions of Machiavelli

The Ramal Extraction Steve Perry, 2012-12-24 At the close of the 24th Century a series of revolutions has caused the galaxy to descend into chaos With the Galactic Union's Army stretched thin mercenary units have arisen for those who have the need and the means to hire them Captained by former Detached Guerrilla Forces Colonel R A Rags Cutter the Cutter Force Initiative is one of the best A specialized team consisting of both aliens and humans the Cutters offer services ranging from fight training and protection to extraction and assassination as long as the target deserves it and their employer makes good on payday When they're hired to find and rescue Indira the soon-to-be married daughter of the Rajah Ramal of New Mumbai the team's first task is to identify the kidnapper The obvious suspects are insurgents who want to overthrow the rajanate but as other forces enter the game and an assassination attempt is made on Ramal the Cutters realize that their in and out extraction job is about to get a lot more interesting and a lot more lethal

The Vastalimi Gambit Steve Perry, 2013-12-31 At the close of the twenty-fourth century a series of revolutions has caused the galaxy to descend into chaos With the Galactic Union Army stretched thin mercenary units have arisen for those who have the need and the means to hire them Kay the alien member of the Cutter Force Initiative has returned to her brutal home world of Vast on a mission of mercy Before she joined the merc team she was a great healer And now her skills are sorely needed Hundreds of Vastalimi including her blood kin are dying mysteriously But is the plague a work of nature Or is it a bioengineered virus purposefully unleashed Kay and Doc Wink will have to find out the hard way With the Cutter Force light years away the two find the odds against them and on a planet like Vast where violence abounds and life is cheap they may be facing a foe they can't defeat

Machiavelli in the British Isles Alessandra Petrina, 2016-05-13 Machiavelli in the British Isles reassesses the impact of Machiavelli's *The Prince* in sixteenth-century England and Scotland through the analysis of early English translations produced before 1640 surviving in manuscript form This study concentrates on two of

the four extant sixteenth century versions William Fowler's Scottish translation and the Queen's College Oxford English translation which has been hitherto overlooked by scholars Alessandra Petrini begins with an overview of the circulation and readership of Machiavelli in early modern Britain before focusing on the eight surviving manuscripts She reconstructs each manuscript's history and the afterlife of the translations before moving to a detailed examination of two of the translations Petrini's investigation of William Fowler's translation takes into account his biography in order to understand the Machiavellian influence on early modern political thought Her study of the Queen's College translation analyses the manuscript's provenance as well as technical details including writing and paper quality Importantly this book includes annotated editions of both translations which compare the texts with the original Italian versions as well as French and Latin versions With this volume Petrini has compiled an important reference source offering easy access to little known translations and shedding light on a community of readers and scholars who were fascinated by Machiavelli despite political or religious opinion

Battle Surgeons: Star Wars Legends (Medstar, Book I) Michael Reaves, 2005-12-06 As Civil War between the Republic and the Separatists rages across the galaxy nowhere is the fighting more fierce than on the swamp world of Drongar where a beleaguered mobile hospital unit wages a never ending war of its own A surgeon who covers his despair with wise cracks another who faces death and misery head on venting his emotions through beautiful music A nurse with her heart in her work and her eye on a doctor A Jedi Padawan on a healing mission without her Master These are the core members of a tiny med unit serving the jungle world of Drongar where battle is waged over the control of a priceless native plant and an endless line of medlifters brings in the wounded and dying mostly clone troopers but also soldiers of all species While the healers work desperately to save lives others plot secretly to profit from the war either by dealing on the black market or by manipulating the events of the war itself In the end though all will face individual tests and only those of compassionate hearts and staunch spirits can hope to survive to fight another day Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years

The Tejano Conflict Steve Perry, 2014-12-30 At the end of the twenty fourth century war is fought in a civilized manner Each side hires mercenaries to engage in combat in specifically designated areas To the victor go the spoils whatever they may be After a couple of assignments involving more intrigue and skulduggery than the Cutter Force Initiative ever wanted the unit is looking forward to being part of a straight up short term industrial war on Earth Cutter agrees to a support role offered by an old Army comrade who's now a general in a larger military force The pay is good the unit happy All they have to do is basic ranger stuff sneak and peek shoot and scoot But what starts out as a corporate fight to occupy a valuable piece of contested territory quickly goes sideways and once again Cutter and crew find themselves in the middle of situations in which things aren't as they seem and the unit must determine the truth or lose more than just a battle

To Be Continued Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of

prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. *To Be Continued Second Edition* maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others. *Automotive User Interfaces* Gerrit Meixner, Christian Müller, 2017-02-27

This book focuses on automotive user interfaces for in-vehicle usage, looking at car electronics, its software, and hidden technologies, e.g., ASP, ESP, comfort functions, e.g., navigation, communication, entertainment, and driver assistance, e.g., distance checking. The increased complexity of automotive user interfaces, driven by the need for using consumer electronic devices in cars as well as autonomous driving, has sparked a plethora of new research within this field of study. Covering a broad spectrum of detailed topics, the authors of this edited volume offer an outstanding overview of the current state of the art, providing deep insights into usability and user experience, interaction techniques and technologies, as well as methods, tools, and its applications, exploring the increasing importance of Human-Computer Interaction (HCI) within the automotive industry. *Automotive User Interfaces* is intended as an authoritative and valuable resource for professional practitioners and researchers alike, as well as computer science and engineering students who are interested in automotive interfaces. *The Green and The Blue* Luciano Floridi, 2023-10-26

Presenting an array of innovative concepts to revolutionize politics in our digital world, this book is written by one of the most authoritative voices of contemporary philosophy. *The Green and the Blue* explores the opportunities presented by the digital age for combining green environmental policies with blue digital solutions to strengthen democracy, reform capitalism, and work toward a sustainable and equitable future. With an engaging and readable style, world-renowned philosopher Luciano Floridi lays out a timely and convincing case for embracing responsible practices to ensure a sustainable environment, a better democracy, and an equitable information society. Drawing from his expertise in digital ethics and the philosophy of technology, Floridi offers fresh perspectives, innovative ideas, and bold strategies for improving political systems that emphasize the importance of cooperation, ethics, and long-term planning. Throughout the text, the author advocates for a political and economic framework of care that focuses on the quality of relations and processes rather than consumption and things. A groundbreaking call to action for individuals, policymakers, and technologists, *The Green and the Blue: Naïve Ideas to Improve Politics in the Digital Age* provides a comprehensive interdisciplinary and well-rounded exploration of how to improve the present by designing good policies for the future. Features insightful analysis by the founder of the philosophy of information and one of the key interpreters of the digital revolution. Explains complex concepts to allow easy understanding and application of the ideas presented. Includes compelling thought experiments that challenge traditional notions of capitalism and politics. Encourages readers to think critically about

the present and future of politics Offering a new way of thinking about democracy the environment and technology The Green and the Blue Naive Ideas to Improve Politics in the Digital Age is a must read for undergraduate and graduate students practitioners and general readers who are seeking positive and sustainable change in the world of politics

Machiavelli, Marketing and Management Phil Harris,Andrew Lock,Patricia Rees,2025-06-30 This second fascinating and cutting edge text provides insight into the meaning and interpretation of Machiavelli and his works for management marketing and political thought and highlights their particular relevance to the manager and policymaker today By bringing together contributions from authors both academic and practitioner this book addresses a number of common themes relating to the influences and arguments of perhaps the first political scientist and advocate of sound management and marketing principles The volume covers a wide range of topics including modern management and leadership public affairs technology marketing populist and fascist governments and strategic corporate philanthropy Machiavelli Marketing and Management Revisited will be of great interest to all practitioners students and scholars of management marketing political science and public affairs

Death Star: Star Wars Legends Michael Reaves,Steve Perry,2008-11-25 THAT S NO MOON Obi Wan Kenobi The Death Star s name says it all with bone chilling accuracy It is a virtual world unto itself equipped with uncanny power for a singularly brutal purpose to obliterate entire planets in the blink of an eye Its annihilation of the planet Alderaan at the merciless command of Grand Moff Tarkin lives in infamy And its own ultimate destruction at the hands of Luke Skywalker is the stuff of legend But what is the whole story and who are the players behind the creation of this world killing satellite of doom The near extermination of the Jedi order cleared the way for Palpatine power hungry Senator and Sith Lord to seize control of the Republic declare himself Emperor and usher in a fearsome totalitarian regime But even with the dreaded Darth Vader enforcing Palpatine s sinister will the threat of rebellion still looms And the Emperor knows that only abject fear and the ability to punish dissent with devastating consequences can ensure his unchallenged control of the galaxy Enter ambitious and ruthless government official Wilhuff Tarkin architect of the Emperor s terrifying dream come true From inception to completion construction of the unprecedented Death Star is awash in the intrigues hidden agendas unexpected revelations and daring gambits of those involved on every level The brightest minds and boldest egos the most ambitious and corrupt the desperate and the devious all have a stake in the Death Star and its potential to control the fate of the galaxy Soldiers and slaves loyalists and Rebels spies and avengers the innocent and the evil all their paths and fates will cross and intertwine as the Death Star moves from its maiden voyage to its final showdown And a shadowy chapter of Star Wars history is stunningly illuminated in a thrilling unforgettable adventure
