Beyond

Indulgences Anna Marie Johnson, 2017-11-01 Between Luther's Ninety Five Theses in 1517 and his excommunication from the church in 1520 he issued twenty five sermons and treatises on Christian piety most of them in German These pastoral writings extended his criticisms of the church beyond indulgences to the practices of confession prayer clerical celibacy the sacraments suffering and death These were the issues that mattered most to Luther because they affected the faith of believers and the health of society Luther's conflict with Rome forced him to address the issue of papal authority but on his own time he focused on encouraging lay Christians to embrace a simpler self sacrificing faith In these pastoral writings he criticized theologians and church officials for leading people astray with a reliance on religious works and he began to lay the foundation for a reformed Christian piety

Psalms of the Faithful Brian T. German, 2017-09-13 The Psalms forced Martin Luther to change how he read the Bible In *Psalms of the Faithful* Brian German shows us Luther's reappraisal of the plain sense of Scripture By following the canonical shaping of the Psalter Luther refined his interpretive principles into a more finely grained hermeneutic Luther inspires us to read the Psalms empathetically with ancient Israelites and early church fathers He stirs us up to join the faithful synagogue in praying to and praising the Lord our God According to many scholars Luther established his approach to biblical exegesis on the claim that Jesus Christ is Scripture's content and speaker While Luther used this formulation in prefaces how did he really read the Bible German applies pressure not only to how Luther scholars understand Luther's interpretive method but also to how modern biblical exegetes approach their task and even to how we read the Bible

Luther on Conversion Marilyn Harran, 2019-06-30 What is conversion How does it come about What preparations must a person make Harran traces the evolution of Luther's views on these questions treating his early years as an Augustinian monk the beginnings of his work as a reformer and his final evangelical breakthrough during which he realized the full theological implications of his religious stance Harran studies Luther's changing interpretations of conversion in his exegetical writings on the Psalms Romans Hebrews and Galatians in sermons and letters and in early reform writings and she considers the relation of conversion to faith justification and grace concepts traditionally viewed as the cornerstones of Luther's mature theology Introducing new and compelling evidence to the heated debate about Luther's own conversion she analyzes the accuracy of his later recollections of his Tower Experience and its dating Insightful and innovative *Luther on Conversion* will be welcomed by anyone interested in Luther and in the revolution in faith that he brought about

The Early Luther Berndt Hamm, 2017-01-01 The development of Martin Luther's thought has commanded much scholarly attention because of the Reformation and its remarkable effects on the history of Christianity in the West But much of that scholarship has been so enthralled by certain later debates that it has practically ignored and even distorted the context in and against which Luther's thought developed In *The Early Luther* Berndt Hamm armed with

expertise both in late medieval intellectual life and in Luther presents new perspectives that leave old debates behind A master Luther scholar Hamm provides fresh insights into the development of Luther's theology from his entry into the monastery through his early lectures on the Bible to his writing of the 95 Theses in 1517 and *The Freedom of a Christian* in 1520 Rather than looking for a single breakthrough Hamm carefully outlines a series of significant shifts in Luther's late medieval theological worldview over the course of his early career The result is a more accurate nuanced portrait of Reformation giant Martin Luther *The T&T Clark Companion to Augustine and Modern Theology* C.C. Pecknold, Tarmoo, 2013-07-18 The T T Clark Companion to Augustine and Modern Theology is both a theological companion to the study of Augustine and a resource for thinking about Augustine's importance in modern theology Each of the essays brings Augustinian depth to a broad range of contemporary theological concerns The volume unveils cutting edge Augustinian scholarship for a new generation and at the same time enables readers to see the timely significance of Augustine for today Each of the essays not only introduces readers to key themes in the Augustinian corpus but also provides readers with fresh interpretations that are fully conversant with the theological problems facing the church in our world today Designed as both a guide for students and a reference point for scholars it will seek both to outline the frameworks of key Augustinian debates while at all times pushing forward fresh interpretative strategies concerning his thought **The Unrepentant**

Renaissance Richard Strier, 2024-05-31 Who during the Renaissance could have dissented from the values of reason and restraint patience and humility rejection of the worldly and the physical These widely articulated values were part of the inherited Christian tradition and were reinforced by key elements in the Renaissance especially the revival of Stoicism and Platonism This book is devoted to those who did dissent from them Richard Strier reveals that many long recognized major texts did question the most traditional values and uncovers a Renaissance far more bumptious and affirmative than much recent scholarship has allowed The Unrepentant Renaissance counters the prevalent view of the period as dominated by the regulation of bodies and passions aiming to reclaim the Renaissance as an era happily churning with surprising worldly and self assertive energies Reviving the perspective of Jacob Burckhardt and Nietzsche Strier provides fresh and uninhibited readings of texts by Petrarch More Shakespeare Ignatius Loyola Montaigne Descartes and Milton Strier's lively argument will stir debate throughout the field of Renaissance studies The Assurance of Faith Randall C. Zachman, 2005-01-01

Common wisdom concerning Luther and Calvin suggests differences in the way they related the testimony of Christ to the conscience Zachman undertakes the long overdue comparison of their theologies especially the ways in which Luther and Calvin define and describe the conscience and relate it to the testimonies of the Word and the Spirit Winner of the Marc Perry Galler Prize for a work of scholarly distinction Pater Bernhardus Franz Posset, 2018-08-09 Collected Works Vol 1 The Two Fold Knowledge Readings on the Knowledge of Self and the Knowledge of God Vol 2 Pater Bernhardus Martin Luther and Bernard of Clairvaux Vol 3 Luther's Catholic Christology According to His Johannine Lectures of 1527
