My Good Turn Journal:

My Good Turn Journal Lee Nelson,2005-03 My Good Turn Journal is a tool Ben Franklin might have used to make helping others a character trait for life This handy little booklet contains consecutively numbered entries for recording 365 good turns enough for an entire year the scout who diligently records 365 good deeds in a row during a year's time will be on his way to making kindness and service to others a lifetime habit a pattern for living that will lead him to a happier more fruitful life while benefiting hundreds or even thousands of people *Journals: 1928-1939* André Gide,2000 Beginning with a single entry for the year 1889 when he was twenty and continuing intermittently but indefatigably through his life the Journals of André Gide constitute an enlightening moving and endlessly fascinating chronicle of creative energy and conviction Astutely and thoroughly annotated by Justin O'Brien in consultation with Gide himself this translation is the definitive edition of Gide's complete journals The complete journals representing sixty years of a varied life testify to a disciplined intelligence in a constantly maturing thought These pages contain aesthetic appreciations philosophic reflections sustained literary criticism notes for the composition of his works details of his personal life and spiritual conflicts accounts of his extensive travels and comments on the political and social events of the day from the Dreyfus case to the German occupation Gide records his progress as a writer and a reader as well as his contacts and conversations with the bright lights of contemporary Europe from Paul Valéry Paul Claudel Lon Blum and Auguste Rodin to Marcel Proust Stephen Mallarmé Oscar Wilde and Nadia Boulanger Devoid of affectation alternately overtaken by depression and animated by a sense of urgency and hunger for literature and beauty Gide read voraciously corresponded voluminously and thought profoundly always questioning and doubting in search of the unadulterated truth The only drama that really interests me and that I should always be willing to depict anew he wrote is the debate of the individual with whatever keeps him from being authentic with whatever is opposed to his integrity to his integration Most often the obstacle is within him And all the rest is merely accidental
