Mulder, Gerardo Martí,2020-04-17 For most of his life the megachurch ministry of

Robert H Schuller in Orange County California displayed an apparent strength that betrayed none of the fractures that lay below the success oriented surface Yet when tested and stressed in the late 2000s the ecclesial structure s accumulated fragility proved to be catastrophic Drawing on extensive data gathered from archives interviews and ethnographic observation The Glass Church examines the spectacular collapse of The Crystal Cathedral to better understand both the strength and fragility of Schuller s ministry The apparent success of the ministry obscured the many tensions that often threatened its future Certainly all churches depend on a mix of constituents charisma and capital yet the size and ambition of large churches like Schuller s Crystal Cathedral exert enormous organizational pressures to continue the flow of people committed to the congregation to reinforce the spark of charismatic excitement generated by high profile pastors and to develop fresh flows of capital funding for maintenance of old projects and launching new initiatives The constant attention to expand constituencies boost charisma and stimulate capital among megachurches produces an especially burdensome strain on their leaders By orienting an approach to the collapse of the Crystal Cathedral on these three core elements constituency charisma and capital The Glass Church demonstrates how congregational fragility is greatly accentuated in larger churches a notion we label megachurch strain such that the threat of implosion is significantly accentuated by any failures to properly calibrate the inter relationship among these elements **Mainline Christians and U.S. Public Policy** Glenn H.

Lyman,2009-08 This book is an exciting opportunity for exercising individual thought based upon humanity s search for a significant role in the ongoing drama of a much better world It is a challenge to all of humanity of every race and culture every religious faith

and to those who possess an avid religion of no religion the pure atheist Throughout the book the author proclaims the dignity of the human creature as he seeks his destiny It reflects a destiny that exists beyond all human comprehension and is not to be restricted by any religion especially Christianity The author suggests that the most tragic happening for the Christian faith is that it has been categorized as just another religion The central theme of the book is that there is an awesomely bigger picture for the success of human life and we are a precise part of its unfolding as humans with the gifts of a reasoning mind and a delicate inner spirit searching for meaning and destiny The book suggests that the ultimate destiny and goal is the ultimate perfection of human nature his character and his behavior This lies at the heart of all searching minds and spirits as they are driven to a discovery or destiny Contained in Paul s letter to the Corinthians in the first century is his observation that the human eye has never seen or the ear heard nor has there entered into the mind of any man what it is that God has prepared for those who love Him This book affirms that God is and that God possesses the true blueprint for the perfection of human nature Our human destiny is dependent upon our relationship to the Master Creator and our cooperation with Him This is a crucial ingredient of all religions and for all human beings who can recognize that God has created the human creature in His own image of a mind and spirit capable of communication with Him This book does not attempt to identify the realistic facts of what the bigger picture is like It only challenges us to realize that there is a bigger picture and we humans must participate in the development of it We can only use our God given minds and our spirits to cooperate with God in the attainment of a perfect humanity in a perfect new world The book is designed as a thinking and pondering opportunity It consists of nine chapters containing commentaries on the meaning of life followed by thought provoking sermons preached many years ago but are currently challenging with a great depth of thought that enables the reader to ponder and consider and experience what it is that is happening to us as a part of the drama of world history and cosmic exploration The Christian event is vital to our thinking exploration because it was a happening that revealed the simple but essential fact that we humans are a part of a dramatic movement of life that involves the entire panorama of the cosmic universe The book is full of affirmations that we humans are a part of a much more significant existence than we realize Chapter titles reflect the insightful progress of the book Chapter 1 The Prelude Chapter II The Glory of Life Chapter III The Vital Truth That Eludes Us Chapter IV Life is Utterly Amazing Chapter V What is Really Going On Chapter VI Faith Is Vital Chapter VII When Hope Comes Alive Chapter VIII Love Is Like a Miracle and Chapter IX Your Ultimate Goal The final statement of the author reflects his common sense analysis of human life He states that There is no such thing as perfection in this life but ultimately in God s Bigger Picture there will be It is God s goal for His human creation you and me *They Think You're Stupid* Herman Cain,2005 Do the scare tactics deceptions and distortions of politics frustrate you Have you grown cynical about the lack of real issue leadership in Washington Do you often feel as if politicians are talking down to you that they think you re stupid Well that is how politics as usual makes Herman Cain feel In *They Think You re Stupid* Cain

proposes an action plan to help the marginalized voter find a true voice in the political process At the same time he offers political party leaders an avenue back to the heart of American democracy the voters Cain identifies a new voter phenomenon occurring across the nation Displaced Democrats rebellious Republicans irate Independents and registered non voters sitting on the sidelines are refusing to strongly identify with either political party They Think You re Stupid provides insightful analysis of the factors that have led to what he terms the politically homeless While Democrats are on the road to irrelevancy Cain believes that Republicans have an opportunity to capture the loyalty of this growing segment of America Herman Cain pinpoints a wide range of issues where he believes voters are unified from the threat of terrorism to economic slavery He argues that the need to see real results around these issues can inspire the politically homeless to become more engaged in the political process and by their very presence transform policies and politics in Washington From the perspective of a successful businessman They Think You re Stupid offers hope for the disenfranchised voter and commonsense advice to the Republican Party Cain explains The Republicans have a unique opportunity to dominate the political landscape for decades if they do a better job of reaching out to the party outsiders with results rather than waiting for outsiders to reach in Cain sees a new day in American politics and that day must include a voice for the politically homeless
