# KIM PHILBY

BRITISH-AMERICAN AGENT — RUSSIA'S MASTER SPY

# MY SILENT WAR

INTRODUCTION BY GRAHAM GREENE

# My Silent War

**Harold Adrian Russell PHILBY, Alfred  
Reginald PALMER**

## **My Silent War:**

My Silent War Kim Philby, 2002-09-24 In the annals of espionage one name towers above all others that of H A R Kim Philby the ringleader of the legendary Cambridge spies A member of the British establishment Philby joined the Secret Intelligence Service in 1940 rose to the head of Soviet counterintelligence and as MI6 s liaison with the CIA and the FBI betrayed every secret of Allied operations to the Russians fatally compromising covert actions to roll back the Iron Curtain in the early years of the Cold War Written from Moscow in 1967 *My Silent War* shook the world and introduced a new archetype in fiction the unrepentant spy It inspired John le Carr s Smiley novels and the later espionage novels of Graham Greene Kim Philby was history s most successful spy He was also an exceptional writer who gave us the great iconic story of the Cold War and revolutionized in the process the art of espionage writing *My Silent War* Kim Philby, 1983-04-01 **My Silent War, Etc** Harold Adrian Russell PHILBY, 1968 **Some Reflections on Kim Philby's "My Silent War" As a Historical Source** Edward Harrison, 1992-12-01 **My silent war: introduction by Graham Greene** Harold Adrian Russell PHILBY, Alfred Reginald PALMER, 1969 **My Silent War; the Soviet Master Agent Tells His Own Story** Kim Philby, 1968 *Our Man in Mexico* Jefferson Morley, 2008-03-11 Mexico City was the Casablanca of the Cold War a hotbed of spies revolutionaries and assassins The CIA s station there was the front line of the United States fight against international communism as important for Latin America as Berlin was for Europe And its undisputed spymaster was Winston Mackinley Scott Chief of the Mexico City station from 1956 to 1969 Win Scott occupied a key position in the founding generation of the Central Intelligence Agency but until now he has remained a shadowy figure Investigative reporter Jefferson Morley traces Scott s remarkable career from his humble origins in rural Alabama to wartime G man to OSS London operative and close friend of the notorious Kim Philby to right hand man of CIA Director Allen Dulles to his remarkable reign for more than a decade as virtual proconsul in Mexico Morley also follows the quest of Win Scott s son Michael to confront the reality of his father s life as a spy He reveals how Scott ran hundreds of covert espionage operations from his headquarters in the U S Embassy while keeping three Mexican presidents on the agency s payroll participating in the Bay of Pigs fiasco and most intriguingly overseeing the surveillance of Lee Harvey Oswald during his visit to the Mexican capital just weeks before the assassination of President Kennedy Morley reveals the previously unknown scope of the agency s interest in Oswald in late 1963 identifying for the first time the code names of Scott s surveillance programs that monitored Oswald s movements He shows that CIA headquarters cut Scott out of the loop of the agency s latest reporting on Oswald before Kennedy was killed He documents why Scott came to reject a key finding of the Warren Report on the assassination and how his disillusionment with the agency came to worry his longtime friend James Jesus Angleton legendary chief of CIA counterintelligence Angleton not only covered up the agency s interest in Oswald but also after Scott died absconded with the only copies of his unpublished memoir Interweaving Win Scott s personal and professional lives Morley has crafted a real life thriller of Cold

War intrigue a compelling saga of espionage that uncovers another chapter in the CIA's history *MI6* Gordon Corera, 2011-08-11 From the host of The Rest is Classified podcast this is the secret history of MI6 from the Cold War to the present day The history of MI6 in the words of real spies MAIL ON SUNDAY The best post 1949 account of British intelligence I have read SPECTATOR As gripping as any novel INDEPENDENT The British Secret Service has been cloaked in secrecy and shrouded in myth since it was created over a century ago Our understanding of what it is to be a spy has been largely defined by the fictional worlds of James Bond and John le Carr In MI6 security expert Gordon Corera provides a unique and unprecedented insight into this secret world and the reality that lies behind the fiction It tells the story of how the secret service has changed since the end of the Second World War revealing the danger the drama the intrigue the moral ambiguities and the occasional comedy that comes with working for British intelligence The grand dramas of the Cold War and its aftershocks the rise and fall of the Berlin Wall the Cuban Missile Crisis the 9/11 and the Iraq war are the backdrop for the human stories of the individual spies at the centre of the narrative Corera draws on the first hand accounts of those who have spied lied and in some cases nearly died in service of the state They range from the spymasters to the agents they ran to their sworn enemies From Afghanistan to the Congo from Moscow to the back streets of London these are the voices of those who have worked on the front line of Britain's secret wars And the truth is often more remarkable than the fiction MI6 and the Machinery of Spying Philip Davies, 2004-06 Philip H J Davies is one of a growing number of British academic scholars of intelligence but the only academic to approach the subject in terms of political science rather than history He wrote his PhD at the University of Reading on the topic Organisational Development of Britain's Secret Intelligence Service 1909-1979 and has published extensively on intelligence and defence issues After completing his PhD he taught for a year and a half on the University of London external degree programme in Singapore before returning to the UK to lecture at the University of Reading for two years He was formerly Associate Professor of International and Security Studies at the University of Malaya in Malaysia where he not only conducted his research but provided a range of training and consultancy services to the Malaysian intelligence and foreign services He is now based at Brunel University UK **A Spy Among Friends** Ben Macintyre, 2014-01-01 From bestselling author Ben Macintyre the true untold story of history's most famous traitor

**Cloak of Enemies** Tom Keene, 2012-02-29 The Special Operations Executive SOE also known as Churchill's Secret Army or the Ministry of Ungentlemanly Warfare was born from Churchill's vision to set Europe ablaze It was formed to conduct espionage and sabotage in enemy occupied territory as well as aid local resistance groups in their own irregular warfare After D Day it played a crucial role in the liberation of Europe However Tom Keene's book reveals for the first time how close it came to never existing at all Many saw SOE as a threat to the existence of MI5 and other intelligence agencies and some in the armed forces refused to work with the new agency fearing its broad remit and lack of experienced operatives SOE in turn became ever more secretive hiding details of their operations from anyone outside the agency This backstabbing climate of

rivalry confusion and secrecy within the higher echelons of government not only nearly destroyed SOE but also had tragic repercussions for the daring Commandos who took part in the legendary Cockleshell Raid Cloak of Enemies exposes the secret war in the shadows and backrooms of Whitehall during the Second World War and its far reaching consequences

My Silent War Kim Philby, 1968      A Cup of Redemption Carole Bumpus, 2025-07-30 Like the braiding of three strands of brioche the lives of three women Sophie Zab l Sullivan Marcelle Pourrette Zab l and Kate Barrington become inextricably intertwined as each struggles to resolve issues from past wars that have profoundly impacted their lives Sophie believed her childhood nightmares were safely behind her once she married and moved to the U S from France until she is called to her mother Marcelle s deathbed to honor one final request Search for my father Search for Pourrette Born on the last day of World War I Marcelle whose life epitomizes the human cost of war never knew her father yet carried the Pourrette name along with the shame of illegitimacy as did her two oldest sons born during World War II Enlisting the expertise of a friend and family therapist Sophie encourages Kate to join her in France to help find her grandfather scour the stain of illegitimacy from her family s name Unbeknownst to Sophie Kate s 34 year old illegitimate daughter given up for adoption during the Vietnam War has recently reappeared Kate struggling with her own shame and guilt pushes aside her feelings to join Sophie in France Rising out of the collateral damage wrought by war A Cup of Redemption is a touching story about love loss and the search for identity      Ukraine Taras Kuzio, 2015-06-23 A definitive contemporary political economic and cultural history from a leading international expert this is the first single volume work to survey and analyze Soviet and post Soviet Ukrainian history since 1953 as the basis for understanding the nation today Ukraine dominated international headlines as the Euromaidan protests engulfed Ukraine in 2013 2014 and Russia invaded the Crimea and the Donbas igniting a new Cold War Written from an insider s perspective by the leading expert on Ukraine this book analyzes key domestic and external developments and provides an understanding as to why the nation s future is central to European security In contrast with traditional books that survey a millennium of Ukrainian history author Taras Kuzio provides a contemporary perspective that integrates the late Soviet and post Soviet eras The book begins in 1953 when Soviet leader Joseph Stalin died during the Cold War and carries the story to the present day showing the roots of a complicated transition from communism and the weight of history on its relations with Russia It then goes on to examine in depth key aspects of Soviet and post Soviet Ukrainian politics the drive to independence Orange Revolution and Euromaidan protests national identity regionalism and separatism economics oligarchs rule of law and corruption and foreign and military policies Moving away from a traditional dichotomy of good pro Western and bad pro Russian politicians this volume presents an original framework for understanding Ukraine s history as a series of historic cycles that represent a competition between mutually exclusive and multiple identities Regionally diverse contemporary Ukraine is an outgrowth of multiple historical Austrian Hungarian Polish Russian and especially Soviet legacies and the book succinctly integrates these influences with post Soviet Ukraine determining the

manner in which political and business elites and everyday Ukrainians think act operate and relate to the outside world

*The Story of Mr. AntiSocial* Michael Jean DuBois,2018-12-27 I m writing this book as a man in his upper thirties who is recounting about thirty years worth of a lifelong struggle with being comfortable around people That is not knowing how to talk to people not trusting people enough to be comfortable sharing my thoughts feelings and experiences Being socially dysfunctional has led me to do and think a number of things that I m not proud of I m highly critical of myself in this book and throughout my everyday life in general I ve always lamented that I wished I could be someone else But in the end I need to realize that I have to embrace who I am with all my flaws I can only be me I can t be anyone else and I should not want that to be any other way

**Tears in the Valley** Ijay,2006-01-26 The tears that flowed from Calvary were not those of an angry man but of a lonely man A man forsaken by both God and man All through the valley his eyes were set on the mountain on the joy that would be his The valley is not the end of the road It is simply a land surrounded by mountains We all experience the ups and downs of life and most times we feel like breaking out in tears It is not a sign of weakness to cry while going through tough times Even Jesus wept The promise is that weeping may endure for a night but joy comes in the morning It takes faith to walk through the valley and maintain a positive attitude Keep your eyes on the mountain while your tears are flowing in the valley for you shall rise again Yea though I walk through the valley of the shadow of death I will fear no evil for thou art with me thy rod and thy staff they comfort me Psalm 23v4

**Misdefending the Realm** Antony Percy,2017 This is the story of how the Soviet Union successfully infiltrated the UK government in the years leading up to WW2 and specifically when the USSR was an ally of Nazi Germany August 1939 June 1941 Historians have previously argued that this success was due to the existence of a Communist super mole within MI5 and that in the fight against Fascism multiple indulgences towards communists were an unavoidable strategy The reality was very different When a key Soviet defector warned of the deep insertion of agents within the corridors of power the Comintern were obliged by the Hitler Stalin pact to launch an aggressive counteroffensive in 1940 Britain s Security Service was persuaded that the threat from communist subversion was minimal When this most damaging espionage was detected MI5 s officers engaged in an extensive cover up to conceal their deficiencies Exploiting recently declassified material and a broad range of historical and biographical sources Antony Percy here reveals how the Soviet Union caught up so swiftly with Western expertise and weaponry and so removed a key Western advantage over its Communist adversary as the Cold War ensued

The Psychology of Spies and Spying Adrian Furnham,John Taylor,2022-06-28 The Psychology of Spies and Spying tells the story of the people involved in spying the human sources agents who betray their country or organisation and the professional intelligence officers who manage the collection and reporting process

**Deceiving the Deceivers** S. J. Hamrick,2008-10-01 Among the more sensational espionage cases of the Cold War were those of Moscow s three British spies Kim Philby Donald Maclean and Guy Burgess In this riveting book S J Hamrick draws on documentary evidence

concealed for almost half a century in reconstructing the complex series of 1947-1951 events that led British intelligence to identify all three as Soviet agents. Basing his argument primarily on the Venona archive of broken Soviet codes released in 1995-1996 as well as on complementary Moscow and London sources, Hamrick refutes the myth of MI5's identification of Maclean as a Soviet agent in the spring of 1951. British intelligence knew far earlier that Maclean was Moscow's agent and concealed that knowledge in a 1949-1951 counterespionage operation that deceived Philby and Burgess. Hamrick also introduces compelling evidence of a 1949-1950 British disinformation initiative using Philby to mislead Moscow on Anglo-American retaliatory military capability in the event of Soviet aggression in Western Europe. Engagingly written and impressively documented, *Deceiving the Deceivers* breaks new ground in reinterpreting the final espionage years of three infamous spies and in clarifying fifty years of conjecture, confusion, and error in Anglo-American intelligence history.

*The Sword and the Shield* Christopher Andrew, 2000-08-29

*The Sword and the Shield* is based on one of the most extraordinary intelligence coups of recent times: a secret archive of top-level KGB documents smuggled out of the Soviet Union which the FBI has described after close examination as the most complete and extensive intelligence ever received from any source. Its presence in the West represents a catastrophic hemorrhage of the KGB's secrets and reveals for the first time the full extent of its worldwide network. Vasili Mitrokhin, a secret dissident who worked in the KGB archive, smuggled out copies of its most highly classified files every day for twelve years. In 1992, a U.S. ally succeeded in exfiltrating the KGB officer and his entire archive out of Moscow. The archive covers the entire period from the Bolshevik Revolution to the 1980s and includes revelations concerning almost every country in the world. But the KGB's main target of course was the United States. Though there is top secret material on almost every country in the world, the United States is at the top of the list. As well as containing many fascinating revelations, this is a major contribution to the secret history of the twentieth century. Among the topics and revelations explored are the KGB's covert operations in the United States and throughout the West, some of which remain dangerous today; KGB files on Oswald and the JFK assassination that Boris Yeltsin almost certainly has no intention of showing President Clinton; the KGB's attempts to discredit civil rights leader in the 1960s, including its infiltration of the inner circle of a key leader; the KGB's use of radio intercept posts in New York and Washington D.C. in the 1970s to intercept high-level U.S. government communications; the KGB's attempts to steal technological secrets from major U.S. aerospace and technology corporations; KGB covert operations against former President Ronald Reagan which began five years before he became president; KGB spies who successfully posed as U.S. citizens under a series of ingenious disguises, including several who attained access to the upper echelons of New York society.

## Reviewing **My Silent War**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**My Silent War**," an enthralling opus penned by a highly acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
