identities during the time it was produced potentially influenced by the flourishing Jewish tradition of exegesis and story telling that aimed to preserve sacred history amid contemporary upheavals The Book of Jasher is a compelling read for anyone interested in biblical history literature or the evolution of religious narratives Its rich textual tapestry not only complements the scriptural canon but also invites readers to ponder the deeper themes of faith morality and the human experience within the divine narrative

The Gods of Nibiru in the Ancient Near East Ryan Moorhen, No direct explanation is given for the origin and nature of the luminous bodies the sun the planets and the stars Because as far back as our written sources go the Sumerians regarded the moon god who went by the names Sin and Nanna as the son of the air god Enlil it does not seem unreasonable to suggest that they saw the moon as a bright air like body fashioned from the atmosphere As the sun god Utu and the Venus goddess Inanna are always referred to in the texts as children of the moon god these luminous bodies were probably imagined as having come from the moon after the latter had been formed from the atmosphere The big ones walk around the moon like wild oxen and the little ones that are scattered around the moon like grain are considered the rest of the planets and stars

God's Kingdom on Earth Charles Anderson Godby, Jr.,2005-10-11 This book provides a roadmap within which one may

find a deeper understanding of God's grand plan for mankind. It describes His creation schemes and the majesty of man reflecting on his direction, history and responsibilities. It defines in an understanding way the selection and plan for the family God chose to represent Him here on earth, delineating their sojourn, history, their development, accomplishments, perils, downfall and resurrection to current day status. It describes the chosen family's decision process within which their sinful ways and activities led to varying degrees of punishment. But yet it gives them renewed hope for achieving God's plan for mankind through the reiterating process of God's word. It gives a description of the Holy land, its boundaries and tribal allocations, describing what it was in Joshua's time and what it is yet to be. Delineating that parcel of land which is yet to be totally set aside and allocated for the sole purpose and use by The Lord God in support of the holy city of Jerusalem. The Lord Is There and Holy Temple where He will reign here on earth for 1 000 years. It speaks of the first resurrection and the second coming of The Lord Jesus Christ. His reign on earth, the second resurrection after the 1 000 year reign of The Lord and final judgment of mankind by Him. A Chronology of events relating to Israel's wellbeing is provided and a Time Table delineating dates of specific events is also attached. It is with prayer and hope that all readers will find this book of special value, educational and of profound benefit for all.
