Night Of The Jabberwock:

Night of the Jabberwock Fredric Brown, 2004-08-01 Doc Stoeger is the editor of the Carmel Clarion Carmel City's weekly newspaper put to bed on Thursday night and released on Friday On this particular Thursday night the paper is looking extremely void of news and Doc complains that he wishes something would happen on a Thursday night to give him a hot story As well as being editor of the local paper Doc is also an aficionado of the works of Lewis Carroll and enjoys nothing more than spouting verse in Smiley's bar when work is over The Lewis Carroll references become very important to the storyline and are scattered liberally throughout the book Before the night is half over Doc's wishes come true as he is absolutely deluged with exciting stories that would make terrific reading the next morning From bank robbers to a factory fire to the capture of a criminal gang But as quickly as they break the stories evaporate leaving him with the prospect of delivering a newspaper with nothing worthwhile to read *Martians and Misplaced Clues* Jack Seabrook, 1993 Brown 1906 1972 was a popular and respected author of more than 20 mysteries and science fiction novels The Fabulous Clipjoint won the 1948 Edgar Award for best mystery novel This study looks closely at his work and chronicles his unusual life Paper edition unseen 16 95 Annotation copyright by Book News Inc Portland OR **Night of the Jabberwock / the Deep End** Fredric Brown, 2018-12-10 Fredric Brown Double Mystery Novel **A Checklist of Fredric Brown**, 1992 *The Mystery Fancier* William F. yet they also appeal to adults on a quite different level Layers of satire allusion and symbolism about Victorian culture and politics as well as revelations about the intricate subconscious problems of their author add to their fascination and make them impossible to classify This new edition explores the phenomenal range of reference and the paradoxical appeal of two of the most inventive books in world literature It also includes an episode removed by Carroll from the proofs of *Through the Looking Glass* called *The Wasp in a Wig* ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Jabberwock's**
