Night Dance:

The Night Dance Suzanne Weyn, 2008-11-25 Under the stars in a secret world Rowena the youngest of twelve sisters loves to slip out of the castle at night and dance in a magical forest Soon she convinces her sisters to join her When Sir Ethan notices that his daughters slippers look tattered every morning he is certain they've been sneaking out So he posts a challenge to all the suitors in the kingdom The first man to discover where his daughters have been is free to marry the one he chooses Meanwhile a handsome young knight named Bedivere is involved in a challenge of his own to return the powerful sword Excalibur to a mysterious lake While looking for the lake Bedivere meets the beautiful Rowena and falls for her Bedivere knows that accepting Sir Ethan's challenge is the only opportunity for him to be with Rowena forever But this puts both Bedivere and Rowena in a dangerous situation one in which they risk their lives for a chance at love **Everyday**

Life-Environmentalism Daisaku Yamamoto, Hiroyuki Torigoe, 2023-12-05 This book provides one of the first systematic introductions to the Japanese concept of life environmentalism Seikatsu Kankyo Shugi This concept emerged in the 1980s as a shared research framework among Japanese social scientists studying the adverse consequences of postwar industrialization on everyday life in communities Life environmentalism offers a lens through which the agency of small communities in sustaining their everyday life and living environment can be understood The book provides an overview of this approach including intellectual backgrounds and foundational concepts along with a variety of empirical case studies that examine environmental and sustainability issues in Japan and other parts of Asia It also includes critical reflections on the approach in light of contemporary sustainability challenges The empirical topics covered in the book include local community responses to development projects resource governance disaster response and recovery and historical environmental preservation The chapters are contributed by researchers working at the forefront of the field It provides only a glimpse into the vast literature that awaits further exploration and engagement in the future The book is suitable for upper undergraduate students graduate students and researchers interested in environmental problems sustainability and resilience disaster mitigation and response and regional development in Asian contexts particularly Japan It is well suited for courses in anthropology geography sociology urban and regional planning political science Asian studies and environmental studies

The Quiet Journey Joe Millard, 2007-12-05 The Quiet Journey is one person's life story told in amusing and authentic memoirs from 1936 until 2000 The author writing to his grandchildren shares candid childhood stories about Saturday afternoon movies reading contests and threshing runs The memoirs capture a glimpse of attending a one room rural school growing up on a farm and living without electricity Older readers may recall their own memories of catching and killing a rooster for Sunday dinner or playing fox and geese in the snow Others may identify with the author as he tells of his first date and learning how to dance A few may even remember the surprises that awaited them at college Those who served in the navy during the 1950s may have experienced challenging shore patrol duty in places like Olongapo Philippines or

visited Hiroshima and Nagasaki Japan In addition former sailors may remember some of their more amusing experiences when at sea All of these experiences are captured in *The Quiet Journey* along with humorous and challenging experiences of teaching in Urbana Postville Story City and Dubuque Iowa However everyone reading *The Quiet Journey* will sense the importance of the second half of the twentieth century

An Apache Life-Way Morris Edward Opler, 2018-12-05 A majority of ethnographer Morris Edward Opler's research was done on Native American groups of the American Southwest He studied specifically the Chiricahua Indians who were the subjects of one of his most famous books *An Apache Life Way* The Economic Social and Religious Institutions of the Chiricahua Indians Opler studied many Native American groups but the Apache were a main focus of his *An Apache Life Way* traces the life of an Apache year by year Rather than a history the book explains the day to day Apache experience detailing the chronological order of one's life The lifestyle described in the book is from a time before the Americans started the long era of hostile interactions with the Apache The people designated as Apache in this book are those who spoke the Apache language in the area that is now New Mexico Arizona Sonora and Chihuahua There were many smaller sub groups that populated these areas three of them different groups of the Chiricahua Apache *An Apache Life Way* is divided into several main parts Childhood Maturation Social Relations of Adults Folk Beliefs Medical Practice and Shamanism Maintenance of the Household Marital and Sexual Life The Round of Life Political Organization and Status and Death Mourning and the Underworld Each section is divided into more specific subcategories that explore each phase of life and the rituals associated with it Originally published in 1941 *An Apache Life Way* remains one of the most important and innovative studies of south western Native Americans First class in the best ethnographic tradition It fills a great gap in our anthropological knowledge and deserves to be one of the most used of American tribal records Ruth Benedict author of *Patterns of Culture*

Malanggan Susanne Küchler, 2020-08-23 Shortlisted for the Katharine Briggs Folklore Award 2003 *Malanggan* are among the most treasured possessions in the Pacific yet they continue to confound anthropologists Central to funerals in New Ireland these death figures are intended to decompose as symbolic representations of the dead Wrapped in images that are conceived of as skins they are both visually complex and intriguing This book is the first to interpret these mysterious agents of resemblance and connection as having a cognitive rather than a linguistic basis Found in nearly every ethnographic museum in the world *Malanggan* collections have been left virtually untouched This original study begins by tracing the history of the collections and moves on to consider the role these artefacts play in sacrifice ritual and exchange What is the relationship between *Malanggan* and memory How can *Malanggan* be understood as a life force as well as a vehicle for thought In an analysis of the cognitive aspects of *Malanggan* Küchler offers a highly original conceptualization of the centrality of the knot as a mode of being thinking and binding in the Pacific *Malanggan Art Memory and Sacrifice* is a groundbreaking study Based on fifteen years of fieldwork and collection research it provides an incisive new take on one of the Pacific's classic puzzles as well as a wealth of new information and resources for
