the strong willed hero of George A Romero's first LIVING DEAD film Ben *Night of the Living Dead* Ben Hervey, 2020-10-01 George A Romero's *Night of the Living Dead* is a cult classic that has resonated with audiences and independent filmmakers ever since its release in 1968. It redefined horror cinema and launched the modern zombie genre that continues with films and series like *28 Days Later*, *Shaun of the Dead* and *The Walking Dead*. Ben Hervey's illuminating study of the movie traces *Night*'s influences from Powell and Pressburger to fifties horror comics and provides the first history of its reception. Hervey argues that the film broke cultural barriers filmed at New York's Museum of Modern Art while it was still packing 42nd Street grindhouses. Scene by scene analysis meshes with detailed historical contexts showing why *Night* was a new kind of horror film: the expression of a generation who didn't want their world to return to normal. *Night of the Living Dead* Christian Matt Mikalatos, 2011-09-16 What does a transformed life actually look like? In his follow up to the critically acclaimed *Imaginary Jesus*, Matt Mikalatos tackles this question in an entertaining and thought provoking way with *MONSTERS*. While Christians claim to experience Christ's resurrection power, we sometimes act like werewolves who can't control our base desires. Or zombies experiencing a resurrection that is 90 percent shambling death and 10 percent life. Or vampires satiating ourselves at the expense of others. But through it all, we long to stop being monsters and become truly human the way Christ intended. We just can't seem to figure out how. *Night of the Living Dead* Christian is the story of Luther, a werewolf on the run whose inner beast has driven him dangerously close to losing everything that matters. Desperate to conquer his dark side, Luther joins forces with Matt to find someone who can help. Yet their time is running out. A powerful and mysterious man is on their trail, determined to kill the wolf at all costs. By turns hilarious and heartbreaking, *Night of the Living Dead* Christian is a spiritual allegory that boldly explores the monstrous underpinnings of our nature and tackles head on the question of how we can ever hope to become truly transformed. *Night of The Living Dead Vol. 1 - 3*, The zombie series fans have long demanded is collected for the first time. All eight issues of the fully authorized series of color comics are included here along with a horrific cover gallery. This is the story everyone was dying to see: a prequel to the original film from the original creator and script co-writer John Russo. *Night of the Living Dead* John Russo, 1983-07-01 **Night of the Living Dead Complete Tps (Slipcase Edition)** Mike Wolfer, John Russo, German Erramouspe, Dheeraj Verma, David Hine, 2015-10-13 Zombie fans demanded it: the most unprecedented and horrifying night in American history continues as *The Night of the Living Dead* world expands with these official canon trade paperbacks. With stories set on that fateful evening in 1968 and expanding to the next generation in the 1970s, these tales expand the original frightening legend to new heights of undead horror. Shocking reports from rural areas continue to flood the airwaves with accounts of the recently deceased rising up to kill the living. Now government officials begin counter measures to calm an increasingly panic stricken public. Questioning whether or not the unbelievable stories are truth or simply an elaborate hoax perpetrated by militants opposed to the Vietnam War, the attention of the nation's Capitol is focused on a threat more believable as thousands of
