Nightriders Moon:

The Nightriders' feud Walter Caruth McConnell, 1912 **The Night Riders: A Romance of Early Montana** Ridgwell Cullum, 2020-09-28 Forks Settlement no longer occupies its place upon the ordnance map of the state of Montana At least not the Forks Settlement the one which nestled in a hollow on the plains beneath the shadow of the Rocky Mountains It is curious how these little places do contrive to slip off the map in the course of time There is no doubt but that they do and are wholly forgotten except perhaps by those who actually lived or visited there It is this way with all growing countries and anywhere from twenty to thirty years ago Montana was distinctly a new country It was about 85 that Forks Settlement enjoyed the height of its prosperity a prosperity based on the supply of dry goods and machinery to a widely scattered and sparse population of small ranchers and farmers These things brought it into existence and kept it afloat for some years Then it gradually faded from existence just as such places do When John Tresler rode into Forks he wondered what rural retreat he had chanced upon He didn't wonder in those words his language was much more derogatory to the place than that It was late one afternoon when his horse ambled gently on to the green patch which served Forks as a market place He drew up and looked around him for some one to give him information The place was quite deserted It was a roasting hot day and the people of Forks were not given to moving about much on hot days unless imperative business claimed them As there were only two seasons in the year when such a thing was likely to happen and this was not one of them no one was stirring The sky was unshaded by a single cloud Tresler was tired stiff and consumed by a sponge like thirst for he was unused to long hours in the saddle And he had found a dreary monotony in riding over the endless prairie lands of the West Now he found himself surrounded by an uncertain circle of wooden houses None of them suggested luxury but after the heaving rollers of grass land they suggested companionship and life And just now that was all the horseman cared about He surveyed each house in turn searching for a single human face And at last he beheld a window full of faces staring curiously at him from the far side of the circle It was enough Touching his jaded horse's flanks he rode over toward it Further life appeared now in the form of a small man who edged shyly round the angle of the building and stood gazing at him The stranger was a queer figure His face was as brown as the surface of a prairie trail and just as scored with ruts His long hair and flowing beard were the color of matured hay His dress was simple and in keeping with his face moleskin trousers worn and soiled a blue serge shirt a shabby black jacket and a fiery handkerchief about his neck while a battered prairie hat adorned the back of his head

Night Riders in Black Folk History Gladys-Marie Fry,2001 During and after the days of slavery in the United States one way in which slaveowners overseers and other whites sought to control the black population was to encourage and exploit a fear of the supernatural By planting rumors of evil spirits haunte *Son the Knight* Ray Fisher,2015-04-21 *Son the Knight* is a story of a young prince who lives in earlier times in what is now modern day France This intriguing tale follows the life of the prince from adolescence to becoming a very brave and resourceful young man After struggling with the visions of a beautiful young maiden the gallant prince discovers there is true romantic love at first sight After his country is attacked by a Muslim enemy from across the Mediterranean Sea he makes it his undying quest to rescue his mother and sister from the cruel sultan leader of the attacking horde With the discovery of a new metal alloy to make superior weapons the Prince organizes an elite team of warriors to fulfill his devout pledge to rescue his family members from their captors The British Film Catalogue Denis Gifford,2018-10-24 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars Night Riders Lee Floren,1988 **Night Riders in the Tallgrass** Mo Griffin,2013-02 Once a lawman always a lawman Ty McCord is a flint hard lawman hell bent on outrunning a dangerous and often violent past He travels on a long journey that takes him through Texas and eventually to the far reaches of the lawless Kansas frontier His plan is straightforward A quiet new life as a rancher will begin when he arrives in the remote and sparsely settled ocean of Kansas prairie grass As he works his way along in the rugged territory Ty s designs for a peaceful existence are soon set upon by his years of wearing a badge Nearly a year following his arrival in the tallgrass he weds Liz a refined and headstrong beauty Abruptly their world is bushwhacked by a band of military style horse thieves preying on the prairie ranches In no time a desperate shorthanded marshal begs Ty for his help in putting an end to the night riding raiders and the threat of angry ranchers taking matters into their own hands Against the dead set wishes of Liz and their new child Ty reluctantly agrees to join Marshall Seward s failing struggle to bring the savage outlaws to justice In due time the raids become personal and deadly The Vengeful Luna of Shadow 2 Zephyr,2024-12-10 Bind her up I heard a woman s stern command They roughly shoved me to the ground placing my arms on a bench and tying them with ropes It s an honor for you to be a surrogate candidate for our King HOW DARE YOU try to escape Now you ll pay the price As his partner handed him a pair of pliers he flashed me a purely evil smile My heart sank into my stomach The king Surrogate I had no idea what he was talking about

NO PLEASE Listen you ve got the wrong person They didn t even let me finish before they pulled out the nail on my index finger Ah I thought I knew pain but his actions proved I didn t I had never experienced such torture my helpless screams filled the entire dungeon Tears streamed down my face and my hands were soaked with innocent blood The woman sat not far away legs crossed smiling at me Soon she raised her hand to signal everyone to leave and then crouched in front of me slowly untying the ropes around me I know it s not you but a she wolf escaped We ll use you to replace her So if you want to survive here shut your mouth and do as you re told Just like that everything changed Betrayed by my fated mate and my best friend I the powerful daughter of an Alpha was scheduled to be executed on the false allegations of murdering my father and his comrades Fate had other plans as I escaped but landed myself on an island ruled by a mysterious king Asher Ludwig No matter how difficult it is I will fight my way back and reclaim everything that belongs to me *Catalog of Copyright Entries. Tobacco Uprising in Kentucky Henry Cleveland Wood, 2020-09-28 Most girls would be powerful vain to have the Squire even notice em the mother continued in a more persuasive tone as a sort of balm offering to the girl s wounded feelings She placed her cup and saucer in her plate and put back a small piece of unused butter on the side of the butter dish then slowly arose from the table It s seldom a po gyurl has such a good chance to better her condition if she was only willin to do so she continued argumentatively for the subject was a favorite theme with her and she had rung its changes for the listener s benefit on more than one occasion She gave her daughter a sidelong glance partly of inquiry partly of reproach and turned to her work Sally with something like an impatient jerk lifted from the stove the steaming kettle and poured a part of the hot contents into the dish pan on the table but she made no answer though soon the clatter of tins and dishes perhaps they rattled a little louder than usual mingled as a sort of accompaniment to the reminiscent monologue that Mrs Brown carried on at intervals during her work It s all owin to the Squire s kindness an interest in us that we re fixed this comfortable for dear knows I d never got the toll gate in the first place if it hadn t been for his influence an now if you d only give him any encouragement at all you might be a grand sight better off Such chances don t grow as thick as blackberries in summer I can tell you Sally had the dishes all washed and laid in a row on the table to drain and now she caught them up one by one and began to polish away vigorously as if the effort afforded a certain relief to her feelings since she had chosen to take refuge in silence S posin he is old an ugly soliloquized Mrs Brown abruptly breaking into speech again and seemingly addressing her remarks to the skillet she was then cleaning and which she held up before her and gazed into intently as a lady of fashion might do a hand glass at her toilet What o that Beauty s only skin deep an old age is likely to come to us all sooner or later It s all the better if he is along in years she added with a sudden chuckle and a second furtive glance over the top of the skillet toward the girl to see if she was listening Then he ain t so likely to live forever an a trim young widow with property of her own an money in bank can mighty soon find a chance to marry ag in if she s a mind to
