Nikolai Gogol And The West European Novel:

Nikolai Gogol and the West European Novel Anna Arkad'evna Elistratova, 1984 *Nikolai Gogol and the West European Novel* Анна Аркадьевна Елистратова, 1984 **Nikolai Gogol and the West European Novel** Anna Arkad'evna Elistratova, 1984 **The Gothic-Fantastic in Nineteenth-Century Russian Literature** ,2023-12-18 The BRILL series Studies in Slavic Literature and Poetics occupies a unique place in the academic and intellectual book market due to its emphasis on theoretically informed and interdisciplinary approaches to the study of Slavic literatures and cultures The series welcomes book proposals for monographs or edited volumes discussing questions of Slavic culture identity and history as expressed in literature film and other forms of cultural production Authors are cordially invited to submit proposals and or full manuscripts to the publisher at BRILL Masja Horn **The Diary of a Madman, the Government Inspector, and Selected Stories** Nicolai Gogol, 2024-12-05 Nikolai Gogol's short fiction collected here as *The Diary of a Madman* *The Government Inspector* and *Selected Stories* deeply influenced later Russian literature with powerful depictions of a society dominated by petty bureaucracy and base corruption This Penguin Classics edition is translated with notes by Ronald Wilks and an introduction by Robert A Maguire This volume includes a selection of Gogol's most admired short fiction and his most famous drama A hilarious and biting political satire *The Government Inspector* has been popular since its first performance and was regarded by Nabokov as the greatest Russian play ever written The stories gathered here meanwhile range from comic to tragic and describe the isolated lives of low ranking clerks lunatics and swindlers They include *Diary of a Madman* an amusing but disturbing exploration of insanity *Nevsky Prospect* a depiction of an artist infatuated with a prostitute

Dead Souls Nikolay Gogol, 2004-07-29 Chichikov a mysterious stranger arrives in the provincial town of N visiting a succession of landowners and making each a strange offer He proposes to buy the names of dead serfs still registered on the census saving their owners from paying tax on them and to use these souls as collateral to reinvent himself as a gentleman In this ebullient masterpiece Gogol created a grotesque gallery of human types from the bear like Sobakevich to the insubstantial fool Manilov and above all the devilish con man Chichikov *Dead Souls* Russia's first major novel is one of the most unusual works of nineteenth century fiction and a devastating satire on social hypocrisy **Noplace Like Home** Amy C. Singleton, 1997-01-01 Explores the way that four major works of Russian literature Gogol's *Dead Souls* Goncharov's *Oblomov* Zamiatin's *We* and Bulgakov's *The Master and Margarita* define a cultural self for the Russian people Focusing on the deep cultural currents that pull Russian society in contradictory ways *Noplace Like Home* also explores the writer's struggle to overcome these tensions through the creation of a literary utopia *Jews and Ukrainians in Russia's Literary Borderlands* Amelia Glaser, 2012-02-22 Studies of Eastern European literature have largely confined themselves to a single language culture or nationality In this highly original book Glaser shows how writers working in Russian Ukrainian and Yiddish during much of the nineteenth century and the early part of the twentieth century were in intense conversation with

one another The marketplace was both the literal locale at which members of these different societies and cultures interacted with one another and a rich subject for representation in their art It is commonplace to note the influence of Gogol on Russian literature but Glaser shows him to have been a profound influence on Ukrainian and Yiddish literature as well And she shows how Gogol must be understood not only within the context of his adopted city of St Petersburg but also that of his native Ukraine As Ukrainian and Yiddish literatures developed over this period they were shaped by their geographical and cultural position on the margins of the Russian Empire As distinctive as these writers may seem from one another they are further illuminated by an appreciation of their common relationship to Russia Glaser's book paints a far more complicated portrait than scholars have traditionally allowed of Jewish particularly Yiddish literature in the context of Eastern European and Russian culture *Essays on Gogol* Susanne Fusso, Priscilla Meyer, 1994 These fourteen essays reflect the increasingly interdisciplinary character of Russian literature research in general and of the study of Gogol in particular focusing on specific works Gogol's own character and the various approaches to aesthetic religious and philosophical issues raised by his writing **The Cambridge Companion to the Classic Russian Novel** Malcolm V. Jones, Robin Feuer Miller, 1998-04-30 Many Russian novels of the nineteenth and twentieth centuries have made a huge impact not only inside the boundaries of their own country but across the western world The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels in fourteen newly commissioned essays by prominent European and North American scholars There are chapters on the city the countryside politics satire religion psychology philosophy the romantic realist and modernist traditions and technique gender and theory In this context the work of Pushkin Dostoevsky Tolstoy Turgenev Bulgakov Nabokov Pasternak and Solzhenitsyn among others is described and discussed There is a chronology and guide to further reading all quotations are in English This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel
